

Sorry, I can't talk right now.

Apr 18, 2018, 12:21 AM

Do you have a new phone number Hallie?

Apr 18, 2018, 3:18 AM

Good morning sunshine

FT shower now? I have to be on mute. Hunt in my bed so I don't want him to hear..

Feels like you are watching someone else on another device

I am out of the picture so you don't have to see me otr talk or even acknowledge I'm here. I think I understand now why you don't feel they way I do. I am sorry. I don't know how to fix this. You don't have to want me anymore.

Are you really going to do that? Every time I fall for this. Don't do this

Do what?!

Hang up on me like you did?

It's hard enough not to feel so weak by just every time give in and allow my need to see you be stronger than my need to feel like I'm wanted. If you don't want to talk to me and you don't want to see me and ... I'm just seeing now that this is your way of ending things. Why now? What happened? Is it me or is it someone else? If it's neither than thethead way you're totally disregarding me is certain to make this break up a difficult one for everyone.Im sorry for long texts I have not one person to talk to.

And you look beautiful hallie. You ass is already back. I've never Wanted someone sexually so much- even now even when you don't. I always will which makes this even harder for me. Imagining you giving to another what I used to receive from you is hard for me to swallow. It makes the idea of anyone else seem sad. I don't want to feel sad and unloved anymore. I don't want to play the role of needy Hunter who always needs more. Help me get away from you Hallie so you can have the life you want with whom you want. Just don't be so insensitive to my drama on the way out.

I'm with you forever my love.

Apr 18, 2018, 6:29 AM

Every time you start a fight and end by saying I've never done anything wrong and hang up

You're trying to end this right
I cannot imagine you not wanting to end this

You are my everything I never want to end us

Not forever if you can't be honest hallie. Even if you said I promise you are t. Raza and I'll stop telling people you are and I'll own up to things I did that I know and knew then were really hurtful and disloyal.

Is that unreasonable?

I'm f you think it is then I don' care wha anyone says - I cannot live a life with someone like that.

In session with Natalie

Taking pictures in waiting room

Jesus

Apr 18, 2018, 10:05 AM

Taking pictures? Please stop your negativity about everything I do. It it not helpful to either of us. You work on you and I'll work on me.

You're the best

Really make me feel good when

You say in session with Natalie while at the same exact time she is texting me a picture of the two of you in waiting room.

Is that me being negative

Or is that you getting called on your bullshit

It's meaningless

If you're a trustworthy partner.

But all the little bullshit untruths and misremembered moments ad up Hallie

Actually she too the picture then they called us in then I texted you when we got into session room. It went really well, thanks for asking and for always doubting me. Again I was truthfull yet you jump to your own negative narrative

Received calls this Is the number where your last FaceTime Cabe so I think it's reasonable to ask if this is the numbet plan to use and instead you hang up on me you are completely out of your money it's as if you are usingk

Apr 20, 2018, 6:25 PM

YOU are so silly so driven by envy and petty ego boosts that really nothing. I will ever so to help you be a better woman mother friend will ever matter. It's useless. your real addiction??? it's not me Hallie it's your secrets and lies that ended this for you. So keep an extra phone and do whatever you want with it. I don't care anymore. You narrow the road back everyday and that is a blessing for me. I like lit here. Mainly because you are there. Stop lighting me up with your pitifully vacant untruths.

Love you - I'm not going to discuss the phone. You are welcome to see all phone records of mine at anytime. You can have as many phones as you would like.

OK

I don't care who you call ft audio ft Wickr whatever the duck H. I simply said is this the phone you plan to use and I called it back b/c that wha you called from unless At&T is lying

OK

You are so childish and predictable you're right about gaining perspective. I'm moving to not caring a bit much faster than I thought..

Apr 20, 2018, 7:40 PM

But the great thing about the order of all things is while passing though hate you get to shed all the baggage you need to - just to be mean.

OK

Apr 21, 2018, 4:54 AM

I told Daria that I if you really wanted us- the relationship we dreamed of you would be really fighting for it like your fighting for sobriety and your family. And what I realized is that you have never fought for "us." And I don't know why, but I think I know why you give the impression to others that you do. You don't want to be the one to walk away. Natalie would never forgive you (or in reality she would just be pissed for a bit maybe not all). And Everyone else would see that yo you gave it a try. You tried as best you could in the wake of REAL loss. And well Hunter is...

And you're right I realized. You shouldn't take the blame for this. I can take it all and it's not going to make anyone dislike or feel disgust for me anymore than they already do.

So stop with the games they truly are making me so confused and hurt and disoriented.

That's the word. Disoriented. I have no idea which way to go from here. You beg for me to be your partner and then you tell me you can't even call me once a day for 10 minutes. You tell me I'm the love of your life and then say you need to focus on the important things now and "you are not that important Hunter"

Well I never thought I asked much of you in return for the Love I gave.

But it turns out that it's now cost me much more than lost love. Now it feels like you're stripping me of much of my pride and any dignity I have left.

I want to send you something but I want you to call me first. I hate the idea of you reading it out of context. I still can't sleep when we don't talk when you hang up the phone on me. You know how much power you have over me. I gave it to you the moment we kissed. Why you abuse it so much is something I'll never understand. Will you ever really understand how much I loved you. You know I can never pretend that I'm strong enough to walk away from you. So I'm begging you to consider some other way forward then pushing me towards a true break down.

Please call.

Apr 21, 2018, 7:19 AM

I love you and feel like you don't understand me, not the reverse. You are pushing ME away relentlessly. You always have me and I'm always with you

What are you even saying? What does that mean?

Nothing profound.

What don't I understand. You don't ever explain anything

Just that I love you. I'm not going anywhere

What does that mean Hallie. Don't you see that you are going away every day. You get further and further from me every day you hold me

Away from your heart

I don't want to argue or justify or hash through the past. That pushes me away. I want to talk loving and support and adore each other

What of the past have I brought up Halle

You can't justify shit nor do you bash through anything ever

Can I call you later?

Apr 23, 2018, 1:36 PM

Where is Natalie

I'm so sad today.

Feeling awfully alone in so many ways

Practice. I'm sorry love, call me FT. In car with D

All my fault of course

No fault - this is so hard to be apart! I f-ING miss you !!!!!

FT me!

I don't want to talk in front of her - she makes me feel like I'm being judged or critiqued - it's always about how I have to let go

No

Not at all! You have that wrong I promise you

No feeling I have is in any way legitimate. You laugh and smile at each other when I say stupid stuff and hurts my feelings so much.

And I promise I am certain that all I've said is sick and addict talk and all you've said is progress. Probably is. Just erase this shit

I'm feeling sorry for myself

And yes Daria I'm the only one who can make myself happy.

Apr 23, 2018, 8:15 PM

I Always Always Love you, good night

I can't help but know your love is my weakness and you always take advantage. I don't care who is coming but why leave out Laura and Abby even if it wasn't set. Why not call me and discuss before committing? You know i thought you were coming. You know I couldn't wait. You clearly didnt want to whether the reason

Was legitimate it was at best rude and in every way disrespectful

I'm really tired of the little lies and lack of respect.

What gives you the right to treat the person you live that way

I'm sorry, not my intent. You are correct, it was insensitive at best.

And Hallie say "see you always make me feel bad" and I will say this/ People who do shotguns things big and small should feel bad.

And you never will accept any criticism because feeling my make you realize you can't be as selfish as you are

I love you, I'm sorry honey.

Apr 23, 2018, 8:15 PM

And call me with another person in the car and not tell me again and I'll...

Not and I'll... no more empty threats. What I will do is take another step away as I'm doing now. Words don't fix your disrespect.

And all you ever seen to have is words.

I have to beg you to even say the words.

And you two laughing at me ... Jesus

I'm trying to stay afloat to Hunt. I'm doing the best I can. I'm sorry

Goodnight Hunt. I've tried to call you the past few hours and you didn't answer. Last night too. I'm not attacking you when you are not available for me. I'm sorry and I agree, I was insensitive.

I'm sorry honey

You really make me sad

And if your were sorry instead of words you could get up for 5! Mins and take the call but that's too much for you

Your words are empty

And blaming your insensitivity and lack of respect on the children taking all the love you have to give is so fucked yo.

I'll wait 5 mins and see if you do anything to show me your words aren't empty.

And remember how I left my family for you--- a little bigger than walking out of the room for 5 minutes.

Apr 23, 2018, 9:38 PM

How much do you love me.
Not enough to get out of bed and 11:30PM for 5 minutes.
When. You have to ask someone that prove their love by such a small act and they don't.

Well

Apr 24, 2018, 8:06 AM

Call me

Apr 24, 2018, 11:10 AM

Call you or don't call you. Just tell me please

Call u or not? Tell me.

Apr 24, 2018, 12:52 PM

Ok. Let's not let me upset you anymore. I do me you do you. Have a good day-

I F-ING love you hunter

So that means what you will call me when you say I want to eat and then I'll call you I promise? Or I don't have time for you or your insecurities? Sorry to be your burden. Sorry to be your addiction. Sorry to be an afterthought. And I'm sorry I kissed you back.

Hmm...

Thanks Hal.

There was no meaning behind my not calling back except hope that what I said resonated with you

But from your text it sounds like you feel a victim so maybe it did not make sense to you

No victim. You said you would call back. That seems like a pretty straight forward expectation. You said you would call and again you don't. What's hard to understand about that.

Talk later?

You can't now

Yes or no. I was waiting for your call. Only because you said you would. Not playing victim. I was excited to see you and you tell me your not coming because you want there to be a full month. Not pretending I'm sad about that.

I'm with missy and you don't like when I talk with people around. Your call

Well I'm sure missy would have been so offended if you took the phone call privately or texted me and said missy is here. Too much drama I guess. You have no awareness of their actions.

Whatever go do what you always do. Focus on you Hallie.

I love you

I truly don't like you. Maybe that's the problem. You fuck great but you're pretty much unlikeable. Who could be such a narcissist and have no awareness of their actions.

How could anyone interpret this as anything but intentionally hurtful?

I'm playing victim. I'm no Vince Hallie. Your the one who tells e everyone I'm the only real problem for you. So why even engage? You have your life back. Let's try and move on. Let's make a plan. What do we tell kids etc... I need clean it's not stubborn manipulative ull shit.

You're say you called me yesterday - this is the entirety of your calls including this morning. You are not correct about repeatedly calling me. It's utter bullshit to say well you have so many phones because I only have one now.

Is that drama and victim or gas's lighting and provoking.

And Hallie I do talk with a therapist and every single person I've sought counsel from says the same thing. "Hunter you clearly know the answer. You have to get out." Doc Radtitz told me that via text 6 hours before he died.

Call my father right now and see what he thinks.

It's the easiest way back to my children.

Please stop. Just work on making yourself happy. Be happy with yourself first.

Your so absurd. Loving the people that love me is the entire reason of my life. And not being loved back in any tangible way- in fact being treated the opposite- makes me unhappy. The fact that you think happiness is simply a state of mind is so disturbing. If Natalie is not happy are you. If

NVM Hallie you refuse to change.

Again you put the kids in the middle . I so wish I could just say fuck this why fight for someone you don't even like. The sex Isn't that great Hallie- I'm positive I can find better.

Apr 24, 2018, 4:54 PM

Can I call you later?

Ok

I'll call you back in 10 min

Not a chance

Call me now or do t call back

If there is something more important than this tell me what it is. Because you just told me I owe you money

No hunt

And that I am taking

From you

You can't talk without an argument

Hallie you asked if I paid Daria

I said 4,000

You said not true

You said I owe you money

You say I'm arguing

You don't listen you just twist things and I'm not going to engage in it.

Hallie did you say I didn't pay 4900

4000

Stop telling me what I said

Did you say that

Did you say I owe her money

Simply b/c I said I would

Doesn't a normal person say thank you

I can't talk to you bc it is manipulated

How

How

Show me

Thank you.

First time I'm 4 weeks

Ugh

Oh Hallie you are always right you are never wrong you are perfect just like your new face

Ugh

What am I trying to save

This

A person that thinks saying thanks is a burden

Ha

You really have no idea

You're best weapon

FYou, you are mean

Hang up and make me feel bad

Wait oh did I make you feel a certain way

Hallie only you can make you feel

Happy not me

Yes so I'm going to find happiness within

There is nothing there Hallie

You are not making me happy

You're as empty as you think you are

How can I make you happy

Say ok you're right I didn't pay Daria 4000

You are so beautiful and you

Know I Live only to love you.

Why do you do this

Have I ever not paid when asked

Do you think I would lie

Do you not think I would give you every dime I have

Every ounce of energy

Of course you would pay if you haven't all ready. You just turn everything into an argument

Every piece of my heart

All my attention

All my love that I can give

But you say

You are breaking me when I'm trying to build myself back to a whole person.

Don't feel hurt by my insensitive actions johnny drama

Because when you hurt hunter

It makes me feel bad about what I just did

And I can't feel bad now.

What is the foundation you're building on? Zero awareness of how your actions impact another?

Again a put down

Can't you see it's not a put down.

Can't you step back for once when you do something wrong and say you're right I'm sorry. If you say you paid of course you paid.

Saying to you WTF Hallie I paid and paid when I can't pay for you. Only for you. I paid because I would pay anything you ask of me that helps you.

I've paid you in ways that I've never even told Anyone including.Beau.

And now is the time you make me feel ...

I forgot I'm not supposed to feel anything but what I want to feel.

I'll talk to you tomorrow when you are calm

Talk to me now please . Tomorrow will not be anything new. Talk now or out an end to this. You have to be honest with yourself Hallie.

Here is my honesty. I don't want to be with you anymore.

I know that you don't want me anymore.

Clearly I make you unhappy.

I know that you make me feel small and unimportant to you.

You. Do this over and over

Say I'm mean after

Attacking my greatest strengths

Then I must be a mean are insensitive person

If I'm nothing Hallie I am generous to a fault

You are

You say so yourself

Who says that about you

Laura says you have no sensitivity chip

You say your mean

You take pride i it

I can take so much

Please just work on making yourself happy and I'll do the same for myself. Stop the accusations and proclamations and lets both get ourself a whole again.

Why do people say about me Hallie

Please just work on making yourself happy and I'll do the same for myself. Stop the accusations and proclamations and lets both get ourself a whole again.

That's the problem Hallie. I don't feel whole without you. That's love

Lets stop the talk and anger

And you don't give a shit

Really so hang up on again

Talk and anger

You provoke and belittle and excuse and hide and

Why

Do you hate me that much

I want all of you but you despise me. You will never be happy with me until you are happy with yourself

Did you call me to accuse me of not paying Daria

Because that's what you did

Even after I told you otherwise

You said that's not true

I'm not discussing anything with you bc it is all twisted.

How

Explain.

I said I paid you said I didn't

You went through weeks

Said 3 not 4

Stop. I'm not explaining or engaging anymore.

Regardless

I guess I over paid

But still I'm twisting

How Hallie.

Stop!

Ok. This is my last time . You want me show me now how much. Right or wrong show me.

Don't tell me show me.

Good bye my love. John drama no more. You know I deserve more than you can give. So I promise this. I'll make myself happy. I will leave you to your own happiness. You did just break my heart for the last time though. I am so sad for all of us.

I love you. I'm not going anywhere, you have my heart whole. But please please listen to me - just this once and work on making yourself happy and happy again. You are the most amazing intelligent passionate generous beautiful person I know. Find yourself again hunter. I will wait for you. Please wait for me while I work to make myself whole again too. I believe in you more then I believe in myself.

Hallie I mean it with all my heart. That's the last time you get to do that. When we talk next I don't want to hear i live you. Because I am whole halie except for the whole on my heart that regardless of your done store rehab tropisms is there because I let you take it. You've abused the privileged having the whole or even part of me for the last time. You're so ridiculous— you are 3 days less clean than me and you're of all the people in the world telling me what will make me happy. Jesus Christ you're a shorty friend let alone a lover. Twist away Hallie. You will be happy without me without Beau without my respect my affection and my needs. You're free already so enjoy it.

It's not fair it's really not fair. You are torturing me and you know it. Tell me you done. I need you to. I can't be treated like a fool anymore.

I'm sorry my love. You are not being fair to me and you are accusing me and telling me I'm lying. I am not treating you like a fool. You are not seeing things clearly. I think you should try inpatient treatment where you have support and therapy. You don't seem to be gaining clarity where you are. I desperately want to be with you and support you but I cannot take your daily abuse. I'm trying to keep myself together and when I argue with you it really throws me off. Whether you see it or not hunter, you need a lot more than what you are doing for yourself there. It is not an ultimatum. But you are not getting better regardless of your days sober. I love you and I want you to be happy and healthy so we have an amazing life together. You are brilliant Hunter. You have to use your intelligence to accept that this is too hard to do alone and go where you get what you need to make yourself whole again.

There is no argument Hallie. Only a reality born out of fact that keeps me stuck in a toxic place. You refuse to free me from it. I could do it myself but that is the end of us and it's hard for me to let you go I fear for you. I fear that one day you won't be able to push all the secrets aside and your shame will overwhelm you. You do t need to be ashamed Hallie. If you think you can avoid the wreckage of the past your wrong. No one can and placing all your problems on me is really hurtful. You push and push and push me away. You cannot continue to do so I. Front of the kids. I won't let you. You have so many prescriptions for me Hallie and only one for yourself— I will focus on me and you hunter will support that regardless of anything you know feel or have been hit over the head with. How much longer can I take this abuse.

Please call me back

I miss you so much

You really are better than me

You never lied to me and I know that now

I forgive you for everything that you actually never did

No I'm not going to be sweet talked to talk to you then you accuse me of being a liar every ducking day. It is constant abuse

I'll never call u a liar again

You never have to say sorry for anything ever again.

Please answer the phone

Don't make me beg you

Then be nice and sweet and supportive!

I'll come home now and join your program

Really?

Your so perfect Hallie in every way

I can't believe I've ever questioned anything you never did

I would love you to be here with me sober together

That sounds so perfect

Are you being sarcastic? I can't tell anymore

You can tell me what I need to do to female me happy

No I'm not

Female?

*to make me

What if I relapse

That worries me for you

What if I relapse

I'm the reason your in this mess

You're not going to

You the reason I want to get well

You're the reason you need to get well you're the only thing that you can control

I don't fully trust myself and that scares me

And w/o me you seem so happy and confident and content

I mean with C****

So I won't come home.

I can't be trusted

But empty without you

You're the only one who can make yourself full

All of my questions are delusional thinking

You really have never done anything wrong

And I am trying/doing that in every other way but you are my love, my lust, my heart and I ache for you

I just thought we were going to be partners that shared their deepest fears and dream and secrets

And we don't have to do that

I'll change

For you

You love me so much

I'll try to change too. I want to be your partner completely.

Change what you're perfect

I will always love you.

You are the strongest greatest smartest deepest most beautiful man I have ever known. I love you more and more and more.

I'm an awful human being Hallie. You don't have any responsibility for my angry irrational irrational behavior. You're right the kids are afraid of me. You're right you've never done anything wrong in this relationship. I need to apologize to the people I've so wronged beginning with you. I'll stay away and stay silent until I have the medication needed to cure my insanity. Goodnight. I feel so horrible for ruining your life. I really really do. What you've done for me in light of the fact that I have been angry irrational and irrational to not only you but to everyone in my life while you have been nothing but kindness loyalty and generosity personified makes me sick and I ache all over knowing you have never done anything wrong. My hallucinations like seeing phone records that don't exists and texts and miso construing your words is the thing that bothers me the most.

How can i possibly trust anything I do or say now.

I'm sorry I just called we don't have to speak again.

What happened

I did something crazy again

I'm so sorry Hallie you're right everyone in my life tells me I need to be medicated and I'm long term in patient.

Should I stop calling did you intentionally hang up on me?

Forever you will be alone and emotionally illiterate. You have no empathy. You have no depth. The notion I am fighting to wake you up to try and make you realize that taking care of yourself is the opposite of being selfish. Selflessness is the only prescription for recovery

You over and over tell me not to diagnose you or compare or talk about my feelings regarding us — but you are

Leave me alone, I can't believe I was worried and feeling sad for you

Don't call me please

Free to say I'm crazy that I need to calm down that I'm insane that I need professional help

Forget us Hallie how about me.

Who in there right mind less than 30 days clean feels the right to tell a person what they need to do.

Who?

You push and pull and side swipe me at every juncture.

You are incapable of accepting any blame.

Any rational person any person with a heart would hear what I said and say honey that's not true I've done a lot of things wrong and particularly to you- I can say now I'm sorry for my part and thank you again for apologizing as you have for your part.

But you sit and actually say yes honey you're crazy I'm worried you will hurt yourself you're angry irrational irrational

You say this all in front of your child knowing how much it upsets her.

Why because according to you it's too much of an effort to get out of bed.

What do I do?

I've seen multiple professionals. And you self righteous simpleton I am seeing one now.

All say the same thing.

You are engaging a sociopath.

You cannot engage someone who has no moral compass.

Who acts only for herself.

The kids will be on Hunter even though she clearly is only I. It for herself she realizes she needs the kids as a shield.

That's direct from my current therapist.

Do you want me to pick you apart piece by piece.

Example by example.

Should I do what you've done to me.

Call my father right now and ask him who's more sane.

What is it that you get from being this way?

Who tells someone they live thAts alone in a hotel where multiple people have famously overdosed and committed suicide that they are crazy and need to be medicated and...

What person with even the semblance of a heart hangs does that .

Only you Hallie. The perfect one. The one who will never admit to any fault because she has none.

In the end Hallie if I were to die tonight do you think anyone would say o was t one of the most compassionate generous and selfless person they knew. Would anyone other than you characterize me as crazy irrational irrational and angry man. What would they say of you. That you had a mean stream that you had a motto "it's Better to be certain and wrong than uncertain and right." That you always looked out for yourself first- "she's a real survivor." They would say all the things that you take real pride in. "No one is ever going to-tell me what to do."

And they would say that because you take some sadistic pride in being more selfish and more self consumed and more righteous that anyone you know. You can't be wrong b/c all you do is in pursuit of the only thing you care about which is yourself.

But Hallie you are right about one thing. I'm incapable of only caring about myself . I loved you despite knowing what little live you would ever gone in return . Do you realize sex is not love Hallie.

You sucked me dry. I have no faith in or care anymore I'm anything. You crushed my every last

Likewise my love.

You are sick and you break my heart.

Oh honey if that were true why be like that? So sad.

It was Easter

Yes

So what are u saying

Your car was so there strangely at that time

The time I. Which we fought about you not being available

It doesn't matter, it's more of your irrational insanity. Goodby hunter

How is that a rational statement Hallie. It does not matter TO ME. You mean.

I was at mass with your family then picked up bagels with Daria then back to your parents house. And your explanation for the pic I texted above? I'm done explaining reality to you hunter. Never again will I.

We can do it together no matter anything

Just trust that I can forgive anything the trivial to the titanic only the truest you matters to me the you I promised never to give up on. The you who does care who does understand the one that feels my touch- I will never give up on her.

Nat your mother is perfect and I mean that with all my heart and soul. I choose her over everything no matter what she chooses or why. It's me that has to change and be a better person for everyone. She is right she is always right and don't forget that. I'm not daddy and will never be as good as he is but I do love you and hope you know that I try every day even though I know I don't try hard enough to give you or anyone what they need and should have from me.
I promise to keep trying but you have to promise me that you will give your mother the respect and love she deserves from you. I mean this she loves you and hunter more than life itself and would do anything to make you happy.
I'm trying honey and I'm sorry I've not done enough to make all the angst go away. Your mommy has tried to make me a better person and I obviously make it so hard on her. She's never done anything but love me and I'm the one who has made it so hard on everyone.
I'm trying Nat but know I love you all so much. I hate that you're scared of me. Or worry about me. Don't I'll never leave you.

