Hey I'm home

I have this interview tomorrow in Irvine I have to leave at like 6 AM to get there

Let's have dinner tonight now even though we don't want to - I don't know any good hotels there. I have to shower right now and I have to pack. Dad messaged me that you messaged him. So it's good

Where should I book a hotel for us

I have all the apps

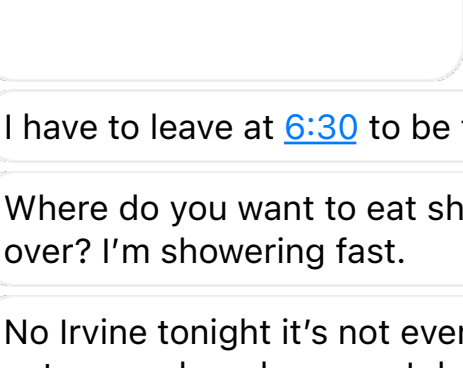

Newport Beach Laguna beach Huntington beach

I love you so much

Other alternative is I book a hotz! where you are and we drive together in the AM

ILL TAKE CARE OF YOU

Okay I booked it

Hey I am just going to stay here - but can I come over for dinner

Or you can come here

I spoke to them it makes no sense

I'm going to showerNOW you can stay here tonight in my bed and we can go in the AM

THE hotel makes no sense and it's only an hour and a half to Masimo in am

I have to leave at 6:30 to be there an hour early

Where do you want to eat should I order us something? or do you just want to come over? I'm showering fast.

No Irvine tonight it's not even close enough to the place but we can hang tonight and eat somewhere because I don't sleep either

If you just eat with me tonight or have coffee with me tomorrow at 6 that's what I want

Hopping in shower.

Doors unlocked

It's too late I gotta get to bed soon

So no Irvine

But we can hang and talk

After tomorrow we will start your program!!

I'm going to bed I'm worn the fuck out

Coming down

You're 60 miles away - I'm making a run for it inside now. To grab a get away bag. Still have no idea whether I'm in big trouble and everyone hates me or not so might sleep at Kristen's or yours if ur up

Jul 18, 2018, 5:46 PM

Thank you for everything since yearly I love you so much I feel much less lonely with you around but I can't I cannot be around I am I've reached the limit of what I can be around it's making me feel sick and creeped out and I don't like the feeling and it's making me feel like crying I would love to spend time with you but I cannot spend time with anyone else like that I don't care how good of a guy he is I just want

I do not trust anybody anybody means anybody like I do not trust anyone and I don't trust that person for you either so I love you bye I hope to see you later thank you for helping me so much today I'm just a miserable person

Your face looks great and thank you so much for my T-shirt and my AC milkshake

And the girls are really nice

Plus most of all thanks for including me and not ignoring me and rejecting me and letting me Isolate Love you

Don't worry about me so much though

It is tough for me to see you unhappy so If you'd like to I would like to do something uplifting and stopping in hotel rooms trying to find cords and chargers and spending money that we don't need to spend love you

More than anything

But we gotta get out into some lighter atmosphere - I'm not referring to your cigarette smoking

Nor am I judging that

You truly suck bum butter cake I am feeling same

But we gotta pair it with something better

It's too dark

And I needed you to leave In a huff

I can handle the cigarettes

For the time being

So don't give me any sob story about guilt

What the fuck guilt

But I can't handle erratic but job psychopaths who speak 3 words and weird swords and light sabers LITERALLY HAHHAHA

LITERALLY LIGHT SABERS

that isn't a joke

A hole you showed me why I need to be done and it's now done

It's a real light saber

Dude you're traveling around in a 911 turbo with the best looking face in the game and you're transporting a large light saber like it's an atomic nasa instrument. Just food for though

