Yes. I am with Maisy having dinner. Sorry I was completely distracted with Kathleen's threats to file unless she got her full alimony plus lawyers fees. I was able to do January (I cashed Maisy's college fund to which she said "I don't care where you get the money tuitions are your responsibility too."). LY

Well dad I guess you were right if I just didn't say anything or show how Kathleen was a fucking greedy lascivious scorned loiar or make Clearing that I never was with hallie until a year after beau or any of that it would all just go away like that genius Kate and the rest said it would. Well having made clear to the world that the only reason for not run-in g iOS youre family problems im glad to be the fucking bullseye you painted on my back.

Oh ...good morning ...from fucking rehab.

I haven't spoken to her in two weeks

I haven't asked for a thing from anyone.

Maureen Dowd points to me as the reason you'll most likely loose it?

"It was understandable that, having lost so many close to him, Biden would hold the troubled Hunter tight. And he has doubtless upset about the public nature of the divorce."

The troubled hunter

This isn't just Kathleen

This nis your staff

I haven't been in the vicinity of a single fucking person in that circle in over two years

Every bit of information they use against me is coming from "all the people that love me"

Jesus Christ