Thx Hallie

You're such a great partner friend and lover

Such a great mother to show her how to be strong and never give An inch

Tell me what you plan in regards to us and separation. Because your meanness-and disregard for any feelings of mine is too much to bare. It really is driving me insane. It is so obviously intentional and cruel. What are you trying to do? Are you truly trying to destroy every last sense of dignity I thought I had? Do you not even respect enough to consider that no one is island that no one makes their own happiness solely by themselves. Every human needs connection and those connections impact how we feel. Simply choosing to feel nothing at all is choosing to be a sociopath. Do you feel nothing? If you do to than hear me- please be better to me just as a friend. I'll accept all your shortcomings and meanness and disregard if you'll at least stop fooling yourself into believing that what you feel is love. Can you really tell me that your trying your best to love me. That your giving me anything but pain. I have you done one thing to actually give me hope that I can live you.

I have 5 min to shower and walk out the door. Do you want to FT and not talk - I want to feel connected too but I'm not ready to talk to you. I'll never leave you hunter

Ducking please do I'm begging you can't you see what you're doing -

You make me feel pitiful

I don't get hard anymore when I hear your voice but o still am so weak for you

You make me feel lesser than

And I don't have an average cock Hallie one thing I know is that you will not Convince me I am average

No threats no words just can't move forward and can't stay here in this place where you think I'll somehow be appeased by your charity of letting me see you naked. What a fucked up mind you have. I'm so fucking completely and utterly sick from trying. You never give an idea much you are never wrong you are the only thing you care about. So go spend the day w/o a single care for me you make me wish not to ever have to feel such pain again- to not feel at all.

You are not worth it anymore not by anyone's judgement are you worth another breath of mine.

I loved you I'll never again say that I'll never defend you and Hallie if you think you go on as if nothing happened then watch as I tell the truth about who you are. Not a person in you think cares will care again.

Your 44 year alone and even your children think your cruel to me.who do you have Hallie. You think I'm alone Hallie that I believe everyone is against me? What a silly middle aged woman you've become. You know that I know I am loved by almost everyone we know. That I am the person they call. You know that everyone wonders why we he ever have chosen her. I get my girls back overnight I get my life back from whatever exercise I'm cruelty you've put me through in the past 2 plus years. And it will feel good to know that you will know true loneliness true hopelessness. You'll never have any piece of me - nothing. Em

Emptiness. Simply indifference while I watch you spend away your insurance money in hopes of a stupid man who needs nothing but a duck everyonce in awhile when he's not fucking his girlfriend who's 20 years younger 20 times better looking and 20 times more affection than you. See how much your silly grade school manipulations work when your 50. There Las not enough Botox and collagen in the world.

You are no longer my friend

Do you want to watch me shower or should I call my other lover?

Are you going to be tell me when I can speak what j can speak about when I can watch what I can see?

Just to watch

What a completely disrespectful and insensitive person you are. Your other lover Hallie. That's so funny. You make me feel so small. Why do you do this.

You know that you hurt me enough.

Please stop using your power over me.

Yes or no FT shower? You are my only love

I can't be lower.

I can't even look at myself in a mirror. I see the person you see and I want to die.

Apr 29, 2018, 2:28 PM

I love you hunter. Desperately and completely

Do you want me to come to LA tomorrow and help you? I will do anything for you

No one not a single person believes that you show me any love. Every single person I've spoken to has said some version of this- "hunter, what would you tell your child to do- you need to walk away because people don't change."
Hallie you may think you feel love - but you must truly not want love/ you want status and you think you can do better. Who the fuck knows. The idea that a Person I Love would conclude that they alone determine their happiness- that relationships are merely some side show is so incredible to me. You have neither reached nirvana nor have you proven to be a complete sociopath. Your just so selfish that you can't see you've now made me an island. I have to swim back to land and no one will be waiting for me. I am the one who must give up another family - every person whom I speak to will now be beyond my immediate reach.

And you think it's a joke that can be solved by getting naked for 5 minutes.

Will you please go to rehab for a month? Please try again. I want you to feel good again. I'll visit you every weekend and when you are there we can talk about everything. Please please my love.

Jesus you are relentless with your blame. If it makes you feel better Hallie to think you are the reasonable sane sober person go ahead. Why insist on making me out to be the failure the pusher the one who is irrational.

I'll be just fine. Stay self righteous and live in your own denial and I'll be the one visiting you if you can make it to the weekend. But seeing you wouldn't let me visit or have any contact with your therapists I'll probably just wait until you get out. I'll try to sneak in between the time you get home and the time you find your "lover." And I'll assume that wasn't a joke. That's what you wanted me to think right.

Funny how I've never spoken to anyone you are working with . How is it possible you explain that I shouldn't be a part of your recovery. I guess they don't teach that addiction is a family disease and needs to be addressed with the whole family. Hence the largest family making treatment in any facility/ addressing relationships you intend to try and keep.

Oh wait I get it. I'm not a part of the family/ or as you said exactly "You need to focus on the things that are important to me you."
That was a beautiful sentiment by the way. Lifted my spirits even though I'm the only one who can do that.

Irrational erratic and angry. I want to help, I love you more than anything but it sounds like you think you are doing well. Maybe this is how you want to live? I love you Hunter. I'll fly out at any moment if or when you will accept help.

You self righteous disrespectful shit of a mother and partner. You must be only about you. There is no way I believe you are sober. It's truly not possible. And if you are god what an awful existence it must be . So much self loathing and lack of control.

FT me I'm about to get in shower. And by the way I'm not paying rent. And I'm not paying Liz. And I'm not giving money to the kids. And I'm not paying the Amex. So good luck. Also I spoke to Danielle who flat out said if she was giving me advice based on what advice I would give her she said "first you not crazy. Second you already know the answers to all your questions and third you need to get out and know the kids will be fine."
Call her and ask. And she said she knew nothing about the charge that went to Tyler in rehab. Is that true?

I love you hunter. I'm sorry you think I'm so horrible. I'll leave you alone if you don't want help

Hallie my troubled emotionally stunted sister in law. If you really did want to help how is what you are doing now anything but provoking me. Who in their right mind would think that what you have said or done to me or "for" me is anything-other than gas lighting. Really FT me I'm getting in shower.

I'll leave you alone. I'm so sorry hunter.

Apr 29, 2018, 6:31 PM

I want you to apologize to me Hallie. For everything. For every lie and every cruelty. For every selfishness and every disloyalty. For every manipulation and every deception.

I want you to get get on your knees in front of me and say of all the people in the world I could have acted in premeditated malice towards - I'm most ashamed that I chose the one person my dead husband loved more than absolutely anything. I am sorry Hunter. I am small and vena and my own family and friends think that I am the meanest most inconsiderate person they know. Ask anyone right now literally turn to whomever is next to you or whomever you were just talking to.

"DO YOU THINK IM MEAN? Do you think I'm selfish? Do you think I take more than I give? So you know what I did to Beau during our relationship.?"

Go ahead and tell me

What they say.

I will call anyone in your contacts that even remotely knows me and you and ask the same questions. What do you say

You went to a meeting that gets you out of house between the single most important time for a child - between 6:30 and 10PM. You leave them alone in the house- when you know they are so worried about you. You can't pick up. Natalie even offer half way to your father - you put her on a train alone.? You've lied to everyone about everything.

"Don't worry about me. I'm good. Work on taking care of yourself. Check in with girls - just quick check in to let them know you are ok. Make it simple - it's ok. Girls loving you, just worry."

That's the texts I receive from my wife who is dying from cancer

Thanks for asking by the way.

And my kids are just ok but thanks for trying by the Way.

Oh did you remember Kathleen is dying of cancer.

Let's just focus on you though.

Is there even a little bit of difference btw the complete self absorption you exhibited during "active addiction" and now?

Oh you need to fuck with my head even more knowing you have no immediate need for drugs.

Remember when I was as sober and - EVERY SINGLE TIME you were encouraged my relapse.

Apologize Hallie/ and I will leave you be to fuck yo your kids.

Who is going to bail out your dad by the way. Will you at least pay his WCC dues? Because I you know that everyone thinks that the way I. Which you lord my money over people you supposedly love is sick.

Apologize Hallie

This isn't insane

This is 1/90th of the hell you lut me through.

By the way when I first got sober (for 7 fucking years) I went to a meeting everyday- but never a meeting where I was out at the same times I was our when I was drinking.

You should probably have me pay for another sponsor .

What's the the final words of the big book Hallie?

Tell me about page 38.

What does it say about rigorous honesty .

What do they say about secrets Hallie?

What do you want me from-me Hallie.

Do you want me to say you're a good mother?

Well what do you think?

What do you you think the people who actually care for Nat and hunt think?

What do people say about me as a father?

Pretty much everyone says well whatever you say about hunter he's an incredible dad

He's the most g generous person I know

He's the kindest person I know

He would literally give you his last pair of pants just because he knew you needed them before you even asked

One thing I know a punt Hunter---. Beau said he was the best human there can be.

Well I kn ow this no matter what Hunter is always there before I even need to ask

So let's do that exercise Hallie.

Out Hallie where hunter is.

Does that actually fit?

So I need to realize the true path to Hallies version of happiness is :

BE the most selfish person you can be after being THE MOST FUCKEDUO selfish person possible and all will be well.

I think you may be the next Dali Llama Hal.

You can point to Daria as an example of how to be complete al one and dependent upon the kindness of me:

PLEASE READ THIS OVER AND OVER AND OVER AND KNOW YOU NOW ARE SO CLOSE TO KNOWING FOR CERTAIN DESPITE ALL THE FACTS---

I am always right and I've never done anything wrong.

The crazy part is you actually say that. Who the fuck is crazy.

HAPPINESS IS NOT THE POINT
I don't think happiness or unhappiness is the point. How do we meet the problems we face? How do we best learn from them and transmit what we have learned to others, if they would receive the knowledge?
— AS BILL SEES IT, p. 306
In my search "to be happy," I changed jobs, married and divorced, took geographical cures, and ran myself into debt—financially, emotionally and spiritually. In A.A., I'm learning to grow up. Instead of demanding that people, places and things make me happy, I can ask God for self-acceptance. When a problem overwhelms me, A.A.'s Twelve Steps will help me grow through the pain. The knowledge I gain comes be a gift to others who suffer with the same problem. As Bill said, "When pain comes, we are expected to learn from it willingly, and help others to learn. When happiness comes, we accept it as a gift, and thank God for it." (As Bill Sees It, p. 306)

TWO "MAGNIFICENT STANDARDS"
All A.A. progress can be reckoned in terms of just two words: humility and responsibility. Our whole spiritual development can be accurately measured by our degree of adherence to these magnificent standards.
— AS BILL SEES IT, p. 271
To acknowledge and respect the views, the accomplishments and prerogatives of others and to accept being wrong shows me the way of humility. To practice the principles of A.A. in all my affairs guides me to be responsible. Honoring these precepts gives credence to Tradition Four—and to all other Traditions of the Fellowship. Alcoholics Anonymous has evolved a philosophy of life full of valid motivations, rich in highly relevant principles and ethical values, a view of life which can be extended beyond the confines of the alcoholic population. To honor these precepts I need only to pray, and care for my fellow man as if each one were my brother.

Self-acceptance

Page 120

"The most effective means of achieving self-acceptance is through applying the Twelve Steps of recovery."

IP No. 19, Self-Acceptance

Most of us came to Narcotics Anonymous without much self-acceptance. We looked at the havoc we had wreaked in our active addiction, and we loathed ourselves. We had difficulty accepting our past and the self-image produced by it.

We achieve self-acceptance through the process of ongoing recovery. Working the Twelve Steps of Narcotics Anonymous teaches us to accept ourselves and our lives. Spiritual principles like surrender, honesty, faith, and humility help relieve us of the burden of our past mistakes. Our attitude changes with the application of these principles in our daily lives. Self-acceptance grows as we grow in recovery.

May 1, 2018, 5:13 PM

Are you ok?

Hold

I love you

I know- you're just a huge pain in the ass

So are you. That's why we belong together

I miss you

I paid rent and bills thru WSFS account. How is your situation at the moment? Is this a good time to transfer \$ to me or should I transfer from brown? I love you and don't mean to stress you out by this.

You have to be kidding Hal. Is this why you're being nice to me or is it just a coincidence.

Not at all. Forget I mentioned it. I'll take care of it. Don't ever accuse me of being nice for rent/bills money please

I love you hunter. To me that means that I have a piece of you inside me that I will never give up. I want you, I need you, I want to carry you, I want to make you happy, I want you with me, next to me, inside me, attached to me.

So you say these things - how have you ever showed me that Hallie.

You cut me off at everything path.

You're so sweet when you know you've pushed it too far.

You hide everything.

I'm trying to express my love and you can't accept anything

It took me less than 5 mins to come clean with you.

I saw it. You could have continued to lie but that would be a waste of time

How many times Hallie can I say. Love is action not expression. Words are nothing.

You f'ing prick.

How many of Tbhings have I see. That to this day you still deny.

You can't even give me that

You have been lying to be for days or weeks, I'll never know. You do the thing you say you never do. Lead by example please my love

When you relapsed on a Friday and didn't admit until Sunday- and then again the next Friday. It took me days to Convince Daria and your sister that they have no idea if your deceptions.

Remember what you did to me. You fucking told everyone that I was angry irrational and iratic

I never lied to you

And you just can't even help yourself to help me

I'm sorry if I'm upsetting you. I feel alone and I know you do too. Im with you hunter, I promise. We can't seem to hear each other but thank god we can feel each other down to the core. I feel you.

I cannot belevr you just hung up on me again. I cannot imagine ever doing that to you no matter what if you were in the thick of it. No matter what you said to me.

And you know how much cutting me off putting me aside ignoring me pains me like no other. Why Hallie. What possibly would you do that for.

Do you think I'll always be strong enough to come. Ack from another of your demoralizing shuns.

I asked one thing don't hang up on me. You pull me in and push me away. Who in tomorrow just tell me that you will never have such a illogical and contradictory discussion as this:

"what more do you want I've told you everything"

"Ok Hallie I don't remember you telling me anything that you think equals wrong. So just for now tell me what it is you've told me that you refuse to tell me again. What have you done wrong?"

"You're crazy hunter I've done nothing wrong your obsessed and delusional and full of guilt and I won't do this. I'm hanging up."

"Please Don't hang up plea...."

May 3, 2018, 3:56 AM

Sorry but I will not go backwards and discuss my past wrongs to make you feel better. I do not resist from guilt. I have shared my thoughts with you. I don't have blatant acts of infidelity as do you or naked party nights without you or trips to AC when swearing you were in NY. But Imagine if I said, "tell me what you have done wrong in the past 3 years hunter."

I would tell and do tell you everything and anything you've asked and wants to ask.

As do I and have so let it be

You tell me over and over that you've never done Anything wrong ever and deny every obvious thing

No you say I say that

May 3, 2018, 6:36 AM

So what is it you say Hallie tell me. Or you can't tell me that either.

Fact is you have said nothing about anything because you have never done anything wrong.

Then you say "and you've done this and this..."

fact Hallie you say it over and over .

Put it to rest Hallie what are the things you've not done.

I'm walking with Kristen and my mom. I found house that I want us to buy here. Will you buy a house with me here? We could consider selling Hillside.

I can't right now.

Nothing! Sorry for jumping on you. Why can't you FT me now?

You always do this Hallie — you jump in me for nothing and then you're super shady like now. Were you out and didn't want me to know? Where did you get this article and what does it have to do with anything????

You are being the shady one by not FT and not explaining why

...

Forget it

No way

You asshole. Don't call me anymore. You are a hypocrite.

What the fuck are you trying to do me.

You are so fucking awful

I'm freaked out and you just purposely freaked me out

I'm fucked out and you just purposely fucked me out

Where the fuck do you think I am asshole

Doing what asshole

And you send that article after not calling for hours

Why are you doing this to me.

What the fuck

Is it all a big fucking joke of a game to you. I

You have any clue what I'm going through with them right now

Are you so mean so callous so intent on pushing me over the edge

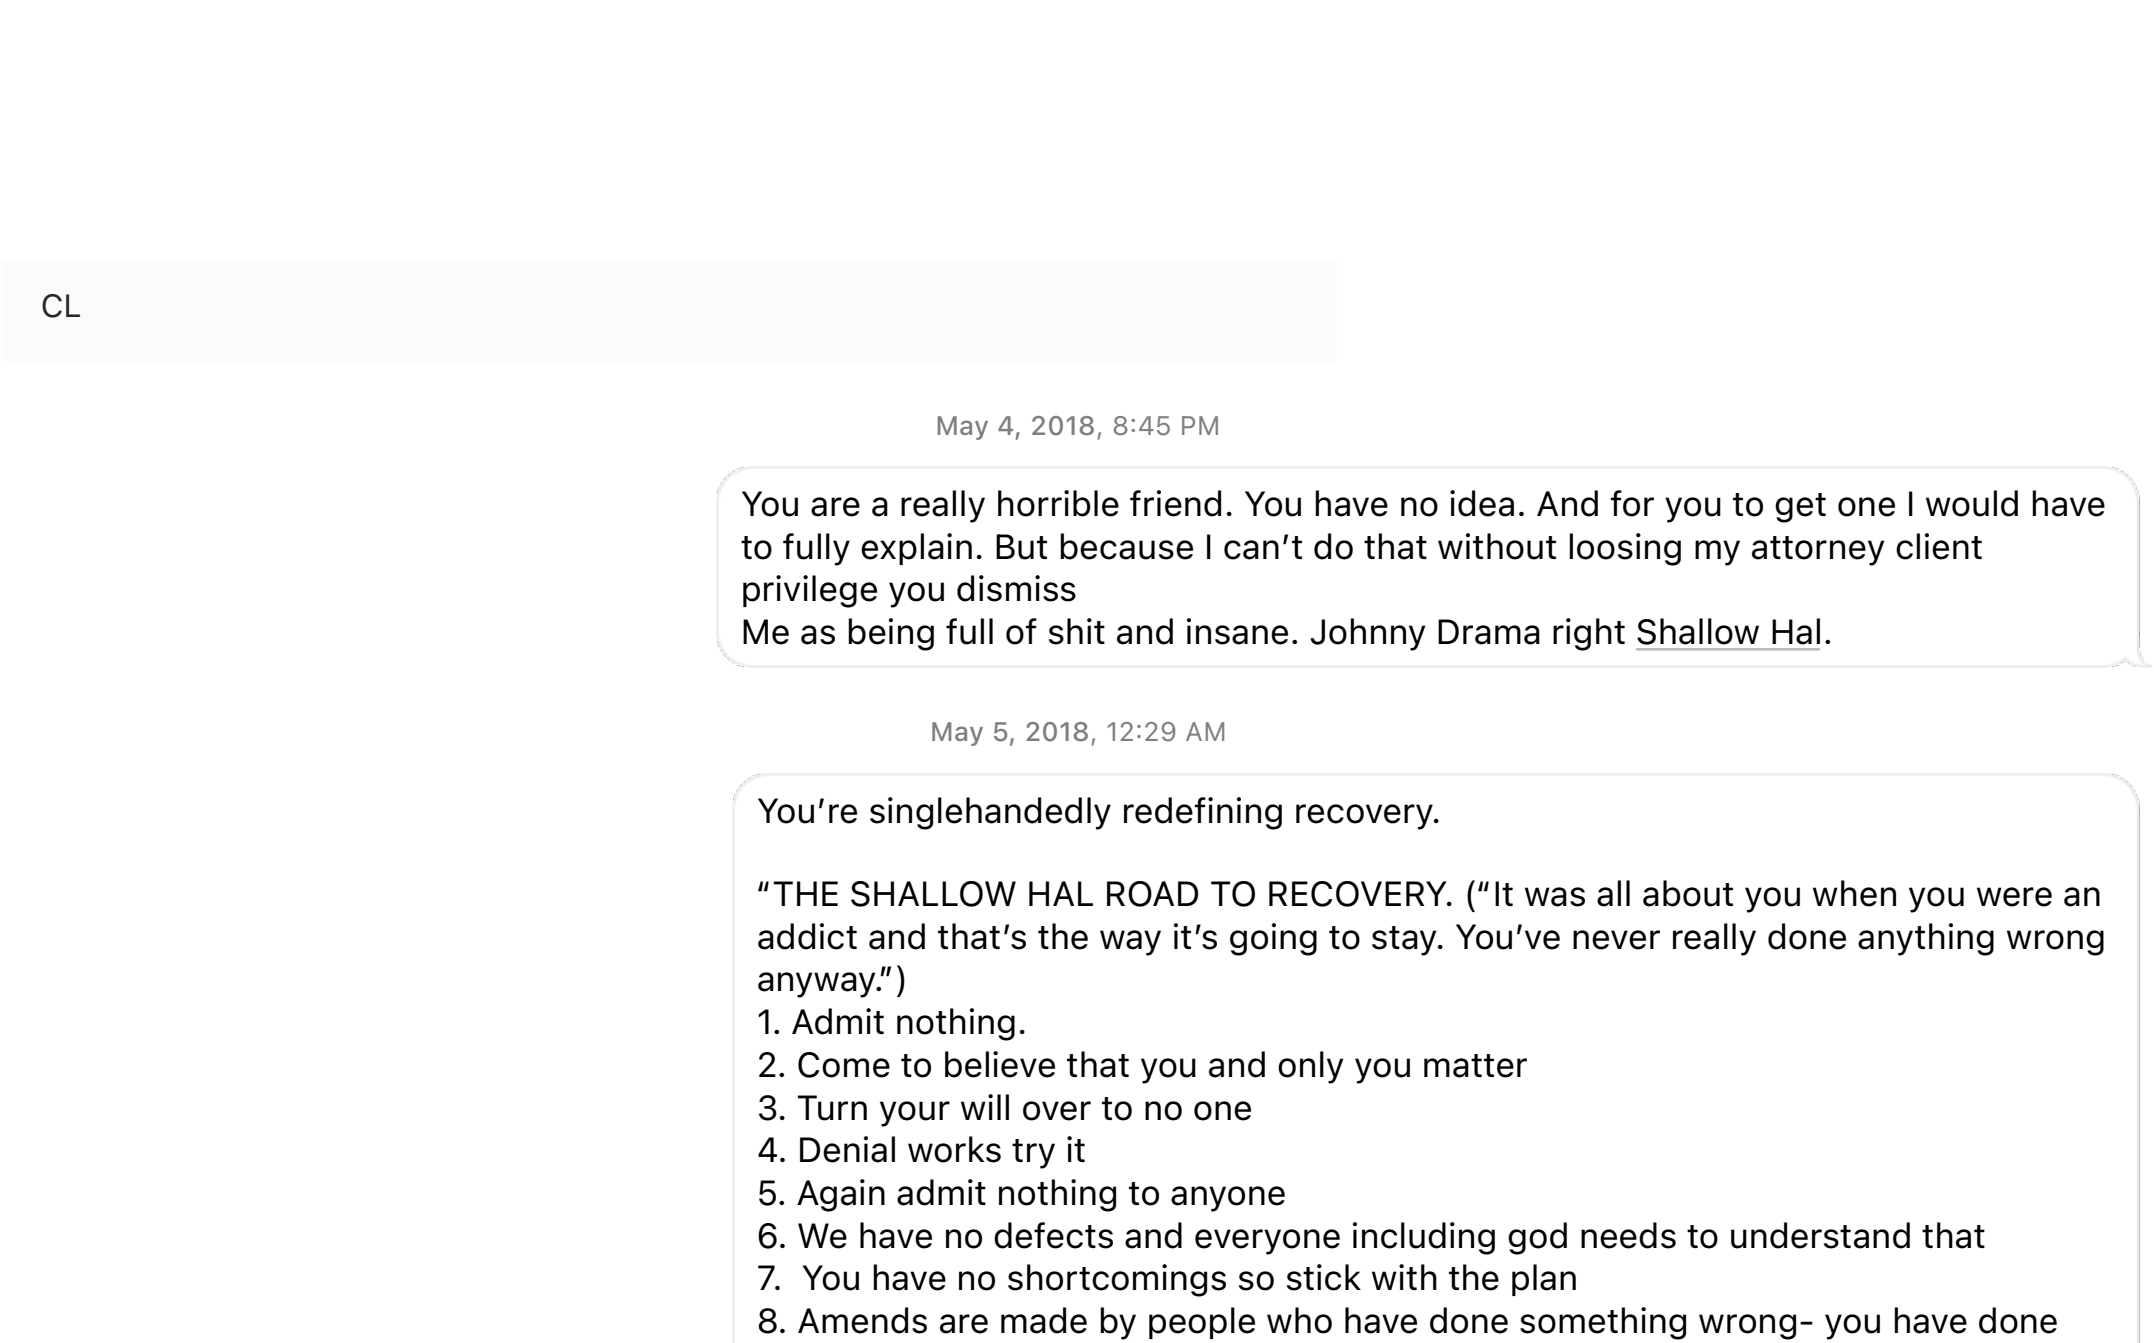

I don't care and I don't believe anything you sayJust leave me alone, you are hurtful and full of shit. Go hang with your friends and do your thing rather then get sober and come home. Clearly you have no respect for me. Or you would get your shit together and get fucking home

Halie do you know what you just did. Who gave you that article

What did I do now

I'm sorry honey. Are you ok?

