Dont text thx

Okay. I'll call you soon, I'm running errands now so it'll probably be a little later.  
By the way I loved the article!  
"Never run from a struggle. Love people and find a way to love yourself. And remember that the two things are very much connected"

Yes Siera - im calling right

I tried calling, the phone was off. Call back when you can

Call you in a minute
