Everything I say below is verifiably true. I left out anything that cant be confirmed by a text an email a recording a phone record a voice mail. Ive left out a lot. I love Hallie and cant seem to escape her. May be she tis truly in aware of how abused and trapped I feel by her. She tells everyone she loves me. I believe her concern for my life. I think she does love me in her way. Why does all of it matter to me. What does any of it have to with m y health. Why do I need another per