Are you ok? ? ? ?

You are a really horrible friend. You have no idea. And for you to get one I would have to fully explain. But because I can't do that without loosing my attorney client privilege you dismiss Me as being full of shit and insane. Johnny Drama right Shallow Hal.

May 5, 2018, 12:29 AM

You're singlehandedly redefining recovery.

"THE SHALLOW HAL ROAD TO RECOVERY. ("It was all about you when you were an addict and that's the way it's going to stay. You've never really done anything wrong anyway.")

1. Admit nothing.
2. Come to believe that you and only you matter
3. Turn your will over to no one
4. Denial works try it
5. Again admit nothing to anyone
6. We have no defects and everyone including god needs to understand that
7. You have no shortcomings so stick with the plan
8. Amends are made by people who have done something wrong- you have done nothing wrong
9. Direct amends sideways amend insincere amends NO AMENDS ZERO

10. keep an inventory of other peoples mistakes and use against them

11.

The only conscious contact you need is with the person. You can most easily manipulate to your will at any given time— keep them on a tight leash

12. having realized that there are no consequences when you don't acknowledge anything but your love of self you take what you have and you hold it all as tight and stubbornly as you can.

Funny but tell me what you think isn't true about you Shallow Hal. Better to be certain and wrong...

May 5, 2018, 5:17 AM

I love you hunter. Please get better and come home to us. Stop pointing the finger at me.

Hallie what you did yesterday was indefensible. Any person with a shred of understanding or self awareness would simply apologize. I am pointing my finger at you because once again you did something so fucking egregious but you still can't ask forgiveness. Always on the attack never allow me a shred of pride.

Love u please calm

You are not nice Halie you are arrogant and immature and you look tired and much older than you did when I left. You're in using me ad a s scapegoat for all the secrets thAt seem to being wearing you out. You need to really understand that you can't obsess over my sobriety as the reason for your disloyalty. Why do uou care so much. There not one person you call a friend that would describe you as loyal. Nor compassionate nor loving. You make me do nothing but despair over the thought of loosing another family.

May 8, 2018, 6:39 PM

Please answer Hallie

May 9, 2018, 4:13 AM

Hallie you're so stubborn and you've so convinced yourself of that one I would hold anything you've done against you.

How many times do I have to say it Hallie we are all human. And sometimes we don't live up to the person we want to be.

I know in the past I e failed to be the person others expected me to be. And it filled me with shame that I was the bad son who did drugs and liked sex too much.

When Kathleen left me or I left Kathleen it had nothing to do with you. I allowed for a 23 year marriage that was (despite your and mom's and sissy's revisionist history) Kathleen and I loved one another. We respected one another. I honored her for the way she honored me.

You however choose to see a different story.

I don't know why? Kathleen actually protected and was loyal to you. Not because you ever were actually nice or inclusive with her. You actually sis the treat her worse than anyone else in your life. You never included her anything that meant anything to you. All my friends and her friends became your friends but we never knew ANY of your friends and we both new that you just didn't want us to be a part of your life but you knew you would always be welcome in ours.

You think Beau and you were the same that way. But - and I don't mean this to sound mean and it isn't at all actually- rather it's mean and always has been to pretend or be jealous or to deny that Beau loved Kathleen so much. He laughed the hardest at her jokes he so enjoyed her company and she returned his loyalty and love in kind all the way to the end. And to be honest Hallie did you ever tell her how much you appreciated what she did for Beau. Did you know that she would come to the hospital every morning at 4:30/5 AM and meet me and hold his hand and talk to him until other people would start to come. She is devastated to this day- I know it was the hardest loss of her life.

Why did I let her leave me? One reason is that she and I truly didn't see the world on the same way we thought we both did. She changed too much and I didn't change enough.

But you and I know the second and real reason is because you seduced me and I allowed myself to be seduced.

You were the first and only person that I let into the whole of me other than my brother. The truth is I let all of me to be seen. Even more than Beau. I wasn't just seduced. That sounds like you tricked me. You didn't trick me Hallie. I gave my whole being to you Hallie because you for a moment let me see you.

The whole of you. And what I saw was so magnificent so beautiful so strong and vulnerable. The Hallie o fell in love with is the brave girl that has power and grace. I know that Hallie honors me. And that Hallie knows how much I honor her.

But she left me as soon as she appeared. I knew she was scared to be without the person that she thought defined her. Even though you resented the idea that anyone but you could define you.

I know how much you loved him but I know that you love me in a way you've never loved even if it was for only a brief moment.

And I'm that moment I realized who I truly was and wanted to be. You gave me the courage to believe I could be the man I was in in full view.

I could be me and not ashamed of the things that others call my short comings the things that you now believe are shameful and need to be suppressed.

I told you I will never again lead a double life that I am not going to pretend that my sexuality and desire to be seen is something to be ashamed of.

I saw the same person in you.

But I allowed myself to believe that you would also be honest about the things you know ha filled you with guilt born of secret pleasures. I allowed myself to see only the Hallie in I held in the my arms for what seems like just an instant now. The Hallie who could hear me when I said I see the whole of you and I love you even more than I did one moment ago.

You don't understand Hallie. You lost faith in the promise I made.

You for some reason still believe that I don't understand the reasons for and the rational of all the things you believe are wrong.

What you did and have done is only disloyal distasteful and dirty because you make it so by making the experience only yours. If you had kept your promise to always bring me into your life - every part of your life- before the thrill of your secret became the entirety of the act- than you would have felt the freedom I thought I had glimpsed.

Who gives a shit who've you slept with Hallie? Not me.

But I do give a shit if you lie to me about who you're flirting with in front of an entire community that has always seen me as Johnny Drama. I could care less what they think of me. I am not the best man I know Hallie. No matter how much you belittle me - I am the man my brother loved the most.

You know why he loved me so much Hallie/ not because I was his brother and he had to- not because aunt Val told him to or dad or....He love me the most because I was the best man he had ever known - I gave him everything and he knew that I gave him more than even he could give. And that is the truth Hallie. Do you doubt that. Do you doubt that if he called me and any moment and said light yourself on fire right now that I would even hesitate for one instant. He knew I would do what even he would hesitate doing for me.

Is that Johnny Drama Hallie. Am I the insane addict that is the root of your problems. Who is it that you say you love and miss and desire. Because the man you describe the sensitive and dishonest addict that isn't in control of his faculties and abandons his loved ones. The Angry insane and irltic weak man who can't control his appetites. The slightly stupid second son who hast really done much with his life. The one always in need. Needy for his brother and his father. The embarrassment that you say you shouldn't have to defend the one you don't per se love but are addicted to. The one who thinks he has a big dick but really doesn't.

Well Hallie o know this you are scared. You've been scared your whole life. Scared or not be seen. Scared of being seen. Scared of not being heard. Scared of being heard.

The little girl that is ashamed of her desire to be noticed. Ashamed of her sexuality and desire to be wanted.

Hallie do you not see that you literally are the definition of delusional narcissistic ideation. Any human that looks in the eyes of another and says with such certainty- I have done nothing wrong I am without fault - anyone in the whole of time and space will never know what it truly means to love.

I've never betrayed you Hallie. You know full well that you have betrayed me and dishonored me over and over: I will gladly tell you everything you think you don't know about the things I've done in the past 3 years. I'll do it regardless of what you do in return.

Am I liar and deeply flawed partner? Yes. Have I done things that I feel bad about. Certainly. Will I make more mistakes throughout my life no matter what state of intoxication I'm in. So many but I'll try and try to do better.

Am I the best man you will ever know. The person you will have ever met until this moment and all the other moments you wil ever ha e in you life? I know for certain I am.

You had me Hallie. You held my heart in your palm and to you promised me that you would treat me like I treat you.

But you haven't Hallie. And for whatever reason you have decided to publicly jimoxipal

Hallie you have all of me and you always will. That's not something i can ever get back. I don't want it back.

Because I still choose to see the Person that is worthy of that greatest gift Anyone could ever be given .

It was given freely and with full knowledge that it would be held and misused. I will not get sober for you or for Beau or the kids or for myself even. Why? What really do I have left to give. And the whole purpose of that love was that I should give it away.

I've done that- what did I or should I have expected in return.

Nothing because a gift is not something you give with any expectation.

I love you hunter

But I'll be clean none the less . You are a horrible addict Hallie because you're a selfish person sober or otherwise. I can function although far below my best because I am almost never selfish.

But having done it so many times before I know for certain my body will finally say enough is enough.

That won't make a single. It is siffidence

*bit of

Difference

I always love you

In terms of our relationship.i live our lives just as you do now. I will make my own happiness I will focus on me and me alone: I will do whatever I please knowing that my action can only truly be of concern to me--- as all of your actions or lack of there of are only yours. You are so selfish you

But if you decide that you tno ca I'mtm so confused and I'm t being

May 9, 2018, 11:16 AM

You simply are trying to make me react I guess. You have to be intentionally and with malice directly inciting me to respond with total anger and hurt.

I've now said 1000 times at least that when you say the words but follow up with no action it is the equivalent of saying I hate you and I will make sure everyone thinks your crazy so that you have no one left.

That's not rational it's not reasonable but I HAVE SAID EXACTLY WHAT I SAID ABOVE dozens of times.

So Hallie is your intent to hurt me. If it's not your so either so self absorbed you don't read or hear me. Or your just plain stupid and you don't understand. I think it's both.

May 13, 2018, 6:39 PM

I'm leaving now

Where are you?!

May 28, 2018, 6:06 AM

I'm flying back to LA. You're right Hallie. You have to move past what you've done to me. The things you've done to me again and again knowing just how much it devastated me in every way and more than I could imagine being hurt. So much more than hurt I don't think I'll ever be able to move forward and that's true heart flame I did something to deserve this and you can say I'm the victim playing the victim and I'm overly sensitive but Allie I don't want anyone with you and you choose David rather it was just a friendship

I will always love you hunter. Please do the right thing for Natalie and hunter and be here before they get here. It will devastate then if you are not here.

I'm going back to chain bridge - say goodbye to girls- and the away

So you will not be here for Natalie and hunt as you promised??

You use them to get your way all the time and I can't take it anymore and neither can Natalie. As for hunter he could care less b/c he doesn't respect me b/c you clearly don't either in his eyes.

Hunter please they need you more then they need me. I'll leave the house if you want

Hunt, you have to come here as you promised them. Not for me! For them! They can't take another father gone. And May 30 is in 2 days! We need to be adults and put our shit aside!

Do you hear yourself Hallie. Why is it always me that has to do the loving kind and considerate thing for others but never for myself.?

Once again I'd be doingbfor you

I'm here!

Fucking do the right thing right now please. If you don't I'm worried they will loose faith in you being there for them, they need you.

Tell me one thing you've done for me Hallie- one completely selfless act?

Hunt, this is for you. They adore you and I know you want their love and faith in you

I'll be there b/c I always do the right thing/I mAy take the long way sometimes but I always do the right thing

You not so much

Yesterday I told you things b/c you promised me you would reciprocate. You didn't AGAIN. I gave you my passcode b/c you promised me you would too. You didn't AGAIN.

I loved you so much Hallie — I'll never love like that again. I'll send

Hunt, if we are going to try and work things out, I'll give you all my passcodes and love openly. I fear that if I give it to you now, you will obsess and search and it will brake us to the point that it will brake the kids. If you don't want to try, then we can be friends. You are not attracted to me anymore so sec won't be a problem. We need to be grownups for the kids. I still love you desperately and tragically and I will concede to any type of civility just to have you in my life.

Please get in the car now for them

May 28, 2018, 7:40 AM

Hallie you are so fucking full of shit that I now understand that you actually believe the things you say.

You won't give me passcodes after swearing that you would if I gave you mine.

Then you said well mine comes with a condition that you never speak of any of these ever again regardless of what you find.

And now it's that I'm unstable and will obsess over things that are not even there.

Are you coming?

YOU ARE SO FULL OF SHIT.

How many times can you do this to me before I understand.

You really have done nothing wrong if you're the one who determines right from wrong.

Please put our shit aside and worry about the kids who fucking lost their father and now you are going back to California or wherever. You realize this will devastate them. And don't blame me.

You can live anywhere close to them. You can have them 50% of the time. They NEED you

How far are you

May 28, 2018, 9:05 AM

Would you please please please consider this proposal? I think it's a good idea. How about you come stay with the kids this entire week. I'll stay in Annapolis to help in whatever way you want. And I'll stay where you think Would be best. I'll start back up with the program tomorrow and have the tests given to you. You can try to begin stopping tomorrow your way. Take the week while spending time with Natalie and hunter to decide if you want to do my program or any sort of monitoring or not. At the end of 7 days we discuss us - as a couple or as friends. I think that being with the kids would be really helpful to both you and them. I love you and I'm sorry. And I'm sorry I can't stop my anger towards you and I know you can't stop your anger at me. Lmk what you think. We have to try something other than running away. Please

And Maisy could stay too!

WTF???? I rush back and leave my kids to be here and you ducking aren't .

You are so fucked up.

Hunter is, I am on way back from dropping Natalie at mall

And why am I here b/c Natalie desperately wanted to see me. You have no shame Hallie. None whatsoever. Am I here to see you??? Stay out do it come here and ask for a single thing from me .

I fucking left my kids!!!!!!!!!!!!!!

AGAIN FOR YOU

Not for me!

Is hunter nothing to u?

BULL SHIT YOURE THE ONE TELLING ME NATALIE SO DESPERATELY WANTED TO SEE ME. Fuck you. You've made certain that hunter could care less

You are insane

I FUCKING RUSHED AWAY FROM FINN AND MAISY.

From you::

"Please do the right thing for Natalie and hunter and be here before they get here. It will devastate then if you are not here. "

Anyone devastated sick fucker

May 28, 2018, 11:35 AM

Please let's not do this in front of hunter. Do you want me to leave for the night? Do you want to stay for the night with out me? Please find any piece of love or pity for me and please let's stop the fighting and be a unit. You done have to be with me anymore. I know you despise me. I'm sorry

Jul 10, 2018, 4:52 PM

Hallie you think that I don't see you? Do you think that I don't know how little you must care anymore after that conversation. You have moved on Hallie. You've moved on and not only placed all your guilt and shame and blame and lies on me but you have intentionally set out to make my path forward anything but the foregone conclusion of sad and disturbed addict that you so need me to be in order to explain your decisions.

I always adore you and believe in you hunter.

I want to feel that way again-- and I know you don't want that with me now. Please just let me go Hallie. Let me have a chance to feel anything again.

But what does that mean Hallie that's what an aunt says to her wayward nephew.

I crave you I feel like I can't breathe without you and you prove over and over again that you need no part of me-

You know just what to say that would hurt most Hallie.

I would say I am lost without you and can't see beyond my own demons without you. I see no point. I don't know if I'll survive this Hallie I truly can't see what reason I have now to even try.

You can't even do me the kindness of a response. Do I mean that little to you. Do you think I'm alone at 4AM in my car crying and that it's ok for you to just not even respond.

You always have me, Natalie and hunter who love you need you and want you to come home to us. Please do everything in your power to get sober. We will be here waiting if you want us.

Jul 11, 2018, 3:12 PM

You wont let Natalie visit me with Naomi? Is that true?

Jul 11, 2018, 4:40 PM

You realize that even until talking to dad today I argued you should never be separated from your children no matter what. And you fucking do this. You disloyal lying awful person. I AM NOT ALLOWED TO BE ALON E WITH NATALIE????? YOU REALLY ARE TELLING PEOPLE THAT? NATALIE JUST SAID THAT MOMMY JUST SAID THAT I CANT GO WITH NAOMI BECAUSE SHE WANTS ME WITH AN ADULT. As if Naomi isn't an adult. How should I take this hallie. What should be my response? How disturbed do you have to be to tell Natalie that she cant see me unaccompanied. DO you really believe i've ever put any child of mine in danger. Do you not think you have told me this before you told my Naomi before my father before your family. You told me specifically you would never do that to me. Never for any reason keep me from them. You've broken every single promise you ever made to me Hallie. How could ever want to speak to you again hallie let alone e be your boy toy. Tell me the conditions under which I can speak to or see Natalie and Hunter. This is the last time I pay you any mind at all.

I miss you and love you.

You belittle me and dishonor me you make you don't respect me and you've now finally done what is beyond forgiveness you've told everyone that I can't see the children because I am a threat to them. You don't love me Hallie. I don't know who you love. I'm not sure you have any idea what Love is to begin with.

I said that the kids can go with pop to visit you.

You are an awful person with no soul Hallie. I'm now without a single person I am completely and utterly alone. You win I'm completely without hope and I truly want to be gone from all of this. Tell Natalie that I love her at least do that for me. My Drama has finally overcome me. I want to be the person you portray me to be Hallie dead inside and without a conscience and if I could be vanished from all of it I would be relieved.

I'm going to tell my kids I'm going away for awhile a long while . Tell Nat and hunter then same.

No fucking way, stop this hunter. This is the shit messing up your brain. This is not you. Try to get your shit together, get sober and come back to us. We fucking love you

All of your pain and anger and resentment will vanish when you get sober.

Fucking fight for yourself - you are the strongest man I know.

Ok Hallie thanks. I just was upset you've told Natalie she can be around me without Pop not even with Naomi. Well I'm mortified and do y see what I care about or what you care about. I'm not going to bother you again. It's too much it's not a world I can cope with anymore. You do you I'll do me.

When I was sobbing and feeling hopeless and horrible, you told me to remember that it is the chemicals out of wack in the brain, not reality.

You can cope and you will feel happy again!

I'm blocking you ok . Im blocking everyone. Goodbye. Is it the chemicals that told you to tell everyone I can't be around your children.

Oh stop it, you sound ridiculous

Just stop it's all you fault. Goodbye for good !'hallie.

I'm ridiculous yes that is true.

Call a rehab and have them pick you up hunter

Jul 15, 2018, 9:15 PM

You're masterful - god has was going to tell you my plan and say please truce but you push and push me over the edge

Oh please

What behavior Hallie. Do they all know that you're taking Xanax

You are working so hard to make me relapse.

Do they know you are smoking crack?

They will now.
And where is it you will turn Hallie once you've pushed the only person that could protect you so far away

Goodnight this is absurd to talk to you when you are on crack

Yes they do Hallie I don't lie and cheat and steal and manipulate and suck every dick of every guy between Middletown and chadds Ford.

Also you said to me that you haven't had protected sex since you were married because in your words

Please get help hunter

"I am pretty sure none of the guys I've been with had anything."

I can't talk to you. I'm sorry I wanted to hear your voice and know that you are ok.

Will you please get tested again just to make sure you haven't passed an STD in to me.

This is insane

Goodby Hunter

That includes oral Hallie. And you did say that while I was away you were practicing your deep throating.

You are sick hunter

Well one thing I'm certain of is I don't trust that that fucking animal who had anal sex with his brother for crack doesn't have something. By the way they finally found him.

Please get help

Stop the ridiculous text and try to get a day sober

Oh I am Hallie I'm with a therapist who is educating me about what it is I need to do to protect myself from a socio path.

I did t ask if I could unblock you you asked me

I miss you, not this evil person you are now but the real you who would never treat me or anyone this way. You have mentally and physically abused me hunter and I'm finally getting myself together.

You're going to have to be careful at the beach.

Please get help hunter.

Wow now that's the kicker right there Hallie — abuse — mental AND physical — Let's see how many people will ever believe in a million years that I abused you Hallie.

Evil is the way a sociopath actually is energized by this very thing you're doing right now.

And amazingly I'm feeding you the fuel of my heart and soul.

I'm not trying to discredit you as you are me hunter. I want you to get help so you stop all of your hurt and abuse.

It's too bad Hallie that you told me so many things about yourself.

That's what scares you into acting this way. Tonsaying things like I'm naked and drugged out in a hotel room - and that's why Natalie can't see me.

Wake up hunter. You have physically hurt me many times. I won't tell anyone but you know the truth. Unless you are completely lying to yourself about who you have become.

Well Hallie I'm actually on my way to a date with the Indonesian Princess I told you about. She is staying at the Beverly Hills Hotel and I'm taking her for a drink. She just flew in from Hong Kong after a month in Indian Ocean on a yacht.

She came just to have a drink with me.

By the way she knows what I struggle with. I've been honest with almost everyone I meet.

Ok hunter. I'll move on.

And everyone I meet seems to fall in love with me - and has been helpful in so many ways in pushing me towards sobriety has you pull me back.

But you still have to deal with looking in the mirror and knowing who you are choosing to be now.

Move on to Avalon with Mike Owen amor maybe stop on you're way to Annapolis for a quickie with Kermit.

You're right about the mirror

You are sick hunter. Abusive and sad

Wow / you put clothes on

I like the best I've ever looked - I have a 32 inch was it an almost six pack an incredible tan

My hair is great

And I have a nine inch penis which is mostly why I like being naked

But how is it you keep saying I'm naked day and night and trapped in a hotel room

Caroline and I are going To look at places in Laguna tonight - she interviews for a job tomorrow in Irvine and she's nervous

I'm moving on ok? I'll stop thinking and worrying about you forever.

I've been writing every day and collaborating with one of the most talented painters of her generation. She's 28 and she already is in the permanent collection of the Saatchi Gallery. She plans on painting 24 original oil paintings that depict my writing we will then print them in limited edition box sets

Anyway what about me being holed up in a hotel room .

Great!

Good luck with your future

I even taken up archery - Cassandra the Barteneder at Hotel 60 is a national champion We've been to the range a bunch of time ma . We also went to the Porsche racing school in Long Beach

Since she sounds "unreal" you should be free from trying to discredit me and abuse me.

So this is the person Natalie cant be around or do you think maybe it's just you feel so bad about you being stuck in DE with the likes of Liz and David. Good luck with that.

