Introducing my great friends Todd Morley and Hunter Biden ... You two can find synergies, I bet ... K

Hi Todd. Keith has told me great things about you. Which makes me suspicious: Are you as perplexed as I am about how much you love and respect Keith but can't begin to understand some of the crazy that comes out of his brain. Look forward to meeting you when you have the time. And Keith, I do love you and think you're about the smartest person I know. Best, Hunter

We three may be able to run the world. Love you, too. K

Hey guys, let's have a creative jam in January? Keith's brain is a continuous font of insights, creativity, well formed (and sometimes random) arguments eg 'Trump is the modern day Moses' (who I believe did a lot of mushrooms, hence the burning bush and the separated sea....) but altogether a 'beautiful mind' as the movie goes. Anyway, Happy New Year gents, let's hang after Jan 7th or so. T