Just food

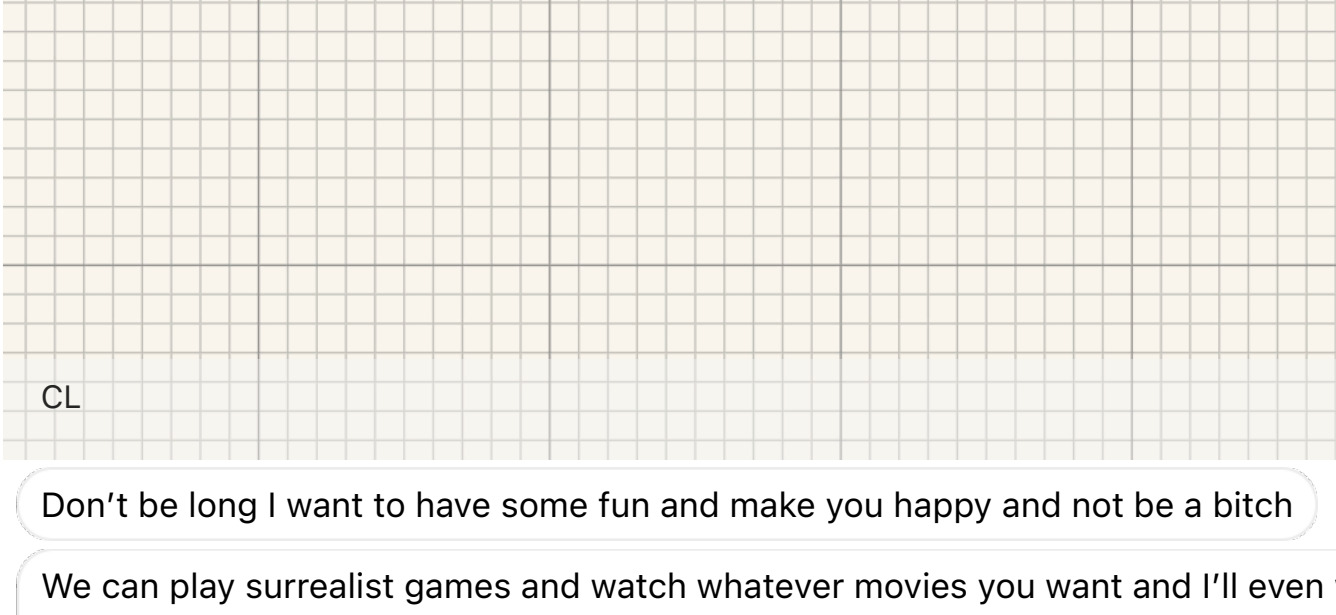

Did you forget your baby????????

I swear...if he's not alive and breathing when I see you.we aren't through at all

Because I have an extra 🌟💜💖

Dad and Sara are with Jamie and Amy

Ok- and what's that mean?

They're all full of shit

And my doctor just put me on antipsychotic pills because I'm nuts ?

Seroquel like I'm a fucking schizoid

Dad is so full of shy

Shit

I took seroquel-- is it really an anti-psychotic- why are they full of shit

I don't get it

Yes it is

It's for people with bipolar 1 and major major psychiatric disorders

Hmmm--thats interesting

Whatever

You're on dads side w everything

I think he's a good guy too

But he doesn't know me at all

And that's largely my fault and particularly his now

I took it during my last stop in outpatient rehab they rteffered me to psychiatrist

Bull fucking shit I am

Yeah and why do you think I'm getting prescribed it

All of a sudden

And if you think im goi g to take that bs from you you are crazy

Because dads emailing my psychiatrist

Not you - DAD is

Saying I'm nuts

Why is my dad showing g up on me a day early? Why is your dad n to communicating with me why is hallie blow g my fuckin g phone up?

You're the only thing preventing me from being in an actual looney bin I'm sure

Because they're the problem

Did you talk to anyone in past 24hrs anyone?????

No

And I would rather die

Anyone

I didn't even talk to my therapist abt u

She mentioned you as a good support for me

Well somethings fucking up

Mentioned my dad said so

What?/

Yes that's what she said today

What?

That I have a cousin out here who is helping me and loves me

And I said yes I do

How?

And that was that

She told dad

Oh

He knew

I mean dad told her

He knew what

Nvm

That we wer together? Duh

So whats the problem

Yeah he communicated something positive to my psychiatrist about you to her and then she did to me

And I left it at "yep he loves me and I love him"

Your dad thinks you're a good influence which you are

I told him to stop forcing you to be the in between and start talking to me - visiting me - having sessions w me - being real w me - that would be nice.