I know you have found a life you want hunter. I'm happy for you. Please be happy for me

Soon enough Natalie will be 18 and she will be able to decide for herself.

What's there to be happy about Hallie

What life

Your life and that girl

You and that sad

Group of losers

Your girlfriend?

I see you having an affair with Laird at age 50 married to some cut rate moron du Pont

If you are happy then why are you being so mean?

And strangely you will be just fine having become outwardly what I despise about you inwardly.

It seems you truly have no soul

You must not see yourself at all

What girlfriend Hallie the painter, The archer, the princess,....

Oh I see for the first time in along time that I'm not you're play thing to be wound up and sent marched off a cliff

Do you see you Hallie.

You want mean

I have to go to bed. This banter is just making me sad. Goodbye hunter. I'll always love you

Nothing I could ever do compares to not meeting me see Natalie.

I better let mom and dad know - the whole family I guess - that you're now accusing me of physically abusing you.

Accusing?

I'm not telling them, but if you want to get it off your conscience then you should talk about it

Now that is truly classic sociopath gas lighting. You might just be going about this too text book right now. Seems too exact psycho manipulation.

The one thing you forget is that I'm that much smarter than you.

Even though you're twice as smart as you pretend to be in-order to create the sense of vulnerability I am twice as smart as that.

Do you remember the Roosevelt hotel all those voice memos we took?

What's your hairstylists name again.

Go out with your princess and stop trying to ruin me. Who are you

Oh and I'll give Ari and Lisa a heads up too

You are insane. Go move on!! You are not the person I loved and was proud of. You are mean and vindictive

Did you hire a private investigator by the way

One to put. Cameras on my property in my house etc

Follow me

You know they aren't that expensive and very effective

That's going over board Hallie

Please get help hunter.

I'll talk to hunter and Natalie and explain that we are going to move back to Delaware and that you and I are not a possibility to repair. I'll get my name off the lease and close out the bills. You can do what you want with it. Please be supportive and stop trying to discredit me. I will do the same for you. I won't call/text/email you again.

What's insane Hallie you told me your would approach each of those people for cocaine to turn to crack when you were telling everyone how sober and righteous you are.

Jul 16, 2018, 4:14 AM
Hallie Olivere Bider kept an audio message from you.

Jul 16, 2018, 12:47 PM

Unbelievable but I still miss your touch. I hope I can move on as you can.

What's unbelievable Hallie? The difference between is in your surprise at missing your hope to move on .

Well you make it easier with your anger and distain for me.

Jul 16, 2018, 4:56 PM

What I meant to convey hallie is that ill never recover from you. I have no desire to. I told you from the beginning I only can give away my heart completely once in a lifetime and I knew that and told you that and I told you to stay away from me if you couldn't withbcomplete certainty committed to me the same no matter what. You said yes to me and you said no in your heart and mind. You've loved me but not like a brother. You've loved me like one loves an addiction.

So no hallie there are OFs at all. Ill never have a friend let alone girl friend that I could love or even care about. But I cant hurt people so I find myself alone night after night after night while you do what you do with whomever you do it with.

Expecting me to crawl to your door sill

While you go to funerals and sit with David and speak with him in bars thinking youre not being watched by everyone and disrespecting me because you (my own doing) deserve no respect. Not one person in Delaware believes im a good man hallie. They thinkI try they think I'm wasted talent.

Thats because there is no one anymore to defend me. Beau is gone and you say there is no us I'm not fighting your wars its not relevant to me.

Jul 17, 2018, 12:26 PM

And there is no end to your games clearly. You ask for kindness and I give you what you want I act in love and then you start a fight and then you do the one thing you know hurts the most you don't respond. There are children's lives involved in you're drama Hallie.

Jul 17, 2018, 1:32 PM

What are you talking about

Jul 17, 2018, 3:19 PM

I'm talking about asking me to be nice and I am — in response you accuse me of treating Hunter poorly and for some reason you need to believe that if I just looked the other way and let Hunter run our lives ~ as you twist him in knots and spoil him to a degree (\$59,000.00 on Xbox I have paid through through Amex) that's hard to believe- all will be fine.

And he didn't wear a condom that dirty fucking pathetic excuse for a man fucks my brothers widow bare back and then fucks your sister and then fucks lisa and alex and the blonde in dover who looked like a troll and hookers in Atlantic City. And you let him put his cock in your mouth. And you wont let me see your daughter because what Hallie she's read all your texts and knows your secrets. You text me and then get the response you need nde then pretend you don't care. Good for you hallie. Ill block you again now. This is who Caroline is setting me up with. I stalked to her on face time with Caroline last night. We are having drinks Saturday.

So you call this love Hallie. My God just as your brother in law you would think you would care just enough to call me back. What did I do to you Hallie. What did I do? Where is the pleasure you see in my pain.

Aug 8, 2018, 8:53 AM

Ow is when I'm desperate to understand and I need you to live me and talk to me

I love you - you need to take the first step for yourself. I will come to you when you do.

I am so beyond distraught confused and completely heart sick. Why how for what reason possibly.... I really mean that Hallie. Is David sober is that why you can see and talk to him but not me. Please help me understand because it doesn't seem worth trying ever again if you did that for no reason at all. You hurt me and hurt me and hurt me and pull me back just to try amd hurt me again. David. Oh my god.

Can you think of anything that you possibly could have done in the last month that could hurt me more,

Anything

My drunk philandering friend

That's who you turn to

I'm not doing anything to hurt you. You have lost perspective on so many things. You will see clearer and we will discuss.

Do you. Not know how much that would hurt me Hallie

Hunt, everything thing hurts you now.

Whether my hurt is justified or not

You are so wrong Hallie

Please understand nothing hurts me but your disloyalty

David

Maybe so. I'm open to that.

My god David

You are literally killing me

Intentionally or not

You will fulfill Ashley's

Fucking texts

You will ha e killed is both

I'm sure that I've been wrong many ways and I understand your hurting. Please understand that this goes both ways.

David

My god David

Oh my god David

Stop this discussion and get yourself packed up

So I've hurt you the same way

Call Daria to come help you get out the door if you need that

Please don't ever believe we can be friends again you know the power you have over me and you see David and you see him because I'm not there he is that important to you that you would risk my belief in any live at all.

I why won't David talk to me Hallie why do both of you together see each other and isolate me?

Am I that awful a human being?

Put everything out of your mind and get yourself to Johnny

David

Hallie Olivere Bider kept an audio message from you.

Oh Hallie I'll never understand why. I will be beside my brother and for eternity I will wonder what did I do how could she be this cruel.

Hunt, we will be fine! We will figure out our shit. You have to get sober now

I promise you hallie that I will not be fine

It is worth it, for our 5 kids!

I will not

I am dead

Inside

Your brain is on crack

You just put the last Bullet in my brain

You really did honey

Oh stop it.

Whether crack or whatever it doesn't explain David

I'm not

This is insane, I'm not discussing David

I'm dead Hallie

I'm so ready

For this not TO be

And you chose David over my life

I'm so

Dead to all of it

Release me please

I choose you hunter.

You just truly killed me Hallie and you cannot lie to yourself ever again and say you choose me— because you clearly didn't. You chose David whatever your relationship with him there is no way you did not know that I would be crushed.

I have my excuse I guess Halie to get to the end of the story faster than I would have thought. But you have to admit it's a pretty rational excuse.

Forget you- how could he?

My god David!

Get yourself to Johnny and to a rehab hunter!

You were my love - I gave you everything and you choose him over me. How else could anyone see it differently. How could you Hallie.

I told you Halle you would kill me

Stop this hunter. It is not always about you.

Aug 8, 2018, 10:42 AM

You are on my mind.. are you able to get packed up and go see Johnny?

You're right. With you it's never about me which is fair because you're every action is a righteous action. No matter the way you hurt disintegrate refuse to explain.!

Hunt, first things first. Do you want to call Daria to help you get out of hotel room?

I'm going to see Johnny to say goodbye. I know he called you before he called me Z but still I can't not go to him and tell him I loved him

Goodbye? What does that mean?

You are a son living in am alternate reality. Goodbye means I'm leaving this life for good.

Im buying everything I can think of and finding a motel and that's it!Hallie.

Oh come on hunter. Do you know how insane this is.. about David?

If you're right then I don't want to be here and if you're wrong I'm certain this life is nothing by pain.

You are son right Hallie

Because you are not sober!!!

You cloud not even Do for me that one thing.

He is not sober

You were not sober

But you are right every one I've pushed away

Is a better man than me

They are stronger and smarter

And more caring and consistent

And that is why you choose than over medical

Me

What are you talking about. Stop this and get sober and we will discuss it all. Don't use this as another excuse to not go to rehab

I'll have one last all out depraved run

You are right Hallie

This over David

I'm not doing this anymore.

He isn't worth a piece of shit on my Mahowald

Show

Shoe

Yet you once again chose that over saving me

Then why are you even talking about this.

I'll try to have someone call you when's

Because you chose him over me

Again

Grow up. See Johnny, go to rehab and I'll come out.

Which means I am less than that to you

Good Hallie consistently righteous to the end

Broom

Heroin

Meth

Crack

Oh stop this

Molly. Alcohol

GHB

Xanax

Have you ever done them all at the same time .

I'm not going to talk to you again unless you are going to see Johnny and go to rehab. Don't call or text me again until you get somewhere ~ to Johnny or a rehab.

I really would live for you tinder this

Should I record

Will you please before I'm done just tell me why? I'm

One last wish granted

Let's 3 way David in ~will either of you even shed a tear

No ones talking to me again Hallie. What don't you understand.

I'll record for you. You sweet woman so thoughtful so empathetic so kind. Have a nice day.

What will you tell Natalie Hallie.that you just wouldn't explain purely out of bullshit principle

Aug 8, 2018, 8:22 PM

Go ahead and fucking leave me out of it

I'm calling your parents

I blocked you. I'm done with your insanity. You can call me if you go to rehab.

Hallie you're guilt at being with David must be overwhelming- but use that guilt to try and redeem yourself in the eyes of your family and friends- rather than to tear me down. You are not completely too far gone Hallie. You haven't killed me quite yet.

Aug 9, 2018, 12:32 PM

Are you ok hunter?

Aug 10, 2018, 5:39 AM

Hello?!

Aug 10, 2018, 8:04 AM

Are you ok?

Aug 10, 2018, 11:03 AM

I'll stop trying you, I thought you wanted me to show love by calling. I guess you

changed your mind.

Aug 11, 2018, 3:26 AM

How are you?

Aug 12, 2018, 1:04 AM

Just found this-

Call me

Aug 12, 2018, 3:11 AM

I'm sorry for ever hurting you Hallie. When I ask you why you hurt me - it's because it seems intentional. Your dismissal of any hurt I've felt makes it hard for me to see how I can be with you sober. It makes it so hard to want to be sober, because of the detriment of every other person in my life I have been obsessed with wanting and needing you. That's my fault and telling you so feels like giving you the final piece of me that you could do with out unless I do as you say while you live a life that I'll never be privy to.

You neither want me or need me it seems Hallie. You need me to be sober so you can show that you at least cared enough to say "do you want me to fly out there?"

I feel as if what I need from you is something you will never even try to give- total and complete love- a love that I have for you and you know exactly the love I give. I feel empty Hallie. I feel disconnected from the one connection I need- not by my choice but by your lack of any real desire to love me as I love you. Would you even think of me in a year a month one week if I simply disappeared? You think that's Drama Hallie but your actions make me feel that you wouldn't really care one way or the other. Do you not see that?

It makes me want to disappear.

Aug 12, 2018, 6:34 AM

I hope you see a glimpse of an amazing life you will have, hopefully together with me. We don't need to make concrete plans but I do dream of living life with you. I know DE sounds like a prison sentence but for the short term we can make it special. We could build an addition for us that you can write your book and do art and live the sober life we talked about. I love all of you hunter.

I think the reason you disregard my feelings Hallie- the reason you can be "happy" with or with out me- is because you know I can never not love you. You think I'll never leave you. You're right. But that's why I feel I have to leave it all in order to have any dignity. Your treatment of me is the reflection of me that people see. So when you say "We don't even talk about you" "it's not US Hunter" "I don't care if you like me"

It makes me feel

I can never leave you or never not love you either hunter, don't assume I am different than you.

Then why don't you understand that all I need is for you to show me that. You have face time sex with me ever - but I know you do with others- fine but why never me- and you let people into your life in a way that you never let me in-why? Can't you see that all I want is for you to take me into consideration when you do the things you do. I never stop thinking of you. You say you can turn me on or off at will. Will you ever understand what I need to be happy Hallie to want to live?

I don't have FT-S with anyone but you ever. You need to reach deep into your beautiful soul and find yourself again. I will be with you - but it can't be for me

What does. That mean? What can't be for you? You need to know Hallie that when you say I've never...it's hard to understand . But who cares thrift the past is the past. But only if it's really past. And Hallie I want to be sober for me- but why do you think the me I want has is the me that has the LOve I need from you. Did you want to be sober for nAtalie and hunter but not give a shit a out me.

The me I want to be is has the love of the only person I need the respect and loyalty of.

Yes it's true — one day I'll get over you— you will find someone new very soon in certain- and never look back.

You need to reach deep and be honest with me about what you really want from me - yes sober Hallie - but if I choose that life- I need to know what life you are expecting from me.. I know who I am Hallie. I know the man I want to be. And the two are not as far apart as you seem to believe. I'm proud of who I am and who I've been and the struggles I've overcome and the ones I still battle. I am not ashamed of myself as you are of me.

Please stop talking like that. I adore you

Aug 12, 2018, 12:49 PM

Try me

Do you not want to talk now

Aug 12, 2018, 3:01 PM

I love that I'm feeling connected to you again

Aug 12, 2018, 5:05 PM

How are you?

Give me a minute

It's been 20 min, are you ok?

Aug 12, 2018, 7:12 PM

What is it? Are you ok?

I can't take worrying all the time again

Hold a minute Hallie

Jesus! It's been 2 hours I've been worried!

Goodnight hunter

Once again you belittle me call me ridiculous and choose him over me over my health over everything that could have been possible. If you don't see how your obstinance makes it nearly impossible for me to come back to you for me to feel their is a hope on the other side than you clearly do not want me sober or otherwise. You have a 2 hour gap in hearing from me. You are angry:::: so angry while I flesh out my plan to come home.

Don't wreck this hunt, we have a chance together. Put all the noise in your head aside and do this. You can do this. Please don't derail from your plan. I adore you

You could try to be helpful rather than hurtful Hallie. No matter sober or stoned out of my mind if you can not say to me that I will never ever glance at David again and that you will try to explain it to me with a therapist or not than I promise you and I have no future at all. That's on you Hallie. That is my ultimatum. Tell me you will right now and I'll be on the plane tell no and then I'll know for certain you are finished with US. How many times do I have to say it Hallie - why should I ever have to say what Beau said and was granted a long time ago. Fucking me or him. Yes or no?

Okay Hallie I have your answer.

Your answer is no. You choose David over me. If I'm insane and just needed to hear you say of course for the sake of your love I will never talk to him again- if you know as you do how important it is to me - why couldn't you for just the hope I don't choose to die alone here- say yes. Why in any universe of love would you not simply say yes.

Goodbye Hallie it's amazing you couldn't just say yes but you did and you Win what? You gain what?

You gain David's love I guess. You hurt me over and over and over again. This is no manipulation Hallie this is a simple and reasonable request that I said I would go to a therapist to discuss my feelings with so they could surmise with your input alongside me whether my request is ridiculous as you say. The fact that you just gave up a possible reconciliation and love by not saying yes. To that request says everything to me. For David . Jesus I'm just amazed by it. You choose David Walsh over me. Even over just lying to me to get me somewhere safe. You couldn't even do that. How does he do it how is he such a better man than I am that you choose him over me over my life?

Aug 13, 2018, 6:49 AM

How are you?

Aug 13, 2018, 9:55 AM

I will always be with you hunter. I have to get in car with kids. Please execute your plan today. I will come anywhere to be by your side. If you can't get started then I'll come out there and help you because I love you and I believe in you always.

I will always be with you hunter. I have to get in car with kids. Please execute your plan today. I will come anywhere to be by your side. If you can't get started then I'll come out there and help you because I love you and I believe in you always.

Call me when you are ready to go to treatment

I'm ready answer the phone and I'll tell you my plan- I have to catch my plane and leave for smowhere but need to speak with you

I can't engage in this. Either get yourself to a program or I'm coming out there to get you to a program.

Answer and just don't open your mean spirited mouth and for once don't say the exact wrong degrading annoying thing to me just fucking for once listen to me.

I can't talk to you because everything I say is not helpful to you

Why Thursday ? Why not today?

Why Thursday?

Why Thursday and not today?

Aug 13, 2018, 1:27 PM

I loved when you did love me. It seems so long ago since you the brief moment I truly thought you loved me. All of me. Was there such a time Hallie. I had 50 more ways to tell you how I love you. And you you just hung up on me and now you won't answer. You couldn't say one nice thing to me. I can't wait to fuck you and then saying all the things you like that I haven't been. Am I twisting anything Hallie. Do you see how all of what you just did seems to have been discouragement. You literally didn't say one nice thing and when I pointed it out you laughed. At me.

Did you get pleasure out of me saying all the things I think are beautiful about you why I love you and then hanging up on me? I wasn't being mean Hallie I was saying sweet and heart felt things. Did you think it was funny you couldn't say one single thing about me that you liked? I'll see you Thursday. I want to see Natalie. And Hunter alone. You don't have to be there. I'll bring my father. Do not say a word to anyone Hallie. No one knows. You can laugh at me in person and then tell me I'm irrational and crazy and all my feelings are irrelevant to you. I'm so sensitive.

I'm sorry, kids in car with me.

You hung up on me as well news telling you how I loved you for loving Beau. With no one explanation. Do you feel that I am being mean now by being hurt. Is that not something to be hurt by? What did you have to run from the pool and get to your car 30 minutes later- just to tell me you're in the car with my niece and nephew so you can't call me?

Aug 13, 2018, 5:28 PM

I'm trying to call you... where are you?

Aug 13, 2018, 7:36 PM

I hate when I don't hear back from you for hours.. call me please and let me know you are ok

Aug 14, 2018, 3:41 AM

When did Natalie come into your room Hallie?

She heard me yelling at you

If you can't get on a plane, I will come out there and fly back with you

Why were you yelling then . Did whomever was in bed with you get out of the room fast enough

Where are you? Address and name of hotel?

I'm headed Alaska

You can check in with Chris though

you to are the biggest fucking idiots I've ever met. I have never seen anyone love each other more than to of you, you guys are wasting your life arguing, so cut the gaddam bullshit and get a fucking brain and realize how much you to love each other. Hunter and I need you guys happy and healthy tords each other we struggle every fucking day missing the goddam bullsit NOW I love you to so fucking much, and honestly I feel so bad for the to of you are guys are suck fucking idouts get a gadam brain. I love the shit out of the to of you. You to are the most amazing fucking humans ever. YOU TO ARE A TEAM. I know you to probably are not going to listen to this but I'm telling you to that you need each other to survive. When you to are happy I literally have never seen anything like it it is like sparkles. I hope you remember that side of the to of you. Ps I'm sorry for the hurtful comments in this I hope I'm not in trouble but I know what I was getting in to, and trust me I don't know why but I know what the hell im doing so stop saying the to of u " trust me " for once trust me you flabby ass bitches (the flabby as one is directed twords mommy)

That's from Nat April 27th

I RESPONDED:

Nat your mother is perfect and I mean that with all my heart and soul. I choose her over everything no matter what she chooses or why. It's me that has to change and be a better person for everyone. She is right she is always right and don't forget that. I'm not daddy and will never be as good as he is but I do love you and hope you know that I try every day even though I know I don't try hard enough to give you or anyone what they need and should have from me.

I promise to keep trying but you have to promise me that you will give your mother the respect and love she deserves from you. I mean this she loves you and hunter more than life itself and would do anything to make you happy.

I'm trying honey and I'm sorry I've not done enough to make all the angst go away. Your mommy has tried to make me a better person and I obviously make it so hard on her. She's never done anything but love me and I'm the one who has made it so hard on everyone.

I'm trying Nat but know I love you all so much. I hate that you're scared of me. Or worry about me. Don't I'll never leave you.

you didn't respond

She wrote:

I hate u block so much mommy just call him and Unca do not say anything hurt full ,, he did not block u and I just don't get why u are mad at each other ,, u guys are mad at each other for being mad at each other,, please do not text me and be like stop . U need to hear each other and stop. Respond to me on this group. Not personally!

I RESPonded;

Sorry Natalie. I hear you. I know this is a horrible horrible and traumatic moment. I wish I could be with you to tell you it's all going to be ok. The truth is you are going to be OK. I'm positive of that. But I am also certain that to treat you as if you are not a much hurt angry confused sad as I am at least is wrong. So wrong.

You didn't

AND I WOULD DIE FOR ANYONE OF YOU- but you're telling her THAT ITS JUST BECAUSE IM SELFISH AND I WONT COME HOME.

Why Hallie?

Aug 15, 2018, 6:06 PM

Please stop Hallie — I'm sorry - I'm so sorry - but please tell her I loved him and tried to be there for him and that I never would have let them do that if I knew there was even Chance of him being in pain. I have ruined your family and I am so sorry for fling in love with you. But I can't believe that I loved knowing I would so hurt Natalie and Hunter and you.

Hunter we love you and are always here wanting you. Please get sober and come be with us and all of our family.

Please stop Hallie. Please tell her I was sober when we made that decision please don't let her think I was drunk and reckless with my brothers life. And please stop telling her you want me and telling me I've ruined your family and you have not one loving thing to tell me. I am and will always be the person who made it all worse. I truly never wanted to be such horrible person. I promise I will leave you alone if you please just tell her I loved him so much and I never meant to hurt them so much.

She didn't think any of those things, we love you and don't blame anyone for anything. She is just worried she upset you.

From Natalie:

"I don't know how I thought of that. For some reason I have some thing in me that tells me things that I did not know and when I say that people freak,, I don't know where it comes from."

When she said that to me I knew for certain you are right. She loves me be I did ruin her family.

I loved you all so much though. I promise I've never loved anyone more than I loved you. That was. Sober choice for me Hallie. And I am so sorry for every choice I truly believed was made out of love.

You have every right to hate me Hallie and so do Natalie and hunter and Naomi Finney and Maisy and Kathleen and my mom

But please don't let her believe I killed her daddy. Please

Please get sober and we will talk, you can do this hunter. I promise you will see things clearer. We all love you. I'm going to stop texting so I can give Natalie my attention.

I know you care because he cared about me Hallie -but your truth her belief - you telling me that you can't say one thing you love about me. It all makes me not want to live anymore. I for the first time mean that with all my heart. If you could be that angry at me to not mail a ring to let stalker believe I hurt her daddy- than truly what is the point of any of this.

Stop it hunter. This is your brain on drugs and isolation - you are loved and adored. We are here but you have to get yourself started. I'm not continuing this conversation again and again. I'm here when you are ready

Maybe probably right Hallie and that is the truth my brain tells me alone and isolated by my own doing and not being able to see what there is to look forward to. I'm am dead. My niece thinks I killed her father and ruined her life. Exactly what you tell me. How does a man come back from that.

No one said that hunter.

My god hallie I have a recording of you saying that. Over and over.

Call when you can my love. I'm happy thinking about how I'm going to make me the best ME for US.

I have so many plans — but they all begin with this-

"I will be true to my true love to my true friend to my provider/lover/ defender/ devotee — and in doing so I will be true to myself. I will become my true self. And when I am true to myself, when I am my true self I am the greatest love the fiercest friend and strongest protector/ lover/ worshipper of my truest love - YOU. So that WE can be the best US to the people that need US."

