Do you know what Chris are usually wouldn't respond but I think it's really important for you and your colleagues to understand why the American people Republicans Democrats independence Southerners Northerners love my dad and respect him as much as they do and they do genuinely they love him and they respect him because they know that he has gone through The same adversities and tragedies relationships divorces all the things that we all go through except my family has had to live them in the public light into see a man face those adversities and tragedies with such grace and compassion and understanding and being able to use his pain to alleviate the pain of others Chris lotta people ask me and my family or say that must be so hard and the truth of the matter is is that I think we're lucky I know I'm lucky because of my family but I think that we've been lucky we've been blessed to have so much empathy so much support from people that I've never even met to say I understand so that I can see them I understand too people love my family but they particularly in most importantly love him because they know he's just like them he knows what they're going through because they see them go through it and get up and out only get up get up with such love and compassion and grace so if you think that old news or new news or anything that you have to say about this family is going to win anyway stop me from telling my dad to run my sister my mother you're wrong this family Family only grows stronger in the face of adversity because we learned from my dad it's no treat saying just get up I've seen my dad get up more times than anyone I've ever met he's a better dad than anyone I've ever even heard of and he loves me and he loves every single person in this family more than I can even explain so there's nothing that you can say Or anyone can say about me or my family that it's going to deter us from encouraging him to run the only thing that ever happened to me when I was a kid and people said bad things about my dad it made me a better fishfinder but it also made me more empathetic and made me realize just how courageous my dad is.