So there's no problem

Only that I'm a pain in your fucking ass

And the majority of my family thinks I'm nuts and untalktoable

Glad you got your card

Hate that Hallie is being evil

Why is your dad here anyway? Just to hang w u

Or does he have dinners etc

He has something in phoenix and im sure here but he's saying its just to see me. Whatever

Yeah

Whichever way will be nice to smell nice and have a good meal

You look beautiful

C- just roll with the punches for me please we need to make it to Thursday sweetheart i am on your side

Yeah sure

I'll take seroquel

To become a numb zombie

It's only a matter of time before you get sick of me

And people try to turn you against me

I should grab my clothing from you before your dad gets here...1all the fancy dresses. I think they're in the front of your car

Sorry

HA I am ready sick of you you little shit but its a good sick kind of makes me want to get some seroquel and hang out

Baby he's not in until 12 relax..im dealing on all fronts here and need you to help me too

Jul 20, 2018, 6:39 PM

Okay so how can I help?

You know I'm not packing tonight

Where are you

And I'm not smart enough. Why the fuck is there anything to look forward to?

I'm alive. I'm unhealthy. Our family's sick. My brother blows and so does his wife. I haven't even talked to my mom and I'm in fucking Philadelphia on a Saturday night watching movies w my dad that he's already seem

Go see her tomorrow and be my spy double agent

Seriously will you do that?

Jul 29, 2018, 7:09 PM

Hey

I don't have a personality disorder

Where are you staying

Dad said he won't let me come back until I have a place to stay and a car at cetera he's not "paying for me to be out there for 6 weeks doing nothing"

Here's the deal

I'm taking the job

Where do we want to live

I can commute

I can be an adult

You're a sociopath I thought I'm a masochist narcissist and Hallie and Ashley have borderline personality disorder. Right!

Why are you talking to Sara

Nd not to me

I have a plan

You don't get it

You're betraying me

You're responding to her and not to me

I don't want to live with you you're just one of them

I've had your fucking back - are you on my team!??

Dad won't even answer my calls

Sara drunkenly bitched me out

Wasted on bourbon

So I left last night quietly for nyc

You have no allegiance to me it seems. Tell me I'm wrong?

Ignoring me
Now. Cool

Thanks hunter

Jan 28, 2019, 12:56 AM

Dad and Jamie sent me to the psych ward for turning my phone on airplane mode and saying I hated it here i my makes me want to kill myself

So now I am forbidden to talk to anyone in the family

I am relieved

I don't like them I love them but I don't like their company at all

What I'm not family? Thank god almighty":

I'd cut off my ear

Newburyport Massachusets living with my psychiatrist

I'd cut off my ear anyway probably can high joke

Who amazingly d=said to e today

You know who you should date

You didn't deserve this

This life course

I met this woman with my family o vacation in Maine—

I'm happy

Her name isa pelts

For you

Peltz?

Or whatever your friends name is ands showed me her picture

glfunn y huh

Yes

She's related to brad Peltz

Peltz

See? You and I are cut from the same cloth

No one else in our family is

His sister you're friend that you were going teeth me up with numb nut

Your dad but he doesn't like money stuff

Nicola Peltz!??

Ye3s dude

Yes

See I told you

How fucking pretty is she

And sweet

Did you tell her you're my cousin

Caroline im still waiting waiting

Are you listening to me

I'm tired but I am

I was at lunch with my psychiatrist

Yes

And

He was telling me that I have to break d=free from Hallies trap

And then said

"I know someone"

Nicola Peltz

Wow.