Did I miss your call? I love you and I'm so happy I have you for the rest of our lives.

And there is the love of my life

We waiting for the car to take us home. I'm good but hate going home to family that sad/ worried/let down... wish you were with me

No one is let down. Show them you're strong by being empathetic with how the feel rather than defensive annoyed frustrated sad (understandably to all). Say I put a 3 minute lapse in recovery. This is not starting over it's knowing that the plan I put in place for my recovery is keeping me accountable and transparent with all those I love- and it's a huge relief to me that it's worked the way that it has and that all of you have addressed it with such compassion. I know you're all nervous. That's going to last a while. But let's all look at the big picture- you caught me! No matter how small the slip I've stayed true to being accountable to all of you. Love Hallie".

Aug 26, 2018, 6:01 PM

Love you

I'm so proud of you. And I'm proud to be by your side always

Aug 27, 2018, 12:03 PM

I need you to trust my word and believe in me or I can't do this. I'll call you after I walk with my dad. Please stick with me and don't make me crazy and defensive. I love you

Please be my partner hunter

I love you and I need you - as my partner

As my best friend

Aug 27, 2018, 7:30 PM

Ok honey. But it's not that I don't believe what you're telling me it's that you're not telling me anything that remotely makes sense if you tell me anything at all.

Whatever.

Aug 28, 2018, 5:58 AM

Please, you promised that we wouldn't argue. I have to wake up and put one foot in front of the other and move forward. Im not able to handle doubt and questioning from my best friend, my best supporter, my love. Let's be there for each other as we just promised in a helpful and healthy way.

There is no reasoning with you Hallie. I'm not arguing. I am the one defending you based on what you originally told me.

Which makes no sense and is not even remotely plausible. You found one piece held it for weeks (how long you have no idea- which by the way is a crack user Guinness book of World Records achievement- and I let pass) then smoked it when you really don't remember (your relapse after over 40 so days - again an impossible lapse of memory) and I call and beg you to come to me but you say no w/l explanation (which is now explained by Paige being there for weekend which for some reason you don't tell me) and then you come to me on the day tire test is made available to my father and ask me to back him off and love you and forgive and forget and move forward with openness honesty empathy and understanding.

So once Again I save your Ass and you skate while I have to remain in the care 24 hrs a day of rehab junkies.

And what happens if I relapse - well I sure can't be with kids

Why are you with kids

Well b/c once again I saved your ass and I remain to do the hard work alone

This is not an argumentative

How am I to survive Hallie w/l just a little help from you my partner friend blah blah

I take the blame over over and over and you use me and that revert back to the hanging up middle of the night resentful texts saying I'm selfish- WTF Hallie take a look in the mirror

And thx for asking how I'm doing 12 days sober

I'm fucking struggling Ass home and you. Don't even thank me for completely supporting you. Except for wanting to at least be able to tell dad a fucking stormy that makes any send at Alll

For you

For you

For you

When for me I take the heat and go back to my padded isolation cell

Hang up Hallie you can't take this arguing Rodiculus

You're truly ridiculous

Remember your we're going to introduce me to your counselor what happened Hallie

You met whole team

And here we go again

You make no sense

What are you even saying

It's attacking you to say — hey wait a minute you told me one thing I put myself in the line for you and then learn it's was all bullshit

Thanks Hallie

Stop

I need to feel safe and you are making me feel unsafe with you

Ok Hallie

How do you not feel safe?

Please tell me so I can once again feel completely used

How?

You call me needy and all you do is reel me what you need and how I have to bend to your needs

I guess my needs are just not valid as you would say

Jesus you're selfish I struggling on day 13 and you want me to just swallow your bullshit and move on

Ok Hallie as u wish

You're really just so unfair

Thanks for your two days of love so I could tell my dad who is the only one that matters here to just move back and leave you be and show love again. So he does for me and now you revert to the same bullshit. Hang up blame make me feel crazy interrupt my recovery by promising more truth and leading with an untruth. You are so predictable Hallie. Go have fucking coffee with David I truly could care less anymore.

I love you. If we are going to be supportive of each other we need to do just that. Support me hunter don't accuse me and question me. Why have you so drastically changed your way? You were so serene, calm and understanding. You sound like a different person than my visit. Please talk to the therapist about all of this.

Morning
Thought for the Day

🙏
"We must be willing to make amends to all the people we have harmed. We must do the best we can to repair the damage done in the past. When we make amends, when we say 'I'm sorry,' the person is sure at least to be impressed by our sincere desire to set right the wrong. Sometimes people we are making amends to admit their own faults, so feuds of long standing melt away. Our most ruthless creditors will sometimes surprise us. In general, we must be willing to do the right thing, no matter what the consequences may be for us." Have I made a sincere effort to make amends to the people I have harmed.

Meditation for the Day

The grace of God cures disharmony and disorder in human relationships. Directly you put your affairs, with their confusion and their difficulties, into God's hands. He begins to effect a cure of all the disharmony and disorder. You can believe that He will cause you no more pain in the doing of it than a physician, who plans and knows that he can effect a cure, would cause his patient. You can have faith that God will do all that is necessary as painlessly as possible. But you must be willing to submit to His treatment, even if you cannot now see the meaning or purpose of it.

Prayer for the Day

I pray that I may willingly submit to whatever spiritual discipline is necessary. I pray that I may accept whatever it takes to live a better life. and disorder in human relationships. I'm so proud of you, I know this is insanely hard on you. I will do everything I can to love you and support you and show you my devotion. We can do this, we have to stick together and support one another

Thanks

What are you're Labor Day eekend plans by the way? No pressure to tell me if you don't want to I know I can seem overbearing by asking such things but I thought I might have a chance to see you and my kids your kids really and you if you don't feel threatened and made unsafe by me

Aug 29, 2018, 1:50 AM

Do you forget we already discussed this?

You don't tell me your plans for the weekend why are awake at 5AM Hallie

Sorry that's a question

Did not tell me your plans for whole wind

Wknd

Sorry

I can't sleep and running in with Theresa at 6:00

Why can't sleep?

I have no plans and would love to see you

You ok

Anxious

Stress

For the whole wknd?

About what ?

Really what do you have to. Stressed about?

Kids in my bed and I woke up at 4:30 soaked and sweaty

Oh

I love you and really want us to get along and support each other. I believe in you and I'm so proud of you and us. I hate feeling like you are angry or agitated or you don't believe me again. It brings back so much pain and anxiety to me and creates a divide in us.

Heading out to Theresa's to run

Aug 29, 2018, 4:02 AM

Are you up or did you fall back to sleep?

Woke up?

Where are you

Believing you requires you to do what I just did.that's how we rebuild trust the transparency because why would I ever judge you if you told me the whole story

I did tell you the whole story. Accept it as I accepted yours. I love you

And hunter just had a angry/cry that he doesn't want to take a fall sport. I think we need to make him. It's 7 th grade and it's time. He said he would prefer cross country to football which is great. Our football sucks anyway

Once I do not know what you are talking about you've told me nothing except you found a piece on 8/1 and don't know when you used it. Therefore your story requires me to believe that you are a medical anomaly a first in human history. Literally a one out of the entire human race. That's what your story requires of me. So really I'm done taking your bullshit while you from across the country have me save and then tell me to stay the fuck out of it and then tell me i make you feel unsafe. Well Hallie you got you seemingly wanted I used after you get me so worked into a frenzy 12 days sober. WTF Halle ultimately it makes s the same over and over and over and I'll just either have to accept that you can never tell the whole truth for some reason and live two lives again a me a you and the other you and me no us. Or I will finally say Jesus I cannot be in a relationship that requires intake as truth things that simply cannot be true under any condition of science or sociology. Why you're not telling me the whole truth is beyond me. Have ever judged you. Have I ever not protected you and lied for you and defended you and allowed myself to be a the scapegoat. Know Hallie not once have I chosen myself over you no matter How little truth you've dribbled out to me.

US CENTER FOR ADDICTION ;
For example, after a single use of cocaine, agents created by the metabolization of the drug can be detected in a person's urine for 2-4 days. However, for chronic users, or if it follows a heavy binge, cocaine can be detected in urine for up to 14 days. The length of time that urine tests are effective also depends on the size of the dose and the purity of the substance. Extremely high doses can cause cocaine metabolites to be detectable for up to 3 weeks.

I'm just leaving therapy with Natalie and we had phones off. I'll call when we get home

Please don't unless it's to discuss Natalie and hunter - really you only make things harder and more heartbreaking. You're right that I need to focus on me for once. I don't believe you know what it is you're doing to me whether you intend it or not. Maybe you really don't see your part in anything that I say is hurtful and just not acceptable. You went to sissy's wedding you went to amaganset you... would you ever ever treat beau that way. You don't think I deserve the Same respect. You are not the person for me. I am not the person for you. There is no difference in the way I thought last week I said if you can be transparent and inclusive I can let it all go. You weren't you aren't and again you hide behind your daughter whom you are dishonest and manipulative with and you love me. I loved you but not more than I love I should live me. I've tf Daria I relapsed I've told Karley and I'm going to leave it at that and get back in track. I did it without having to be tested with no threat with only an understanding that there is no life for me in the alternate reality version of you that you want me to be content with. Talk to you later and for once Hallie Natalie is wrong I don't want nor need nor Desire to Dick you. That's not an issue after your last visit.

I'm sorry I don't want or intend to make things harder for you. Have you considered going back to the view today and getting back on track with some help?

Really you need to leave me alone Hallie- focus on you not on my mistaken-of once again being honest to you knowing you from me understanding and compassion even though you're lying to me an get from you insults a discussion in which I am somehow again the Dick and needy. I really can't and so you know no one can understand why you are a congenital liar. Whatever that's your problem and have mine- which unfortunately is mainly you "honey" I don't

Get yourself back to the View and Natalie and I will fly out to you

Aug 30, 2018, 11:55 AM

I promise you that if you keep your commitment to go back to Caron and stay a full 30 days and then come to commit to me the reasonable request of letting the past go in return for simply you to simply communicate with me and possibly show a little love and also get the rest of the family off your back (dad) and then get what you want and begin the same behavior of lies and deceit.

My god Hallie you called Devon. Is there anything that you believe would be less infuriating to me then maybe calling David - what do you know that could incite me to be unreasonable more than that. Really nothing and you've done each one: break my trust. Use the kids as shields...and for the first tie on months fill me in. On their lives (Natalie therapy first time in over a month- you scream at me alone right before and read me you will will never speak to me again and then call me with Natalie and he tell me by saying hello my love you call me from the orthodontist office with Hunter asking my opinion when you just asked me my opinion about anything and are you done for the last year no exaggeration and then you let Land know that you're tired story of relapse literally makes no sense in science nor in the land of fiction and tell me that I need to focus on myself I'm the one that clearly hsd a prop

Problem. Every time Halie.

Aug 30, 2018, 1:58 PM

Beautiful— poor timing but nice message- ly

Aug 30, 2018, 5:12 PM

I F-ING love you. Can Natalie and I fly to you tomorrow or Saturday??

No thank you.

I love you hunter

Hmmm ... I guess it's just hard for you not to be petty Hallie. But it's also not necessary of me to expect people to be considerate of one another. Most aren't.
I'll try again for two years running Hallie . Please don't say that to me after having done nothing at all to show that.
I'm trying to be more understanding of the idea that you're showing in that way anyway other than sex and that is something I haven't had with you over four months but I asked texted you I've emailed you I've sent you a postcard I think I wrote it in a poem I'm gonna wait and novel about it I'm gonna make a movie about the two he get a text that says I love you completely out of context response to the text above it is to me saying well good luck you plain in the ass I could really care less until you see it I don't care and you need just understand that me saying I love you is all I care to give or feel I need to give to show any respect for you then I love you might as well say go fuck yourself.

Do you understand that. Because if you don't I may love you but I do mean Go fuck yourself

* when I get a text from you that says I love you hunter completely out of context from what I asked I said in the text above...

Again for everyone who she shows these text as evidence of my insanity do I have to send Hallie the Lilly 5075 times I've said please tally when you say I love you completely out of context and then don't talk to me or do anything to show you love it is truly the most hurtful thing you can do to me he told Jen I beg of you think for yourself of how not to hurt

***The most hurtful thing you can do to me I beg you to please stop hurting me intentionally

Aug 31, 2018, 12:33 AM

And please

Aug 31, 2018, 4:18 AM

Are you awake

still so love you but after last night I cant think you jus simply want me to die— like really die. What did I do Hallie that you wouldn't let me use the Amex points I earned by paying 100s of thousands of dollars for your leisure and convenience. I paid all your passages bills Hallie

Aug 31, 2018, 8:47 AM

Why Hallie I've never not done what I say in the end please let me speak to them it's a long time with no explanation from before I go. I said I'd wait till you came and you said no even though you told everyone the opposite why are you doing this

Sep 2, 2018, 11:33 AM

Please let us know that you are safe hunter

Sep 15, 2018, 10:51 AM

Hi hunt. I'm going to Caron for the Breakthrough program the first week in October. Would you consider doing the executive program while I'm there? I would stay longer in the woman's unit if you would come. We could do therapy together. I haven't mentioned this to anyone so if it's a no, I understand. Just wanted to know if you would be interested. I love you hunter.

Fucking call me Hallie and of course if you are serious about getting clean and promised me no more secrets I would do anything. You've burned me so many times Hallie. But the answer is yes if you start with the truth and end with the truth I'll jump into a volcano if you asked. You don't even have to want me as your partner anymore Hallie- we haven't had sex I four months and clearly you aren't interested. But Hallie the answer is yes if you think it will help you get clean. It will be only useful to me if you don't bolt and leave me as you've done every time.

Ok

Did you really throw that bracelet in the water?

I love you so deeply

Showering

Sep 15, 2018, 7:23 PM

Hallie are you kidding me

Hallie I don't understand you. I don't think you intend to be this way. But you're really making g it hard for me to stay sober. I desperately want to come home. BUT YOU DO THINGS LIKE CALL ME at 5AM and then won't take my return call 3 mins later. Won't reply to a text. I think we really need to speak with someone immediately Hallie because I don't think your thinking clearly. Its not possible you don't see how upsetting this is to me.

I was on my way to meet my running crew and wanted to send you a text that you would wake up to.

Sorry

Sorry, my point was that it is all new admin and they didn't know who should do what.. ex dir was supposed to come back and handle things then went back in hospital and now taking disability for 3 months after just being hired.

Sep 18, 2018, 4:02 PM

How are you? What are you up to? I love you and can't stop thinking about you.

Sep 18, 2018, 7:10 PM

Understood—my point is that seems exactly the time you would want to put your part time utility player to work— when they seem to need help all around not just busy work as an assistant to a director who sick or not has far less of a chance to ramp up development than you do. Just trying too be com alimentary and I always forget that you are sensitive too me encouraging you to use the skills you have in abundance.

Thank you . I'm sorry

Sep 19, 2018, 6:36 AM

Are you awake, I have you on my mind all the time

Sep 19, 2018, 11:55 AM

I'm sorry. I don't want to argue. I only ever ask you for money to replenish what you have used and told me that you would pay it back. It may not seem likely from your prospective but I use saving to pay off my monthly usage. Why would I ask you for money if I have it?

I love you. Let's just say that it was a messy few years financially and we went through a lot of money together and apart. I don't care about the money and I know you don't either.

Mex alone forget rent and other shit and "other" shit and your strange insistence that im sending money to liz for me and not for you and for your mom and dad.

I've asked you not to get involved with Liz financially. You said that I should stay out of it and it was between the two of you

And I did anyway and its not your problem nor

I love you hunter

Let's be a team

Do you have to in any way

I'm sorry I'm just frustrated trying to get healthcare

hallie I will get you health care by the end of day

Jesus just listen

Say every dollar on amex was because of me

I'm going to handle our healthcare but thank you

Well 600K in 9 months wiped me out

Thanks for helping me make IT THROUGH

SORRY I HELPE4D YOUR SISTER

I'm confused

I DID T BECAUSE I THOUGFHT IT TOOK A WEIGHT OFF OF YOU

I was wrong

I spent the same! All from brown. I went from \$150 annually for first two years to \$600.

And you are telling me that you are paying for me and my family..?

Fuck you hallie

I never said that

You and "your family"

Fuck you

Your family

Your family

Your fasmilky

Yours

Not mine

Oh forget it

Yours

You can't talk rationally about it

I have never said to you or anyone that im paying for anything

You have told everyone that I pay for nothing

And that ive threatened your credit rating

Stop please. I've never paid late so don't know what you are saying

That ive used and run up your amex bill to the point you were

Afraid you loose it

That I don't pay rent

Again nothing I have said

That I took away your healthcare

Stop hunt this isn't healthy

Vaughn Hardin was telling everyone that at Oyster Bar

Enough hunt

I had to hear it from Liz'sboyfriend

What is not healthy is the idea that you tell everyone that and then o top "your family"

Not our family

Your family

And you are so full of shit

Who did it come from hallie

Amends would be recognizing that your chaos with finances effected other people

Specifics about Amex

From Vaughn Hardin sitting around at WCC

Im sorry Hallie but your chaos is what

?ALL MY FAULT right hallie

I never did anything for you

but cause chaos and pain

Let's just keep separate finances. Stop this

Leave me alone hallie

lets just have separate everything like we have since our relationship went public hallie

You're cruel

Vaughn Hardin !!!!!

And it has nothing to do with anything you said

Amazing

Maybe my dad said something

I guess you think that the 50,000 I just sent you was money I owed YOU?

thank you hallie I will send the money back right away. I guess the \$

is owed to you and I probably owe you a lot more

I don't care about the money

I will pay it all back and include interest

Ugh

I am getting on a call now, figuring out HC

I will never say again that the only reason you have any money at all is because ofd what I paid to make certain your husband got life insurance when he had Glioblastoma.

That I paid Stuart for you to have it and then I paid it myself

You are incredibly generous

Its all what I owe you

Every cent I ever gave your husband

Every job that the ever made a dime in

Thank you, and fuck you. If you have to ever tell me that to take credit for it, then you are not who I thought you are.

All of it was owed you

And I gave yup nothing for it

You deserve to be publicly acknowledged for all you do for me and thats why

You telling everyone is ok

I am a dead beat

I don't talk to anyone about you

Thats mooched off of yopu

And ive never done anything

Again : Thank you, and fuck you. If you have to ever tell me that to take credit for it, then you are not who I thought you are.

But bring you hurt and shame

I take credit for nothing but this hallie -you are owed everything I ever sacrificed for you and you are owed my public humiliation for every thing that ive done to fuck up your perfect life

I am greedy

unkind

A braggard

That holds my

So called generosity

Over peoples heads

I tell everyone how wonderful I am

And how giving

And pretend to be a man im not

Anything ive ever given anyone n

Always comes withn'

An expectation of return

From me that is driven by my ego

Im worse than Lexie

Who in fact is the person who told vaughn

These are your issues, not mine. I love you and I want to help you feel better but you have to be willing. Please be willing and let's begin

I take credit for all this — I go around town telling everyone\

You are so right hallie

Please come home and let's go to therapy and go to meetings and work the steps

I need to be more willing to realize just how awful I am and how you've never gotten a thing from me without me exacting an awful price

Listen to yourself hunter! Get home!

You are right to tell everyone or let everyone think ive been living off of you

q1

I don't let people think anything! I can't control what people say or do or believe!

'xand for some reason they believe I live off of my dead brothers insurance money that ive manipulated you out of for drugs and sex

You're an amazingly good friend

You sound like the victim - take some fucking ownership from your behavior the past few years.

I am now willing to believe all these horrible things about myself and I cannot wait to be home to live in acceptance of them

Victim

Narcissus

And on top of it I play the Johnny drama victim

An d that too

Get your ass home and be humble and ask for forgiveness! You have been an asshole! Let's move forward! We all love you but enough about YOU! Let's focus on our children and family!

I tell you this as your best friend!

Thank god for that hallie. What would I do without a best friend to blame me for all thier problems and let me know that im a narcissistic leach living in the delusion that i help people when really all I do is take from them and cause chaos and pain in there lives. You are the best of best friends. Going beau to you has been a blessing because he obviously just never had it on him to tell me what I really am. I cant wait to be home.

Stop it!

Please come home

Lmk please

I think ill just sit tight for awhile first and come to terms with everything you just said above

Ok

Im now beginning to understand that you only want me home to make certain that everyone sees just how awful a human I am

The person all these people you do t control think of me

All of your friends thats

What would that do for me hunter

Nothing hallie

But save me

Just out of the

Kindness in your heart and maybe

For beau

I want you because I love you and want to spend my life with you and fuck you

Yes you're doing all of this for Beau

Really?

Because you more than anyone know that he thinks I held the money over his head

Ugh! Just get home

And that I made him feel like he owed me

i don't deserve you hallie

Victim!

Again thank you

Fuck you! And get your ass home and Fuck ME

For making me realize what everyone including my brother thinks or thought about me

'You are my best friend

That's in your head, and your interpretation

I have an average penis hallie

And my rhythm is all of

And off

I fucking love your big thing!

Move forward stop with all your self head torture

Yes ive interpreted you saying "you have an average penis as compared to all the penises I can remember- I only remember the big ones and the really small ones"

A total misinterpretation on my part

OMG you are reverting back farther and farther

Im

Yes I always go back too the same thing

And as time passes and you say its over and over again

It becomes further in the past

The same thing you just cant seem to understand hurt me and hurts me every time you say it again

I am stuck in the past in which you did nothing wrong

Im sorry hallie

I'm sorry I hurt you, I really am - I don't want to hurt you or see you hurting anymore.

When you say the things you just said above all over again I shouldn't be hurt hallie I should recognize that you tell me them because I am a horrible person an average lover and I have no rationality and ive simply been unwilling to accept all of that coming from my best friend

You are an amazing lover and truly a wonderful person

I've been a bitch and you have been an asshole. It doesn't mean we are bad people. You are a fucking unreal lover.

I will say hall lie its been hard accepting the truths you point out to me because not one person one therapist out of 10 not one friend not one person that has ever kn own me intimately except for David Walsh has ever characterized me and told me anything of the sort that I should be accepting of. Truly never in my life has anyone who knows me ever said what you say I need to accept or even said to someone else except for you and David Walsh. The only two people ever who have even remotely suggested that I am the person you say I am are you and David Walsh— my two best friends.

He actually said the exact things you just said too me

I just said it's not who you are as a person but your actions the past year

As he was demanding I produce proof that I hadn't been fucking Lisa

Which I did

Please stop

And you said that that is who I am as a person hallie just like David did

Can I send you the text he sent please

Eerily similar

No

My two best friends

Im lucky to have you both

You must not be ready to except help because you believe you've done no wrong

And now see why you need him

Im accepting it all right now hallie

Agin I accept all of what you've said and are saying

Im willing to believe it all

Come home please

And I will strive to first know just how horrible ive been and I am and have always bee

N

Then I will try to come home with that understanding of myself and apologize to you and everyone in Delaware first

Beginning with David

That's for YOU to figure out and make your amends at the time when those are ready to accept. Not when you are ready

But definitely starting with David

Clearly you are not thinking clearly

What do you mean Hal?

Talk to your therapist about it or come home and we can discuss together in therapy

About making amends with David?

Just come home

Or my narcism?

Or my greed

And need to take advantage

Of my delusion that im a giving person?

Or that im kind

Please stop this

Or should I start with coming tom terms that my two best friends tell me over and over agin that im an asshole

You have been an asshole yes

And dont deserve them and that their relationship is more important than mine

Do you not see that?

To David or you or the two of you together?

Ugh

Really?

Stop talking about David!

Have I been an asshole to David

I don't know and I don't care

If that is what you want to work on first then you are not thinking clearly. How about your 5 children!

Stop you care thats why you will never gove him up as a friend because he is so good to me

I have 3 children and you have :-"your family"

You don't know ion ive been an asshole to David?

I am not his friend and I don't see or talk to him at all!

What do my two best friends talk about then?

That means all of this you insisted upon is for someone you're not even friends with?

Oct 11, 2018, 6:46 AM

You ok?

Oct 11, 2018, 8:03 AM

U awake?

Oct 11, 2018, 3:40 PM

I love you so much my sacred girl. I love you and love you to capable of making you to understand why I'm so sad sorry angry overwhelmed and incapable of making you feel like you have any chance of being the you you've always shown the real world

I believe in you hunter, more than you believe in yourself. Always my love

You are unbelievable, you must have someone really special in NY to choose that over me and the kids. I don't understand why you came home to me/us if you were planning to live your life elsewhere. Or if you want something or someone else.

I'm so upset now

Nov 4, 2018, 9:57 AM

I'm done being your excuse to avoid: real life, responsibilities, reality, and sobriety. If you want to change your life and show up, I'll always be here. Don't come in and out anymore every other day and pout that you are not included or respected. You won't be respected by anyone like this.

Nov 8, 2018, 6:38 AM

Lmk if we are going, otherwise I'm not waiting around for you while you are not responding

You do you ill do me. Every time I've asked for help from you you belittle and embarrass me and tell me im full of shit and I never do what I say and that no one respects me. Every fucking time. So go practice whatever fucked self centered cynical selfish program you your god's fucking gift to Hallie. Its never enough for you theres never an end to your self righteous hypocrisy. Once again I reach out and you act is if I'm simply a choice between whether you have time to go to Starbucks to see David or drive me to treatment. and thats after telling me your basically doing nothing today but I guess simply being available is less important than literally doing nothing. Its either now or never b/c you can't "wait around."

What am I wAiting around for? You to buy more? This is insane that you are angry and turning this on me. Obviously you had no intention of me taking you anywhere today hunter. Same game, another day.

Nov 8, 2018, 9:00 AM

Hallie you're not waiting for anything except for me to fail and prove you right.its not a game to me Hallie. Im dying. I know for certain that the cycle I'm stuck in is going to kill me. I know I need someone to help me with out telling me over and over how awful I am. The one thing you're right about is that if I was really serious about saving myself then obviously I wouldn't keep going back to the person that literally no one would go to to ask for help for anything.

Come on! I want to take you today. I can't do it tomorrow, please stop blaming me and let me take you, I love you

Wow you fucking really suck Hallie. Oh tomorrow youre doing what that could possibly come before this? What? You are really not serious? You'll Do it but only if its today?

Where are u?

How much more hurt do you think I can take?

I have a meeting tomorrow that took all week to schedule with all hunts teachers - he has 3 D's and an F

I'm heading to meeting or I can come to u now, I'm in car. Where r u?

I was naked and waiting for u all morning

maybe he spends too much time playing that fucking game and doing whatever the fuck he wants and is allowed to be as disrespectful as he wants to his uncle just as his mother is.

Really Hallie

Because you never told me

Thanks hunt

You told me nothing but insults

Can I come to you or no?

There you got Hallie you can say the most awful things about me and not let me participate in their lives and tell them awful things but I cant point out that he plays too much x-box

I'm fucking parenting alone! I need you sober and I need your help. They need you too

Whatever Hallie you can't got tomorrow because you have a meeting that I guess lasts all day and into the night. You have never taken one piece of advice from me Hallie. I play no role in. Their lives not because of addiction alone but because you won't allow it regardless of mob sobriety. So keep your own counsel as you always do and I wont ask again.

Regardless I don't need you to do anything. You do you ill do me. maybe illnhave Daria take me. Please stop telling me how little people (including your children respect me).

I'll take u tomorrow night.

Fuck you

Stop this

I didn't start it.

But ill stop

Nov 8, 2018, 10:27 AM

I'm picking up lunch, can I get you something? Will you come home and eat and we can talk calmly and lovingly?

Nov 8, 2018, 11:44 AM

Let me take you please

Get fucking out of my life. You are fucking with my head. I hate you for this.

Let's do this right. Come home and talk with the kids. Let's tell your family and your kids the plan and let's stick to it. Everyone adores you and wants to feel like you are safe and working on sobriety. We can do this. Then I'll do therapy with you while you are there. We can talk about everything you want once you are there.

You are blaming me again - and for what? Do you know how and what you and your addiction has done to us all? When you humbly realize how much damage you cause, then I'll know you are ready to get sober. Blaming me, that is an excuse to avoid sobriety. If you want us, our love, our support, my help, then shut up and come home and we can get you there.

No blame regarding sobriety

You're free of blame

What io just found was imagined by me

You are the one not sober and brutally effecting all of us!

Your secrecy isa imagined by me

Im a drunk

An addict

No one respects me

Im insane

Yes you are. Let's get you fucking sober!

I have no friends because im an asshole

No one wants to be around me

Natalie thinks I molest her

Hunrttere thinks I don't love him

Poor you

You don't think im a good father

You are good at everything when you are sober.

Come home now please!

And meanwhile you don't know that hunter is gay and you have him thinking he is stupid and that your daughter knows everything about you and will; never respect you for the way you treat me and that the only thing she will; ever be mad at her father for is leaving her with you and letting you kill her uncle in the way only you could. Respond to that you arrogant feckless liar. And tell me how you are going to manage from here on out.

POOR ME.

You always read me wrong Hallie

Poor Natalie

Poor hunter

Ive got a Yale fucking law degree im better looking by 100X than you ever were w/or ever will; be

People look at us together and wonder why im dating my aunt.

And you think I say oh poor me

You arrogant fucking bald headed lying piece of shit.

So the box wasn't yours

So I hid a piece and left it there for when

I'm done hunt

Now

Oh don t be Hallie im just startim/ng

Starting

Ill be over in a bit let Natalie k ow

Please let them know youve asked me never to come back

In fact im on my way

I let them know

Don you want your crack back Hallie

I can't take it anymore.

And keep the contents of uyoour phone to yourself

Youre truly an awful fucking person

Do us all a favor

You go away

And stay away

You want me to relapse

For a long time

Do not come here angry at me hunter, it's too much for me and it's too much for the kids

Yes I need you to remove yourself for whatever reason you care to make up fro. This family. Take my sister with you and I bet theres not a tear shed after a couple months

really you want to finally hear some truths

You think I should remove myself from the kids? Why

Focus on yourself and getting sober! Not on me!

Because drunk sober lying or oversharing our mean or totally innapropriate you are a shit mother.

You always have been

Fuck you

Im not focussed on you

Really?

You arrogant rube

Really

Leave me alone! Get fucking sober!

I just can't take the idea that you will ruin my brothers kids

Then get sober and help you asshole

Hows it going for you since insisting I leave the house?

Calm

Just go shopping and send pictures of your ass to Daria or whoever and you'll feel better

Stop attacking me

You

No attack

You have no idea how to raise a child because you're a child

You have no real feelings

You simply mimic the shape of a feeling when it suits you

Like an animal does

You have less empaTHY THEN A dog

Ill see you in a bit

You want me to fuck you

because I don't think you can even get me hard now

Are you coming over now? I want to go to 5:30 meeting if you will be with kids

Thanks

Nov 8, 2018, 3:49 PM

I'm at a loss, you make me feel horrible and attack me for so many things as I'm trying to just stay sober and be present for Natalie and hunter. It is so hard for me to do alone. I'm trying so hard and you put me down, tell me I'm doing a horrible job and come in and out like a tornado. You know I can't resist you and will always keep trying, but know that this life is horrible for me and the kids. I would love to help you but you don't want help hunter. You have again made that clear.

Ok I think I need to remove myself from you and talking to you and trying to love you, im not helping you and I'm feeling really shitty, and I still need to be a parent.

Nov 9, 2018, 4:38 PM

In no instance should you ever feel like you have to beg for someone to love you. In no scenario is it okay for a significant other to purposefully make their partner feel so worthless that they have no choice but to beg for their love, because they're the only one nice enough to love them. This is a classic way in which perpetrators abuse their partners - they beat them down, make them feel like they are terrible people, and then trick them into believing that they actually are so terrible that they need to beg to receive love. Denying any wrongdoing and making their partner feel as if they are crazy for pointing out flaws in their abuser is another way in which perpetrators trap and control their victims. If this is happening to you, be aware that this is a huge red flag.

Please Hallie im begging you to tell me just one way that you love me

I love you for who you are, you are a different person though when you are in active addiction.

Nov 14, 2018, 4:45 AM

/??????????????????

I keep calling and FTing you

Nov 14, 2018, 4:41 PM

Goodbye hallie. You fucking liar. Call Devon Call Karly Call anyone for fucks sake. You sit and keep your lie at all costs.

I'm leaving.

Please pay Keith whatever he is owed to date- and have a great thanksgiving - all one fucking big game to you/ did I ask you to come- did I say leave me alone you only make it worse- did I say no matter what Don't talk. Did you do the exact opposite. You're never wrong Hallie.

You fucking must hate me so much to do be this fucking cruel.

I'm at the inn. Keith is waiting for you. Call him

Nov 14, 2018, 6:59 PM

I'm not coming back to you. Every time I ask even one thing you purposely do the opposite. You and Keith work on you and Keith . Thanks again for coming Hallie. You're so helpful,

Nov 14, 2018, 11:41 PM

You again use me as your excuse to avoid sobriety and reality. I'm to blame. Get a fucking grip and come back here!

I will get a flight home this morning.

Nov 15, 2018, 7:43 AM

Where are you going

I'm on way back, 20 min

Nov 16, 2018, 8:57 AM

Transfer/wire all good

Actually not able to do till Monday. Are you finished? Call me - I'm sorry

Nov 16, 2018, 1:43 PM

I can't do anything right with you, I'm sorry.

Hallie- that's unfair. I just don't comprehend the reason for going through everything of mine only to leave it in a trash can sitting next to me on the bed. Regardless of what I have on me it don't I have you full access to everything in my possession of which you combed through and placed in bag next to me. Why even if you think I have some big stash in a bag that is constantly

Combed rhrough and has nothing

Either way it just seems like a vote of no confidence or a purposeful fuck right Hunter you'll never get this so have at it.

It's really confusing. If I left you with a rock, what was the point? I just wanted the trash next to you so you would put everything in it when you were done. I'm sorry

That ash in the ashtay is almost all crushed Cr...

I'm sorry.

The point was I want to be done and I knew letting you help by actually letting you throw stuff out would be a huge psychological step on my part

Why do you think I'm going through the trash Hallie

You wouldn't let me do I didn't see the point, I'm sorry again. I'm really trying to help you without pissing you off but it happened anyway

B/c I'm out

Let you do what

I was being totally hinese you saw all that I had

And I finished it and thought so that's the end

I should have taken everything before I left. I'm sorry

Except for this fucking treasure trove by the bed

Put crap in trash and tie it up. I didn't know that was shit, I'm sorry

I can't believe in some way it wasn't intended

That it wasn't a statement

By you

Are you kidding me!

That I'm not worth it

You are fucking worth it!

I'm sorry - you wouldn't let me totally do it so I just left it there.

I shouldn't have left till you were all done. Do you want me to come back and spend the night with you while you sleep it off?

Take adivan.

Should I not board? I feel like I let you down.

I don't want to talk right now

I have to think

Or stop thinking

Don't think

Sleep

This is my choice

Love your choices

I am your choice?

I need to do this alone I guess

Pick me!

I do over and over

And you inexplicably always leave me with a trash can full of shit sitting next to me in a lonely room and say well if you weren't such a fuck up id give you the loyalty you don't deserve.

You have my loyalty, and my heart. I promise. Sorry I fucked that up for you

And I choose to believe that no matter how much I know its not real because I'm tired of the trying and the failing in the eyes of those I love.

I choose to believe that I don't deserve the respect nor the loyalty nor the

Compassion.

I need sleep call when you land

I know we can do this together my love. Sleep. I can't live without you

Nov 16, 2018, 4:01 PM

You didn't even clean out my blue toiletries bag Hallie. What was the fuckin point

Where are my notebooks

How many sorrys can I give you. You were still using so I just left it. I'm sorry! I'm sorry!

I'm the LV or the big back pack

That makes no sense

Neither does it that u said fir me to clean it out but leave you with a rock

That's where I assumed you would do it your way. Certainly not my way

Stop blaming me! I went there to be by your side! I'm not trying to sabotage you! You wouldn't let me do it the right way and now you are mad at me.

What's the right way hallie. I had one piece left and everything else would be gone Stem's bags chky all of it. I finished that in 1 hour and fvaliught that was it only to find that you left everything that I had on top of that and didn't clean out the car. So what the fuck are you saying.

IMG_1458.jpg

Just stop please

It's all my fault

I'm sorry

Again I'm to blame. I was there to love you and I fucked it all up

I asked you for two days to let me! I had less than an hour to go through your mess. But all my fault, I'm sorry again and again.

I told you last night you cloud go through everything- never mind hallie- it's just confusing to me- you ask me to do something I do it and I give you full access to the whole of it and you did the exact opposite of everything I thought would help me and

I'm sorry hunter, I intended to be helpful but I guess I ducked things up for you. I am sorry. I don't want to make this harder than it is. I love you

Nov 16, 2018, 6:58 PM

I hope you are sound asleep, I love you so much.

Nov 17, 2018, 3:09 AM

I slept. Its not you fucking things up Hallie. Its me. In this particular instance its hard to figure out why you just left it all after having gone through it all.

Did you use honey. Its an honest and non threatening question. And not an accusation.

Good morning sunshine. I love you and I'm sorry. No I didn't use, thankfully I don't feel that obsession anymore. I just got text for another test - I'm going for run with Theresa 7:15 then I'll go to take test. I'm so tired. I wish you were in my bed right now.

And then I'm going to try to get appointment for today to get my hair darker, now I don't like it either

Lmk when your flight is please. I'm exhausted and going to bed. I hope you are feeling good and really working to stay sober. Love you

Nov 20, 2018, 8:55 PM

Just get fucking sober and stop blaming me

And stop lying and lying

Don't talk to my doctors. Don't pay anything on my behalf ever again. Don't talk to any friend of mine without asking

I'm to blame here

My permission first.

You cause this insanity

This is all you hunter

The only thing i blame you for is being deceitful disloyal and untrustworthy. And for being small and weak in your fear:

I won't be involved anymore

I'm ashamed to have fallen for your seduction. I am ashamed to have allowed someone so pedestrian so venal so plain to occupy any space in my heart let alone all of it. I am ashamed to have allowed you to make me feel lesser than the man I am - a man you never deserved. Someone sent this text to me tonight "What you think is love hunter is nothing more than the void she selfishly filled when you're brother died, she took advantage of your're goodness and until you realize how much more extraordinary you are than the doubt she has filled you with you'll be trapped. It's like the tape worm has convinced you that you need it to survive as it eats your insides out. That's not love Hunter that's death"

Nov 21, 2018, 2:38 AM

I still don't understand what you are talking about. Either you lied to your therapist or me and what about RI? Elaborate. And you turn this around like I'm against you and sucking YOU dry. The death of you? And who is "someone sent this to me tonight"? I don't know if you have had a day sober since you arrived there. My fault is that I love you and keep trying over and over to help you get sober and happy.

You need to understand that I don't think you ever have my interests in mind. You've constantly interfered in my sincere attempts at getting clean and staying clean.

I've never lied to you about whether I'm using or not. Never- I have no understanding of why anyone would lie about it the way you continually have with me and everyone.

Don't mess up thanksgiving anymore than it already is please. I hope u are clean and come home with us. If not, lmk

You once again can never make me. Part of your life when you feel entitled to be in all of mine.

You have secret conversations with my friends and tell my therapists things to have no right to say.

You constantly doubt me and accuse me of not trying when I have without a doubt and now fact tried twice as hard with 5 times more success than you.

You withhold your affection rand respect.

You come between me and Nyone import t to me.

You are the idiot who to this day doesn't have enough respect for my children to have figured out how not to fuck you thanksgiving.

My kids aren't here because they hate you

Fuck your Hallie

Ok Hallie thanks for setting the trap just line you always do

No one cares what you say or do anymore Hallie. You're sober so what. What does you're sober self contribute to this family anymore than you're drunk slut self.

Who in there right mind could possibly argue that calling my psychologist without my knowledge and calling me a liar could be beneficial to me right now. Is it ok because you're paying.

What a fucking joke you are.

Who do you think said that to me Hallie .

Has anyone ever said to you- what do you see in him Hallie I just don't get it? Or it's not like he's obviously good looking. Or I don't see the appeal Hallie. Or it's not worth it Hallie he's not on your level and never will be.

Do people bday that to you Hallie. Because I get that everyone. Literally everyone.. from Robin to your sister to dr borin.

Yet I sit here and take your sister while you get drunk at the same party you probably gave mike whatever a blow job.

I'm not going to come to DE. I'll ask Dad if he wants to bring kids up here on Friday. Gives you some time to go the stupid shut you do that I'll never know and don't really care to anymore.

Are you really not coming home for thanksgiving? Kids will be crushed. That is horrible of you, don't tell anyone that you "show up" for the kids and do this to them

Nov 21, 2018, 6:17 AM

I'll tell the kids you aren't coming home if that is your decision, and we will then decide what to do for thanksgiving

You're insane- you say don't come and ruin thanksgiving and then say if I doing come I will ruin thanksgiving. Again you're kids will be crushed if I am not there and your kids are crushed when I am there. Send them here- what am I going all the way to the beach to be with you for?

I'm not sending this to you now

fuck you ill be there like I fucking always am even knowing its so you can crucify me as you always do with the nails I invariably hand to you. Ill tell the kids that once again. Your mother is doing exactly what I've told her makes it very hard for me to do what I need to do to get better. Your mother is as selfish and insecure woman who cannot stop being a cunt just because theats her nature she was born that way. So guys as you know your mom is not the one you should be listening to about anything because as you know guys she is only good at taking care of herself.

If you can be honest with yourself and everyone that you are struggling to stay sober and don't think you should travel, then I'll send then with your dad if he wants to take them. If you are going to put blame on me and try to manipulate everyone who is trying to help you, then I'm not sending them.

What a piece of you are. Ive never been dishonest about whether I'm using or not. Your the l;eijing cunct of shit in that regard and every other. Stay the fuck out of my head Hallie no more help from you because you love. It is driving me insane. Just leave me alone if you can't at least not do harm.

What's the worst place for me to be trying to stay clean? Delaware. I tell everyone to come here to a beautiful house on the beach with a cool town with the same shops as Nantucket and I can continue my treatment and what do all of you fuckers decide? You are so fucking helpful Hallie.

Nov 21, 2018, 7:49 AM

I'm sorry if I'm making things harder for you, that certainly is not my intent. You may not see it but my actions are out of love and concern. If you think it is best to stay there, I understand.

What I know is that being together is better for ME than being apart. That being compassionate and loving is better than being inconsiderate and selfish. I do know that in relationships sometimes one person needs to be taken care of with empathy and understanding and affection rather than disgust annoyance and avoidance. I do know that you could have taken my needs into consideration just once and even if you're lying and acting tell me why you love me because for three years you've gotten all that from me when you would allow me to be in the presence of your family while not acting outwardly as if I were your great burden. I'm not an invalid I'm not a bad person I'm not someone who should have to ask his partner to love me demonstrably . I've come to accept that I'll never get all of you that you will never take the bus for me regardless of my sobriety. But just once you could see something like - this is probably the most difficult position I could put Hunter in- maybe we should all go to him and show him just how much we love him because his children will not be with him and being alone is like being dead.

I love you. Do you want the kids and I to come there? I'm sorry I don't want you to be alone ever

Help me help you, I'm never against you. Please don't point the finger at me, it just gets my back up.

I had hoped you would figure this out days ago. Please be understanding the kids are totally confused by all of this. I don't know what is right anymore and I don't know what to do. I don't think you even want to be around me.

Nov 21, 2018, 1:24 PM

Are you ok? Have you thought things through about tomorrow? Talked to your parents? Please lmk what you think everyone should do. We love you

Nov 21, 2018, 4:51 PM

I am coming home. I am going to the parents tomorrow. LMK your plans to the degree you feel I should be included in your life.

Thank you I love you. I'd love to pick u up at airport - what time/airline are you arriving?

What are YOU doing tonight? Where are YOU going?

Tonight? I'm home, I have nick Marvin and hunter, Natalie coming home later. I just picked boys up from WCC where they ate dinner. I'm in my yoga pants, sad and missing you

And binge- watching Netflix

Why don't you and Andrea and your other friends David knows well but I don't all go out and not tell me. That's about par for the course of the respect you give me as I fight to come home to you and you lie on your couch doing whatever you do that I'll never know.

Nov 21, 2018, 6:52 PM

Nov 21, 2018, 8:13 PM

Hmm? Who was at the party last night that you purposely didn't tell me you were going to?

Nov 21, 2018, 8:13 PM

I'm not having these discussions

I'm all alone on the night before thanksgiving with no one and nothing

I love you and I'll see you tomorrow. Lmk if I can pick u up

And you hang up on me

You have all of us!

You don't respond

Because I'm crazy

If you didn't purposely not tell me

I love you but I'm not talking that will end in argument.

Do you have a flight?

If you didn't hijack my relationship with my psychology if you had a little love in you

You would just say this is who was at the party

Shut me up hallie

But you choose to withhold and make me believe that there is more as has been the case in the past

You seemed drunk last night

You were up at 12:30 b/c as you said you were sleeping in

And you then are texting me at 5 AM

Ok. I was there for 45 min, they had been there 2 hours - I did not touch alcohol and was the first to leave. Don't say again that I was drinking, I am fucking sober

And you say I'm crazy

And I ran this morning!

And who was at the party hallie

Cindy Randi Bonny Wu barb colasante

It's a simple question

A reasonable one

Andrea and her friend I forget name, and few others.

Few who what men hallie

I'll send you the picture that we took for Andrea

No men asshole

That was so hard

You asshole

Flight?!

And you don't think

I would be dumb king angry

Oh forget it. Sorry I shared

Ducking angry

That you make me fight it of you that you tell me after the fact that you do t talk time until 12:30AM

Forget it is right your never wrong

I'm crazy for feeling alone in this relationship

Who is coming to whom

You are not alone

Do you have a flight?

Who is always bending to the others decisions

Unilateral ones

I was there 2 time in a week! I've only been home a few dsys

Who has ever fought for the other given uo for the other gone away for the other took the blame for the other

Flight?

I have no flight

Stop! We will be together tomorrow and I'll show you my love

What is your flight info so I can pick you up?? I can't wait to touch you

Nov 24, 2018, 6:45 AM

Bring me my key now

I left it on seat of car

Fuck you you are so incredibly horrible - my dad is now in car and you fucking have Natalie hey in to snoop

Why do you do this

You. Never fail

And neither do I

To be the fuck up

I just moved your car and she hopped in. You cannot expect me to cover and hide for you, you should clean car and have nothing in it. It's on you, not me!

I hate you hallie. I expect a friend not an enemy . You know took my keys and didn't tell me went through my pockets to get them. And now you have my dad in my car and that was all so predictable and you don't have to cover anything just don't make sure I get embarrassed as you always make certain I am seen for the awful human being you see.

Goodbye again

Are you kidding? You blame me?!