You two would be perfect

You and I are siblings

I know you you know me

If I didn't have you I'd be sadder than I am

I said my cousin knows her well and was supposed to set us up on a date but

She didn't b/cd she's crazy as

Me

I am

I'm realizing I was better on drugs

Focus Caroline

Set me up with Nicola

Youn think you were

I don t even know what better means now

Ok but I need you to do something first

Like what

Iapologize ton brad again

I need you to truly know hallie doesn't love you and she never loved beau and she's an evil person

She doesn't have a soul

I promise you

May I die tonight

In my sleep

I pray i die if I'm wrong

It's not about analyzing it

It's about bawling crying and being a wreck that you're so special and even that bitch can't recognize it and thinks she can play with you

Honey I just found nd a hotel receipt for the inn at montchanin on 6-18-201'7 where I was out of town and a grainy picture ov what looks like two naked people I abed at [4 am](#)

Sao dial away motherfucker

She didn't even call me

She's a zero

She's not pretty enough

Her vagina sucks

She has horrible body proportions a

An eating disorder

A terrible family

A low IQ

Disloyalty

She's a horrible driver

She smiles cigarettes and looks 54

She's a bad mom

She wouldn't answer the phone and when I called from another # she was in the car at 6 man and when she did answer my call she said she never left the house and she

She's a horrible friend

Was going running

And she is ruining your love for life

Hunt

If we hired a private detective, we'd find out the truth and more

But it still wouldn't solve what you're upset over

Because I'm identical to you

She and dab=vid still talk even hough I know they were together band I think that beau had same suspis=cion when David lived with them and beau was inn basic training because qw couple weeks later he asked David to leave the house

And then stopped talking to him all together

Beau regretted marrying her

That's what I wanted too do

Beau didn't love her like he loved you not even close

He loved lily more

It just didn't work out

Beau was his own person and he had you and he didn't need the fulfillment of a wife as much

Im so furling obsessed with iknowing what I already know

Well said

This is going to take some time

But we have to accelerate it

With drastic measures

Yes

I'll do anything for you

I need a girlfriend

Okay

Withmonery of her own and ambition that will be a loyalfriend

NOTHING CREEPY NOTHING SEXUAL THATS FOR IN PERSON

You can't lose

She just broke up with someone yesterday so don't be pushy

Be ... Larry David

Test her now

So better

Do better

What is this

Get mean like you are to me forever yo

Forceful

Here's the deal tell her you'll buy her cologne for for a grandpa and some overalls and even take her trapezing if that's her thing but tell her you want to make her feel better whatever she wants to do you'll guarantee it 1 (561) 254-5224you promise you'll make her l better. No dinner date grossness. We are family say

I told you she's getting bored

You blew l

You can't start off with that humor on text that's in person

Ugh

Fix it

She probably thinks you're a guidio

Tell her you were kidding I can tell she's turned off

You're not being yourself be forceful

Stop doing a fucking [match.com](#) speed dating session

Be like:
1 where do you want to go
2 how much longer do you need to cry and would you want to do that while trapeezing
3 you conquered Thailand if you want to eat I'll suggest any other country
4 ice skating 🛼 is always an option
5 I promise Everyone needs a friend after a breakup and Caroline loves you so I do too

That gist but funnier

Be like "will spray tan" and sit around and do nothing and watch movies.

I got you your girl now show me what you've got. She needs a few days to feel pretty again. Don't make her reject a dinner bc she feels fat and sad

Keep it funny and be like I usually eat for 3-4 days straight when I'm in a mood. So let me know when I can take you to do whatever the hell you want

We can even do scrapbooking and I'll be a man and decide for you if you don't feel like deciding our activity

Puffy paint is always my go to

Stuff like that but better

Bye

But be sure to be like
Favorite water
Favorite drink
Favorite cigarette or not
Favorite color
Favorite thing you never get

Honestly this marriage would be epic

She's smart tall not a snob lives in mill neck and New York and palm beach

She loves projects

Paining shit doing her outdoor gardening her west village penthouse ex

Ok I'm done

How's it go

Then nothing

You're implying drunkenness and sex over text not voice

Your voice is your better asset

A little cottage sounds serial killer

She lives in Manhattan

You come to her

She was being polite

You seem like you want to get her drunk and bang her it's obvious

Be more mysterious

You're set for life she's my favorite person I ever met who's a girl

And she is kind and so generous and really handy

Odd combos

You come to her

Why would she ever come to you

And no one wants to stay in a cottage they want to stay in a hotel

It's too romantic

You need to play this longer game

Her dad died in a plane crash the week after we graduated and she dropped him off at the plane a small plane