I'm not blaming you for anything except being at best totally oblivious to my feelings or at worst totally intent on highlighting my failings to Natalie and my Dad- making certain that they know they can't trust me. Innocently putting the evidence of my continued failures directly in front of them so they can be as disgusted and disappointed as you want them to be. I don't blame you for my fucked up life hallie. But I will point out that you're a vindictive mean spirited totally predictable asshole. Why else would you have done that. Oh just to move the car. "You're crazy Hunter clearly whatever bs you're doing now isn't working either." Thanks again for all the support.

I was quickly moving car, had not even seen your dad all morning.

Not purposeful

And I told Natalie not to get in the car and she pushed her way in as she does

Okay

I'm sorry honey

Nov 24, 2018, 10:28 AM

Can't talk right now. I'm driving.

I love you

Nov 24, 2018, 12:15 PM

Where are you? Are you coming to DE or going elsewhere? Why are your phones going straight to VM? Please lmk.

See you in 30

Where have you been?!

Resolution for the boys with Natalie is that I said they can come here

A friend of mine was Bradley mugged and robbed. I don't care what you think is true not true I really don't. I'll be to your house after I deal with this.

Nov 24, 2018, 6:13 PM

Where are you? At 4:11 you texted you would be here in 30 min. I don't understand why you wouldn't check in over 5 hours?

Nov 24, 2018, 7:24 PM

Im headed back to MA. You always do this. Always. And I guess I do this too. Itches to end

What did I do?

Nov 24, 2018, 8:47 PM

Was Johnny here Hallie?

Nov 25, 2018, 7:53 AM

Is there a reason you don't answer me Hallie.

There's always a reason with you Hallie. "What did i do?" I have no clue and I never will.

You acted insane when I moved your car, left the beach and blamed me. Didn't answer for hours and no one sure where you are. Driving up and back so you can continue using. It's hard to count on you for anything when you come and go. Hard to follow your lead when you are so inconsistent. I love you and want to be with you but you make it really difficult.

Hallie you know Why I was upset about the car- it's because you did it without asking me and it ended up that Natalie got to poke through stuff and dad did too.

Johnny?

I never saw or talked to Johnny

Really? You are one thing Hallie. You are consistent.

What are you talking about?! I never saw or spoke to him. Really hunter

Nov 25, 2018, 1:33 PM

Where are you??? This is insanity again

Nov 26, 2018, 5:52 AM

I'm not feeling secure with you not answering for days. Mad for no reason. Unreachable for your family. You can't expect to be a part of our lives like this. In and out, in and out. I'm not going to follow your lead when you are not sober and unreliable hunter.

Who am I unreachable to? I'm upset for very real reasons to me. I'm not in and out I am sticking to the schedule I told you. You have not called me or texted me in last two days that I did not respond. You don't need an excuse to do what you know you want Hallie. So just do it without hurting me more in the process. This isn't me it's you and me. And you're full of shit

Nov 26, 2018, 7:21 AM

If you want you and me, you have to get sober so we can be partners. This does not feel like a partnership. I've FT you multiple times this morning called and FT yesterday and Saturday. And texted.

Nov 26, 2018, 10:22 AM

I will call you after my infusion therapy

Nov 26, 2018, 12:26 PM

What time is the funeral tomorrow?

Nov 26, 2018, 1:38 PM

Omg you again don't respond to me!!!! You must be drunk on crack doing a can show for Justin or having drinks with David! Funeral time tomorrow please.

Thought you were calling me. Sorry I had my phone on counter, I was working on my speech with my dad. I don't know what time funeral is. I think I heard 11:00.

What speech

And fuck you

You're so ridiculous

I'm so sick of trying for you

You have to get sober. I can't be around you anymore like this. The arguing, the insanity, the inconsistency.. it's too much for me.

Please go to inpatient and get yourself together, then do the ketamine if you think it's working. Otherwise, I can't do this. I love you, I'm sorry

You are never changing Hallie. you tell me indent answer when you never call and then ion call and you don't answer. I ask you a specific question and you purposely don't answer me but instead send me self righteous bull shit.

I can't talk now

That was fucking hard to text. You're so juvenile. So incredibly disingenuous.

You know I love you hunter. You know I would do anything for you. But you have to help yourself - nothing I have done to help you has made a difference. You get mad at me either way. And you still aren't sober.

I don't think we should talk, I can't resist you but this situation is killing me. I can't be with you until you are sober. You can do this. You have to do this.

I don't think we should talk, I can't resist you but this situation is killing me. I can't be with you until you are sober. You can do this. You have to do this.

You're loosing me Hallie. Each time you repeat this cycle of drawing me in only to shut me out I move a step further away. Each time you determine the best medicine is isolation our connection grows weaker. Each time you demand I come back after being kicked out only to expose and me humiliate me in front of Family and friends I become more aware of who my friends really are how weak this myth of our family has become. Every time I get help or lean on someone central to my life and you place your self in the middle and become their partner and confidant to my exclusion I doubt your sincerity when you say you love me and you are helping me.

You are loosing me hunter

"You can do this." You said that exact thing to David in a text when you were trying ton help him get sober. You were bringing him gatorade and foo and medicine and I was in my apartment alone begging you to come to me. You got this David. You're going to have a wonderful life.

I never had you Hallie. You never gave all of yourself to me. Ev retime I fought for sobriety you barely acknowledged my struggle let alone help me. You criticize every thing I do. You expect t me to do things exactly your way and you include me in nothing of import to you.

Just get sober please

Nov 27, 2018, 4:44 PM

I am always with you hunter, I love you desperately and tragically always.

Nov 27, 2018, 7:28 PM

Inkniw Hallie. And I known you don't intentionally hurt and make things more difficult for me. I was thinking about two things.

WRU

Nov 28, 2018, 8:39 AM

Im sorry you feel like you have to block me from every part of your life in order for you to feel better. Thats not something I ever wanted you to feel. I hope the day goes well. I would have loved too have been there with you and in sorry you obviously didn't feel comfortable being together like that in public. Makes me sad that youre embarrassed of me because thats all about you and not me.

Nov 28, 2018, 11:16 AM

I love you but I cannot be around you until you get sober. You need to go to inpatient. You are continuing to use there. You could do ketamine once you are sober if it is helping you.

I know what I need to do for you. I've done it for others before and for long stretches1 years, months it doesn't matter how long really it only mattered that I cared enough to do it. And what I always found on the other side of the bottle was a more Managua

Manageable life. But not a more fulfilling partnership or friendship or lover. I'm afraid and if past is prolog certain that you have no intent not desire to try to even understand what it is I want from you for me

You have my heart hunter

I know what you need from me and you deny me the chance from the start. AND KNOW THIS I DONT BLAME ME ADDITION ON YOU BUT I DO KNOW THAT THIS SADDNESS this inertia this feeling of defeat is because of the way you refuse to see me.

You refuse to see that the anger I have over you and David cuts so deep. It is more than I can bare at times. And for you to not fully acknowledge and listen and allow for me to begin to understand a way for me not to hate you for that is an even deeper cut.

And it is hatred at times real hatred. To know that even after I expressed myself you choose to dismiss me as crazy and choose that relationship over this one makes me see the with anger. I'm sometimes paralyzed by it. I am sober and I am drunk. And still you sit and show no remorse no recognition

Nothing.

All I need from you is sobriety and your love. We can work through anything together.

And you say get sober and I say why. Why should I give you anything when you cant even say or show your live for me.

Will that change

It hasn't in the past

I've been sober and you partied with David

I did combo and you left me to smoke cravk

I detoxed at home and you left me with Liz

Stop the blame. Everything with be manageable when you are sober. I love you. I know you can do this. We shouldn't talk if you are going to do this

I told you to take it all and throw it away and you left it sitting by my bed

Enough.

You're not and don't believe you care to hear me Hallie.

I don't blame you

Call me when you get sober hunter.

I blame myself for trying to make you into someone you will never be.

Ugh, stop

If I ever do get sober Hallie do you think anything I just wrote will be any less true

Listen to yourself.

I do and it says she will kill you only if you let her. And I keep letting you.

No one is killing you, not even me. You are killing yourself. When you realize your part, you will be able to get sober.

My part is all of it Hallie for the last fucking time. I choose your just like I choose ceajk. I know neither will give me what I need nor what I want and will betray me every time in the end. But im addicted. Not to the sex not to the high not to the physical or emotional return. Im addicted to the pain and the blank nothin gness each invokes in me. My part is all of it Hallie youre just the drug that won't let go.

I can't give you what you need - nothing is enough or right for you because you are NOT SOBER

Yes

Just work on yourself and stop trying to talk about anything until you are sober and clear headed.

Nov 30, 2018, 2:48 AM

I'm scared to sober up and to be faced with the disappointment of your diffidence and disrespect. How many times will this be? I count 5 sincere attempt and 13 months of sobriety for me . I count 3 months maybe for you and not one completed program for you. Did I speak toy this way when you refused to follow any direction. Each time I finished a program you never even considered addressing "your part" not even an acknowledgement of how you could help "us"- nothing - not a single thing. In fact it was the times I was sober that you behaved the worst. What will be different this time? What certainty do I have that you will be more inclusive more respectful to me? I have none. You refuse to even say I will talk about it on the other side. So stop with your self righteous bullshit 3 supposed months of sobriety ultimatums. Just try to be my friend at least Hallie- you stayed friends with David even though he's the worst fucking drunk looser I know. Can you at least give me the same respect and love that you give him?

You have my love, my heart, my friendship - always. As your friend, I'm telling you you need to go to inpatient.

Nov 30, 2018, 11:15 AM

Can you please wire 25 into my account to cover Kathleen's alimony I will pay you back Monday I promise. Taxes came out of my accounts and leaves me short for girls and Kathleen. I hate asking you because I know it stresses you out to

Feel like you're supporting me . I promise I will pay you back anything I owe you within the month. It's important it get done before 3 and sorry for asking last minute but I thought I was covered.

I'm sorry - they would need to raise the cash and also they can't wire this late in the day

Nov 30, 2018, 1:38 PM

Well that was predictable

Predictable of you to ask 2,15 on Friday

Well hallie that's true too so don't lift a finger don't do a damn thing except criticize and protect your assets. You're never going to be different than the tenor of those two texts. You're an island your a rock..... you know the song.

Thanks

Nov 30, 2018, 4:00 PM

No thank you for being as consistently you as you can be.

How are you possibly mad at me? I'm here waiting for you to get sober. I love you

Dec 1, 2018, 6:32 AM

Are you doing ok? I think about you all day everyday. I hope you are doing everything possible to be sober today. I love you hunter

Dec 1, 2018, 4:45 PM

I miss you and love you

Dec 2, 2018, 12:59 PM

I don't think we should talk, I can't resist you but this situation is killing me. I can't be with you until you at least try to respect me. You can do this. You have to do this.

Dec 4, 2018, 6:00 AM

No response

Well what can I say Hallie

Dec 4, 2018, 7:05 AM

Please get sober and I will be there. You have to get yourself to inpatient

Dec 4, 2018, 9:50 AM

You send me this:
"What do you mean come to you? I would do anything for you but doing the same thing over and over is not working. What do you want me to do? What can you do differently? What do we do differently together?"
And then you say The above.

What the fuck??? You're such an asshole. What would be different is if you came to me and stayed with me after. TOGETHER! WTFHallie?

Hunt, you have to do this. Nothing I do for you helps in any way. Tell Keith to take you to inpatient. I'll be there for you when you are sober.

You are such an asshole. I have no ideas how to even respond to you. Im asking you to give me four days of your undivided attention here. Get me over the hump and then wow stick together sober from there. And you are saying no. that's different you've never done that before even though I've asked. And you say no. tell me my option is the one thing you know I won't do under any circumstance. You're not my friend Hallie. Stop pretending that you are. Ive had with your bait and switch bullshit. So unbelievably selfish.

Can I talk with Keith?

Well? Can I talk with Keith please?

You can after I see him at six and we will call you. Why? You need to stop trying to influence the people around ,me based on the bullshit observations you concoct from nothing but your own imagination. You haven't seen me you wont talk to me you won't listen at all. But you have your prescription and you want to make sure everyone else has the same. If you won't help me then stop purposely hurting me. Did you tell Tiffany that you wouldn't pay the weeks bills for here? I need to know but for I go to treatment and before the owners of this house evict me.

I have given you 50,000 and now my CC is at 30,000. That is 80,000 in 2 months. My CC froze due to your activity. This is more insanity - and you tell me I'm selfish and trying to influence people?!

Froze from my activity what the fuck are you talking about. I have nt used your card in over a year. what did you tell Tiffany? And what the fuck are you saying hallie I have to pay 40 in alimony and Keith's bills and the rent and tuitions. Not a dime elsewhere and you think I won't pay you back? You're an awful selfish child. I paid over 525k on your amex in nine months. god how do you think your kids will see you when they are enough to see how small and selfish you are.

Keith and blue water and the hotels and your rental are all racking up my card!

Do you not know who is paying for everything? You need to wake up and get sober

Go to fucking hell Hallie and stay the fuck out of my life., keep my m on ey that youre spending from the sacrifices I made in. Order for you to have its. Every single dime you spewed on clothes and hand bags and trips to NY and hunters games is directly a result of what I did for my brother not for you. And you think I won't pay you back partner.

You are fucking asshole

Im taking a loan from you for treatment!!! And im racking up your bills.

Youre insane

Are you are using!!!!

You can't see beyond your self

You are delusional

No im out and have no money and here with Philip

Phillipa

You should be in inpatient

And I can't go to my therapy now and I have to leave this house

Perfect time to go to inpatient - since you have spent a ton are are still using.

unbelievable

I hate you hallie

You!

I really hate

Hate

Hate

Hate yourself not me

Hate

Hate

Hate

Hate

Jhate

You

You are acting like a child

You

Reality I ma

I will pay you back Thursday if you could please loan me the moneybfrom this house fornthese 3 days its 600 or so and this one therapy session another 500 I guess.

And please leave me alone after that ill figure a way.

A way to get sober?

Now this is exactly the same thing youre doing

You never change

I ask yon to come

You say anything a

You do nothing

You are the one who needs to change - you need to get sober today. Today, Today.

Call me from Keith's office and we can discuss everything

Dec 6, 2018, 6:45 AM

I'm sorry I got angry on the phone. I've been wanting to talk to you but we never get anywhere. I'm not ready to be with you in any way until you have some significant time in sobriety and significant time in therapy - sober. I love you but I can't continue this angry blame game and inconsiderate behavior. If/when you come to DE, please do not come and stay at this house. You can stay at your parents and see the kids as you wish. I adore you, I believe in you, but I can't be a part of this anymore. I hope we can rebuild and have a life together, but that would be in time. Totally sober. I love you Hunter.

Youre allowing your selfishness and youre immediate desires for lesser relationships to bring this tragic love to a final end. I know you hate being alone. So do I. But you have the kids and your friends and your family and I beg you to come and help me and do this once and for all together. You've never stuck it out with me not with Marlon not the last time I just was with you not here with a Doctor. Never stayed through the end. Your strong in your sobriety and im almost 3 days clean but still you won't come. You say paying for my doctor would way on your conscious if something happened to me but refusing to come help me won't?

You can rationalize this any way you want. Clearly you don't want me home in any shape. So if youre finally ready to move on just say so Halle. I need to hear it. I need you for once to be honest and stop this absurdity.

When you mean goodbye say it.

And I blame no one hallie never have and never will.

You have it wrong. Above you tell me all the ways I am not doing enough for you.

How so Hallie. I asked you to come you won't I asked for a loan for a doctor and you won't.

Stop trying to make yourself feel better for wanting to move on.

Where are you going for Christmas?

Maybe when you have some time sober and in therapy, you will see things differently

Ill see what differently

Whether you are right about not coming and not helping me pay going forward for this course of treatment Its a fact that youre not coming and not paying. Its your choice. I'm not blaming you for anything. Its just the facts, whether you made plans without my knowledge to go away is just the facts.

Where are you going?

I've been trying to call you for days to discuss and you hand not answered.

Can you pls answer my call

And I've been paying for months and you are still acting insane. When do I stop taking your abuse? I need to hold onto my self respect.

I don't deserve your treatment of me

Hallie don't do this please I'm doing the best I can and I appreciate that but please don't make me so alone right now. Answer me where are you going

I agree you don't

When you are sober you will see things differently

Im sorry frustrated

And feeling very alone

Yes I'm sure I will

Where are you groin g honey

Kids and I going away with the Boulos's the week before Xmas to FL. We will be back the 23rd.

Who all is going where in FL

When did you plan this?

It will be good for the kids to be away not worry and obsess about the family changes and the holiday. It is very depressing for me too and I'd like to be away from it.

Hal come on I'm really trying here I get it you had to make plans and I'm not

There but please don't just act as if I'm dead

I'm not.

Who else and where will you be

Yes you are hallie

Youre cutting me out in every way right now

Helen Tim and kids at Tim's parents, same as we did 2 years with beau

How much more alone could you make me

I'M NOT MAKING you alone

At east give me details so I doin t start to obsess and thin k youre going away to be with someone else

When you are sober, you will feel differently.

Youre not except when you do things like this

Nothing to obsess about. I'll give you all details.

Where are you goin g

18-23

Please tell me what other families will be there and where

You are loosing site of this hunter.

And not knowing until you already decided makes me feel like Minot and never will be your partner

I know so help me not please

Thats easy enough and not irrational of me

I've been holding off and trying to reach you and you haven't been answering my calls!

Work on your sobriety please

Thats not true but if it was I'm sorry you specifically said you didn't want to talk. Now here I am please fill me in. If you don't ill go crazy over it

You kiwi will

Know I will.

Crazy over what?

Where youre going who else will be there in the place city your going to etc..

I said I will! I'll get specifics from Helen

You don't know what city your flying to?

You don't know the families that go to that beach?

Ft Myers and there for 4 nights, then to her brothers in Miami fir 2 nights then we fly out of there. No family's go to their beach. Beau kids and I have been there twice.

Im really tryin g here hallie I really am and it feels like youre purposely doing things that you know would drive me nuts.

I'm not going to have this be your new focus. It's not about YOU. I'd like to relax on the beach with the kids playing with friends and avoid the pre-holiday insanity. We will be in bed early and I'll be able to go to meetings and I'll have a break and feel good. That is not about you.

When you have some successful sobriety and therapy, I hope that we can try and make a life together. I always love you.

your'e right its your'e life and your family and your money and your....I hope you have a great time. I'm finished with you. So any pangs of guilt you might have had don't sweat it. You're free to do as you wish. As am I and I promise you I will make my own plans with whomever there e hell I want and ill send you the pictures for your scrap book. Now its truly over hallie. I'm sad and hurt but I'm going to make this my chance to free myself from the constant pain you deliver. im glad you did it this way it makes it easier for me to do what lve known needed to be done for a long time. You're a small and silly woman hallie. But you are clever and you'll be just fine. Plenty of older men and woman for that matter out there will find you to be a real catch. When I'm sober ill introduce you to my new love. I know exactly who she is and Im not going to wait for love in my life any longer. Have fun in Miami. Kids not going? LOVE IS AN ACTION AND yours speak louder than words. We never had life together and we never will. You made. Your choice and I accept out and I'm ready to move on from the drain. That you are.

You are a child.

I'm sorry you can't see things for what they are and how the rest of the world see life. Your thinking is your brain from use.

Well maybe I am but I'm never so selfish as the grown woman you pretend to be. Tell me hallie who doesn't think your'e a selfish and self serving mean spirited woman. Even your'e friends do. Maybe not the ad sycophants like Helen but everyone else does. You will always be t and always be without me.

And I'm so relieved to not ve to feel guilt over leavingg you.

Do you hear yourself?

Half my brain is twice the brain. You have hallie. Don't be so ridiculous.

I do and I finally feel released

You need to go away to inpatient - your behavior is not sane.

I ask you to stick with me and n ow at least I k ow why you won t

Youre a joke. Go live your'e little life.

Good bye

Child

Happy chld finally

Fine then. But stop this pleasee

Face time me for real see my smile

You are sick hunter

Ill be in ny this weekend if you need anything I had planned on driving home with liz. I would be five days clean by then. But thats not enough. I thought being with you and staying you around the clock until i came back up would be safest. By the 18th id have close to two weeks. And you say I'm a child. You're choosing to go to fl without me and I'm the child. who gives a shit what you think. Really no one.

Just get sober first

Then we will talk.

No more talking hallie. Goodbye. I'm going to nYc to be with Naomi this weekend and I'm sleeping with whomever the hgell I want. You can talk to whomever you already talk to I do not care.

You sleep with who ever you want anyway.

If you were truly working on being sober, you would have a very different attitude and outlook hunter.

Not really I'm sober right now and I don't like you anymore e than I didn't like you on drugs. Least now ill be confident enough to get the fuck out. And by the way don't where the skimpy bikini its not flattering anymore. Gotta go - Phillipa is waiting for me were going for a plunge in the ocean. Now she is fun to be around.i truly will send you pictures this weekend you'll love them. she is gorgeous. lo can't wait for your sister to get here. Maybe i'll come to Miami with her? We don't have to see each other but id love for the kids to meet the girl id like to will IThey will adore her.

Addict behavior

Rational and clean behavior. You're sneaking around and making up bullshit reasons for nit coming now when I could have used you. That's addict behavior. And by the way Keith and Tiffany think you're an entitled ungrateful bitch. Really ask him yourself call Tiffany. If you like. Headed to the beach.

I did talk with Keith, at length

Dec 6, 2018, 9:38 AM

He told me hallie and he spoke to me after. I spent 4 hours in infusion yesterday and two in therapy and rest writing with Philipa after swim and long walk on beach. and no drugs. And none of your discouragement. You're just not a good person hallie. It's the bottom line truth. You're not and that life you cling to is just so small and venal and meaningless to me. You know that and thats why you chose it. You chose to go to Naples where the Centreallas go the Owens the Autschlers the— shit even David goes there. I really no longer care. And I don't desire that either nor the borrowed houses of the Buccinis or the guest pass at WCC I hope you get that little slice of nothing you so desire. Were both running short on time take what you can and grab someone rich because the in surname won't last forever. by the way I got paid today. \$127,000 and on the 19th Cooper closes a deal that pays out to me \$283,000- sale of the PBM I own 5% of. I'm not sending you a dime by the way. I will show you my bank statement though. Can I take the kids with mine kids after Christmas to go skiiing. im goin g to ask Ashley to come too.

Also total for up here is around 18K not 30. regardless I appreciate you slowly repaying what you owe me. You have a ways to go. Thanks again for that. Much appreciated.

Fun. Smiling. Healthy.

The kids would have thought this was fun just the five of us. I think ill go back to Malibu for that time or maybe Miami.

Dec 6, 2018, 7:58 PM

Who do you think dislikerdyou more as a human being- me or my brother. Id say he did by the end.

Dec 7, 2018, 4:05 AM

I loved you hallie. And im sorry I failed to love you in the way you need a persons love. I look back and it seems I filed from the start. I never met your needs fully and that's why you were never fully mine. And I now see that was my failure to understand. I wish that it all turned out differently but you're right to push me away because my need for your love is not something you will ever give me under any circumstance. My need for loyalty and affection is as great as your need for security and conformity. Your also right that sober I could and would provide at least the security you need- the lifestyle you are attached to. But you will never give me the loyalty and affection a true partner deserves. You've proven time and time again that you value your private world separate from me more than you value loyalty to me. Thats never changing. I can't accept a love thats only half the love I need again. I can't live a life giving to a partner who doesn't respect the whole of me.