She knows loss

He was her only friend the mother married the best friend

And her sisters nuts and is jealous of her

Callie and you would be perfect

She uses pills but booze is her thing and she's not a bad drunk

She doesn't do srugs

Illicit ones

She's never done cocaine

Now say something devastatingly charming and sincere and super evocative of you not being a desperate creep

That was hours ago

And say something funny as an exit be mysterioussssas

She went to meeting and hasn't responded

So whatever

What's with this good looking stuff

Your repeated it 490 times

Let her be shocked by it

She said I'm very good looking and I said thanks that's true

No I didn't

You're reading same text

Fine I trust you

I like that version better

But you need to follow it up with a self deprecating or a compliment otherwise you seem so into yourself

Or something funny

Like a chipped tooth

"I hope you don't mind chipped teeth"

Say Caroline tells me you're amazing at design and gorgeous inside and out I look forward to meeting you, whenever that is. I truly know how you feel and that guy was a zero to let you go. Funny girls are the rarest breed etc

But better

We can just hang out. Everyone needs a friend and I know it's especially hard when you're always pulling the weight. PS BIDENS ARE ALWAYS LATE HOURS LATE. So Biden's and bakers work x

Goodbye

Jan 30, 2019, 8:36 AM

Hey morning

I have to get up and go to probation

But I'll need all your information

Meaning address and the train stop and how to get there on Amtrak - he never checks up

I don't have to come though

It can be next weekend or week I don't have a job...

Like Friday night or Saturday am I can come until Sunday night etc

Lmk x

Jan 30, 2019, 4:54 PM

What the fuck did I do wrong with your friends>? Guess she just read my wiki page and decide not to even respond. It makes me sad

Bring a model with you

Jan 30, 2019, 8:17 PM

Hunter I can't talk

And Callie and I don't even hang out she's an alcoholic and JUST BROKE UP WITH HER BF

you didn't do anything

I went to yoga was on my way to an aa big book old timers meeting and slipped taking out my trash

Tremors my acl

I'm at the ER

CANT WAIT TO EXPLAIN my mental health history

Jan 30, 2019, 10:40 PM

Holy shit you want to come down to you

I love you

It's ok

They're treating me like shit bc I'm an addict in recovery

I've been here for four hours in excruciating pain not a Tylenol

My own brother is such garbage - so is my dad. I love you so so much. Gg trying to meditate and relax the fact you even offered to do that makes me the happiest girl in the world. I love you more than anyone.

Feb 7, 2019, 10:08 AM

Hey so the ACL AND THE MCL are torn

I'm going to tell people it's from extreme sports

I haven't taken any pain meds

Nice - you should say your cousin did it for not setting him up with a girl

Because I don't want to get addicted

Dude Callie Baker is a mess

I hate to say it

Good iced

But it's not you it's her

She's gained weight since her breakup she needs to lose it in her mind before she agrees to see anyone

Plus she's a grandpa style alcoholic

Yes she fully flaked and I didn't text rape her

like old school 1930s alcoholic

Ok dude next

Read 2/7/19

Hahahah

Well I saw Brad Peltz yesterday

And Nicolas into the guy

And brad is firmly not into me which I find INSANE. He's brutal he's like I really care about you you seem so unfulfilled, you're the smartest girl I know why haven't you done anything with it ? ... so I tried no to play in traffic on the walk home from our lunch

Not

Is this guy helping this guy you're living next to

I don't think you're that fucked up hunter. I think you have had a fucking rough time. I'd rather tony Robbins live with you than someone who makes you feel sick. There's nothing wrong with you besides the fact you're not selfish enough.

And I'm not sure you can extract empathy surgically or pharmacologically

Anyway I only know super sober girls and one gold digging girl who I don't find attractive and so you'd have to be clean since they're so into AA

Jamie Biden on the other hand has a deck of cards full of models

I hope that you can rest and that the family settles down - it's not you it's everyone. I love you forever I'm going to my appt