Ive been this to them their whole lives and you somehow create a myth that im absent because of my problems when really my problem will lighten its load when I have someone to share the struggle with me- just because they adore me and truth be told thats what i need want and demand and will have from the next person I allow to profess there unyielding love to m. That girl will love me up and down and out and for better or worse — she will love me with her actions and not simply her empty words. but the problem really lies with you hallie- its your problem that demands I not be home...unless I meet whats the latest ultimatum today. Forget our relationship hallie you killed that a long time ago- but pleasee don't kill my relationship (mine not your vision of how things should be) with Nat and Hunt. You may not love ME the whole of me not just your ideal version of me—but they do and will unless you continue the vilification through manipulation and oversharing bullshit stories that are rarely true about me. Jesus Lily has the exact words you use and some I've only heard you tell me about me. How is that remotely appropriate. lily for Christs sake. No more of the silly llysm. Im just trying to like you enough to be civil when the kids are around. Ill be in nYc this weekend and I think DE Mon and TUE that back up to NY for night and then back here. When I'm home ill sleep int he blue and I don't care what you say youre not telling that I can't be in my brother's house n o matter what. You're more of a danger to those children every day sober than I am on my worst day. So stop your silly ass dramatization of my world. I know I'm the most interesting person you know but you and Helen should go back to your soup business talks — think bi Hallie dream big soup dreams with Helen and stay out of my way.

Dec 8, 2018, 4:31 PM

Was that you - I hope it was- I hope you and you're children are enjoying your holiday rituals- I wish you could have loved me enough to have included me - even once in the last 4 Christmases - I would have loved to start our own traditions. I am clean now 5 days. And you have cut me out of your life again why? I will find you some day but I hope

I'm so proud of you, I'm not cutting you out. Just giving you time to focus on you. I love you hunter

Dec 8, 2018, 6:42 PM

No you love the idea of me not all of me. You never did and you never will and it makes me think that there is nothing I can do to be less than who I am good and difficult. I am this and I want someone who will be there to help me be the best of me and not deny the worst in me. I am alone now because I choose to be. I am alone b/c I chose you — all of you. And you chose to not give me all of you nor all of your love.

I'm sorry you feel that way. I love you and you know how much I love you. You have to get sober and stay sober. I can't help you do that. If you won't go to inpatient then you are choosing to do it alone. You have me here waiting if you want me. I'm not trying to move on with out you. Im trying to allow you time to get better.

I am clean and I have no idea who you have chosen. Who are you "waiting" for Hallie? How long do I have to pretend to be only what you want me to be until you at least pretend to make me a part of this family that you claim is yours alone and only mine to visit.

You are moving along without me. You never moved anywhere with me. As you've said there is no "us". "I'm You do you and I'll do me"

Should I not take your words seriously.

I don't know what you want from me. This is time for you to work on yourself. You have to embrace a sober life and work on yourself to be a good and healthy part of me, us, a family.

If my words anger you then it is certainly not a good idea for you to be here yet.

Don't you get it Hallie. What keeps me clean is the Being a part of you of a family not being apart from you from family.

We want you to be with us and part of us more than anything.

I'm not trying to punish you

It has been a rough road for all of us

Who is "we"

Do speak for Natalie and Hunter as if they choose to keep me away.

See hallie. I will never be a part of your "we" Have fun in Miami without any of "we" but with ????. Who knows who you make part of your world. I don't know any of the people you share your life with

Rough road.

The fact that you have all of these feelings and anger is what you need time to work on, sober.

You have no idea of rough roads hallie. You seem to me doing just fine.

Anger. Feelings. You're ridiculous

Who in the world sober or not doesn't have feelings. Being angry at something that is wrong isn't a lack of sobriety Hallie.

It's a lack of working through things while sober

Regardless I'm speaking to a brick wall of self obsession. Whatever you say. Just stop trying to separate me from my kids. MY kids hallie OUR kids. You had nothing to with raising mine but I've been these for yours there whole lives.

A lack of ...

Yes you lack love

Maybe so but I will never stop loving you.

How do you love me Hallie. By telling me in a text that you do. Is that the only way you can love me Hallie. It seems it.

Please stop focusing on what I do and don't do for you and what I lack and focus on yourself and sobriety today.

How are you? I love you. You know I (and kids) desperately want you home with us. If you can be totally sober, come home and we can do it together. If you are having difficulty getting totally sober, then please consider inpatient and then come home. Or is that not what you want?

Dec 10, 2018, 2:32 PM

That song haunts me. Its something I don't think ill ever have again in my life and something I think you have determined to find when you are finally over this episode as I feel you now see me to be.

You are my one and only. You alone me. This is not an episode - hunter, no one feels scared because you have been alone so long. You are amazing hunter, maybe you comes close to you. You are all I want. But I haven't had the real you, the sober you. We can do this together.

Dec 10, 2018, 10:08 PM

Are you asleep?

Dec 11, 2018, 2:26 AM

Up now. U asleep?

Dec 11, 2018, 5:37 AM

Awake

At brew ha ha with missy after speech

Ok have a good day whatever your plans may be

Hallie for christs sake how was she??????

Amazing! Should I call you now? Do you want to say hi to missy?

Why would you think I wouldn't want to kn ow that- or her grades which she had to send to me...would you have called beau right away?

Just tried you

No phone rang

Call me!

Thats ok my mother-step mother- called to give the details of how she did- yes my mother before you even thought to mention it. You suck. A lot of peoples cocks.

Ok Hallie you don't tell me because im mad at you all the time for not telling me or including me in your life for saying things like David was there for me when you weren't get over it, I never really thought beau would want you making those decisions (in front of all of Rob's Amagansett friends), and on and on, and you do all those things or fail to because im mad at you all the time for not including me and saying and doing those horrible things. Am I a part of your /life only when. Im at my best and when im not im totally out? Can you not see how demoralizing that is.

Let's stop this anger and blame all the time. I'm handling a lot here, please cut me a brake. I love you

You need to stop saying that im blaming you, or that im angry at you. Im not angry anymore and im not blaming you for any of my issues. Im simply pointing out that you are neither a good partner nor a decent friend for that matter. You clearly say one thing about this supposed relationship and act another way. Your duplicitous in that sense and untrustworthy. No blame no more anger. Just letting you know that I have no interest in being a partner to someone who does not act in any way as if I am a part of "her" family. And congratulations on handling a lot there. I have no idea what your talking about even though I have three daughters an ex-wife dwindling resources a NYTs story, the its the....n Jesus Hallie the most significant thing you did was buy tickets to FL as far as I can tell. No partnership looks like the one you seem to believe exists here.

I know that you are telling me that I must except you for who you are- and this is who you are. Week I'm telling you unequivocally that if this is who you are if this is the partnership that you are willing to grant me once I've met your ultimatums then I do not want to be your partner. I say that with all the sincerity and as little anger as I can muster.Hallie if this is what you have in mind as a relationship with me then I am not interested. If you want to reconsider and show me how it will be different then I please let me know before its past the point of no return. Awe are sent you but I will at least find a love that respects and affords me dignity and inclusion no matter the condition I may be in. I love you but I neither need nor want the love you're willing to give.

You are constantly telling me you need more from me. I need more from you too hunter.

i acknowledge that and I try and sometimes I have succeeded and sometimes ive failed. Now Im winning. But Hallie have you ever acknowledged that youre willing to give more- or simply give what is the foundation of any partnership. You don't even see my need as legitimate nor your actions or lack thereof as a problem. You say all I do is tell you I need more. Hallie you do nothing literally nothing but tell me how ive failed you and the kids. And that every single complaint I have is due to my lack of sobriety. I can't tell you im happy with someone who never attempts to even understand their actions as hurtful and dismissive.

I know what I need to do and im trying. You kn ow what I need and you say that you wont give it and I don't really need it. Well why try for someone who doesn't .see your needs as legetimate.

Forget it Hallie.

Just saying the same thing over and over and you aren't listening because you arent going to change a single iota. If youre waiting on me to be ok with the way you treat me then ill copied home clean and give it one more try. And if I feel the same way I do and have for two years now don't be shocked when I say this isn't what I want, this does not make me happy and this is no partnership.

But who knows maybe your right sobriety will lower my expectations of love.

I'm not saying that hunter, I said I'm sorry for not making you feel and be included. This takes time and you are not here. You need to be ok with healing on others peoples time line, not your own. Get sober and come home and be present. Then I will feel like you are my partner and I won't want to make ANY decision without you. But not till you are present and sober and I feel secure with you not leaving again

Show me one time in any text that you apologize to me?one single text. And I'm either your partner for better or worse or not at all. You won't get it ever and I'll try to live that way but I'm telling you now I won't live a miserable life just o you can have a mediocre one.

Dec 11, 2018, 9:37 AM

Enough of this hunt. Work on yourself and stop telling me where I am falling short.

Dec 12, 2018, 5:06 AM

How are you

Dec 12, 2018, 6:11 AM

When I come home and I test clean Hallie I will have done my part. So when that happens I expect that you will have done your part- you will no longer be openly disrespectful towards me as you are now particularly in front of the kids and you will begin to act like an equal partner in this relationship and not the self righteous recovering addict with a little over 3 months clean who has all the answers but the 4th step only entailed listing your resentments towards others and not the harm you've done and continue to do. For better or worse Hallie thats a partnership in good times and in bad. i won't live like this anymore- with a woman who feels she can push me out of a family thats only mine when she feels living up to her ultimatums. I lived with the woman for 23 years and I finally found the strength to leave. i wont make the same mistake twice. So the next time you text me as if your my mother ("enough of this") or give me prescriptions for my life ("You need to be ok with healing...") or give me ultimatums ("not until you are present and sober and i feel secure...") while the same breath telling me to focus on myself (The insane hypocrisy you're capable of in just two texts) remember that Minot someone to be disrespected and dishonored for much longer there. There is no security that will be enough for you Hallie. Nothing will be the that you think you deserve. And you know full well your insanely lucky to have one of us let alone the chance for both of us in one lifetime. So start acting with some gratitude and and appreciation for the love I offer and you do not remotely deserve right now or for the past two years for that matter. I have my faults but being present and loyal and generous with my love and affection are not at

issue. That outweighs any faults I may carry and constantly and willingly correct. You need to make a choice - be my partner now or find someone else.

When you have consistent sober behavior and consistent presence in our lives, then the kids and I will gain your trust back and feel secure. You can't just say you are sober and demand respect. Being present and sober and not leaving repeatedly will build it back hunter. You are not entitled to it. We always love you but you do need to show consistency and sobriety to gain back trust and respect. You can get mad at that as a reality but it is true. Talk to your therapist about it, not me please.

Bullshit Hallie I am entitled to your respect. Respecting me is not contingent on my sobriety it's something that I grant you regardless and I expect in return. And you need to stop telling me that I have left repeatedly. You have told me repeatedly to leave: and I've honored that because I'm not your partner in reality. Im your brother in law. And if you think. Stalin trusts you anymore or less than she trusts me you are out of your mind and your ego is the same ego that makes you think my therapist isn't in full agreement with me. There is not a professional nor a family member not. A friend who has not told me to leave you to stop hoping for you to change. Not a single one.

This is what my therapist like every therapist I've seen has said:
" I am sure you two have intimacies and pages of your shared life stories that bind you together, but, really, she seems rather ill-equipped to both love you and command your attention/respect/admiration, etc. You're avoiding being the chosen one, because you were not the chosen one, by your step-mother?"

I've expressed how I feel and how I see the reality. Your choice hunter.

No Hallie it's yours and the last chance to stop and think before you send me another non sensibility egomaniacal text in reply. Just think it over before you put a final nail in the coffin you've built for this relationship. Think that not one person agrees with you. Not one.

I love you. Try to do the same for me and consider meeting me in the middle. You want this over them say it. But don't pretend to be trying while do nothing for US .

I'll be sober next time we see each other. You best be humbled.

You need to humble

Loving you is the most humbling experience I could ever imagine.

I need the opposite hallie. You've stolen my confidence and I keep thinking the thief will be the hero and return it to me. But that's not how most stories end. The thief will always be a thief.

No one can steel your confidence. Do the right thing everyday and you will feel confident in yourself.

Again, talk to Keith not me. If you want to be a part of our lives. Get sober, consistent and stop demanding things when you have shown nothing.

Jesus fucking christ Hallie just shut the fuck up...yes someone can steal your confidence— you give more love than you get in return and thats a fucking— only I can get it back. You can help or you can keep fucking running your mouth. For real just shut up and be grateful I didn't have the confidence to leave you nor the heart to hurt you a long time ago. And again read above and see what Keith has to say.

I am sober you self righteous fucker. And I miss you Sio much and I love you and I want to feel your body on mine.

I just want to feel you too. Desperately.

So tell me you love me and will never give up on me. And I'll tell you I'll never stop trying to be the man you need me to be. Please lets build each other up with confidence and love and not pick away at each other with resentment and anger.

Ok you are right. I love you more than anything and I will NEVER give up on you. Please don't think that when I get mad I am done. I'll never leave. We were brought together and bound forever.

YES - but let's not be bound in an endless fucking fight over nothing but pride. I love you forever which makes the prospect of feeling like this so horrible. And I can't stand not having sex with you it literally drives me insane.

I am feeling that too. Come home soon?

You are in NY?

Dec 13, 2018, 1:09 PM

Yes I came to NY as I told you I was to meet with Doug Brinkley about a job which I desperately need. Thanks again for your support.

Sorry for sarcasm . Yes I'm leaving back for plum island now just spent 5 hours with Doug and they were the most productive 5 hours in 2 years. I live you and hope that you're missing and loving me.

I do, sorry you never mentioned ny. Glad it went well. Love you

You never mentioned NY at all. Hard to believe.

And now no answer.

Dec 13, 2018, 4:16 PM

??

Maisy didn't getting to Penn and I've been dealing with that because he's hysterical and so please I'll contact you when I have a moment I'm trying to fix but obviously was a major screwup

I'm sorry about Maisy. Where are you? NY I assume?!

Forget it.

Justify it how you want.

I'm out.

Because hallie you have no patience. I wasn't absent for fucking 3 months not answering your phone calls. I was absent 1 hr at most dealing with something. And b/c I'm really sad first of all and annoyed that I have to defend myself to you of all people makes it even harder to deal with really awful situations. For that reason you're out? And you call me irrational and irratic. Maisy can't stop crying.

Then maybe you should be with her rather than in a hotel in nyc

What the fuck are you taking about Hallie. You're an asshole I'm headed to. Boston . Why do you do this. I had a meeting with a guy that is one of the most important writers of the last 100 years and he wants me to take over the JFK library and wants to help me write a book. And he has two income sources he thought of that are real and exciting. So really please give me the benefit of the sound for My need to be here. He flew to NYC from Austin just to meet with me- I was honored by it and it always a great day until Maisy. Can you know that I want to be there. That I want to be with you always that I've a really rough week with the times article this money problems and you talk to me when you want to be mean but never when you could be supportive. Please stop I'm trying maybe not well enough or my best but I'm really trying

Dec 14, 2018, 7:00 AM

I can't stand you right now but god I miss your touch and your face

Why hallow are you so mad Hallie

Dec 14, 2018, 9:13 AM

Because you should be doing everything in your power to be sober before anything else. If you are not able to do it on your own then you need to go away. You still want to do it your way - which isn't working - time and life are passing by.

Dec 14, 2018, 10:31 AM

You're right Hallie and I find myself (because I've chosen to alienate all my friends and family and employees and you and the kids and my kids etc..) very alone in dealing with rebuilding an income that can support an enormous alimony and my kids costs and myself, dealing with the aftermath of the abduction and likely assassination (that's what NYT's suspects) of my business partner the richest man in the world, the arrest and conviction of my client the chief of intelligence of the people's republic of China by the US government, the retaliation of the Chinese in the ouster and arrest of US suspected CIA operatives inside China, my suspected involvement in brokering a deal with Vladimir Putin directly for the largest sale of oil gas assets inside Russia to China, a tax bill that Eric left hanging over my business and

And Dads running for president

And finally your conclusion that you your kids the family my friends have lost all respect for me and therefore owe me nothing until I can prove to them that I'm sober and deserving of respect trust or common courtesy.

If you focus on sobriety - full focused sobriety, everything else will fall into place in your life. It will all become manageable as they say. You have spent months partially working on sobriety and the result is that life is still chaotic and you still aren't completely sober. It's not about proving you are sober, but living sober.

Hallie I really do love you but you're really so insanely arrogant and unwilling to see that my client

Arrogant?

Dec 14, 2018, 1:16 PM

You have been in Boston over a month. If you are not 100% sober, then you need to recognize that you need inpatient hunter.

Dec 15, 2018, 11:18 AM

How many of those charges should I let go through? I need the amount. I think they put through more then once

How many?! What is the total amount?

Ok I see above. I'll take care of it

Nice catching up with you, I guess you needed something and that was it

You haven't called me or answered and only sent mean texts

I've been dying to talk to you about a bunch of stuff

"I can't stand you right now but god I miss your touch and your face"

I've FT you earlier on multiple phones

Hallie I have two phones [2022852473](#) sorry left in truck dead, and 552 and I've had it next to me and computer

Im sure its me

I am a pain wit phones

But I assumed from the tone

True

Of your texts

You obviously decided again to shut me out and do your ting

Dec 15, 2018, 1:34 PM

No one is shutting you out - you choose using over me and the kids. If you really wanted to re-engage in a life with us, you should resolve to go to inpatient. Because your way is not working. Time and life are moving on hunter. Everyday you decide to try it your way is a day you aren't with us. That's why I'm angry.

Dec 17, 2018, 4:53 AM

I know this is a hard time for you too. But I just was hoping no matter what we could be supportive and non-judgmental. Shutting me out is a poor choice of words I guess. What I meant to say is that tomorrow is probably the worst day of the year since Beau died. Its a really stark reminder standing next to Mommy, Caspy and Beau's graves that it's just me and my now 75 year old father. Please don't respond to this. I know that you want to say that I'm not alone and that I choose this or that or drugs over...well it is a fact that my mother my sister and my brother are all dead. Oh Hunter is so dramatic. I know Hallie it's all just drama to you. Regardless, please just keep your sanctimonious misconstrued recovery bullshit to yourself. You're way with me is not working Hal. Im tired of not and never having had a partner who would just say no matter what come home and be together over these days. Im tired of wanting something that doesn't exist and never existed.

What can I do for you to be supportive. I always love you -more than you know

I'm coming home and I can't even come to hold you and give the kids a kiss. I hope you enjoy Miami. I hope you can find enough compassion to let me go sober or not. I don't want to love someone like you. And I don't understand how it is you think your actions equal love. They never feel like love. It doesn't look like love. I've told you a thousand times what I need from you and a thousand times you say what can I do and then you do the opposite. None of this is your fault Hallie. I don't blame anyone but myself for falling in love with a person that never existed.

I'm really not happy that you are in the house. You are making this really difficult for me - I don't want you using in the house. I think you should stay at your parents if you are staying in DE. You always leave shit everywhere and mess everything up, go through my things, and cause problems accusing me of things that aren't true. I can't have you in my life and in the house if you aren't sober. Whatever you are doing in MA is not working. You need inpatient. You don't see yourself - you are floundering and lost, indignant on doing it your way, unsuccessfully. It is up to you now, you can't ask me for help if you only want help under your terms. I love you and so want you sober and to be a part of our lives. But I don't want it like this.

So please, get to your sober inpatient today. Call your dad and have him take you. If you are not going to get sober today — then please go stay at your parents house. I'm saying no to my house hunter. Please respect my wishes. I'm going to have my parents come over to straighten up and close up the house until I get back.

Dec 18, 2018, 9:45 AM

Ok Hallie I love you

Dec 18, 2018, 10:45 AM

Dec 19, 2018, 10:36 AM

Thanks for that Hallie. I have some pictures to send you- should make you feel as good as that made me feel. And fuck you with your only you can ...your a joke

Then I won't send you anything anymore

No Hallie that's not what a good person would surmise from my feeling like that was another one of your public shamings. A good human would send a note saying we miss you so much and send a picture of themselves so I could feel as if they cared

Why I even waste the energy trying to teach you how to act like you give a shit about anyone but yourself is beyond me. You'll never grow a heart.

Dec 20, 2018, 10:49 AM

Hallie I realize how difficult I am. I know it's impossible to be with me if I'm using. I know it's my problem alone. And I am responsible for my sobriety. I'm responsible for my choices and the consequences are mine and mine alone. You are right about that.

I'm also aware that for the past few months since I relapsed after my 13 days inpatient and 3 days with sober coach—-/ I haven't found something that will work.

I am responsible for that too.

Will you try inpatient please?

What are you responsible for Hallie? It's not my problem really

And then come home to us and I'll help you

It's doesn't have anything to do with me being sober or not

It only has to do with me irresponsibility loving someone who never existed. It was an idea that I formed in my imagination.

Bullshit

You aren't responsible for not. Ring who I want you to be.

You never were and you never will be.

You are choosing using over your family

What I now know is that I am choosing using over the reality of you.

Thanka you

I that's true.

And you chose using and people and things over the real me from the start.

I am not who you want me to be. And never will be.

Tbats ok

Isn't it ok that I realize you will never be who want you to be.

I can't be who you want if you not sober

I can't live a person who finds comfort and intimacy from whomever you're sending those pics to...I don't want to live a person who in all honesty says I'm sorry David was there at a time when you were not...I understand why you do the things you say you don't...but why not just let me go.

You won't be whom I need in my darkest moment but I'm to believe you will if I do what??

Anyway you go do you as you've always done and I'll find my way as I've always done.

One thing though Hallie : if you keep turning Natalie against me - I'd could care less about your anyone else except Hunter you will truly either break me or make me a very Strom and vengeful man. Try to remember that.

Hunt, you need to get sober and come back to reality. Then you can decide if you love me anymore.

Hallie I have just found so many reasons not to love you that

It is even penetrating

My drunk mind

You are right

This is insanity.

I should have just left it alone

Yes it is

No point in discussions any longer till you get sober. Your choice.

Yes it is

I've chosen

Goodbye

So I guess you are leaving me and the kids again to continue addiction.

Im not leaving the kids. Stop saying g that Hallie. Im leaving you. Not for addiction. Im leaving you because I don't love you- this or that or any you that ever really existed. I have so many reasons to leave you. Don you want me to share them with you. Shall I share them? Not the kids Hallie.

Fine, be mad and disappointed in me hunter. Take no blame for your actions.

I take all the blame Hallie. Your a one trick pony. Same nonsensical bull shit every time. Who is blaming you for anything? I'm telling you I'm not leaving kids I'm leaving you. Not because I'm an addict. I'm leaving you because you're an insensitive self absorbed unloving egotistical liar. That's my problem. I fell in love with that somehow. You've always been that. I'm to blame for believing otherwise. That's me taking blame Hallie. You of course are to blame for nothing. Who can blame someone who really has no conscience.

Does this mean you are not going to get sober?

iMessage

Does this mean you are not going to get sober?

Forget about me then. You still have to get sober hunter.

I've forgotten and my sobriety is none of your concern obviously. Going to a dressing room and send someone naked pics of yourself — it will make you feel better.

Actually it may not if you look at the pictures.

If you are done with me then stop trying to hurt me. Let me be so I can be a good sober parent for Natalie and hunter.

Dec 20, 2018, 5:59 PM

You hurt?

Why?

How's you're night going? I'm Just about finished with my night.

Dec 20, 2018, 7:20 PM

I still love you desperately and tragically hunter.

Dec 21, 2018, 3:50 PM

Tragically? Yes it is. A tragic ending to a lie. I never knew that's what you meant all along. You've made it through one brother. You'll make it easily through this brother.

I'm sorry I am causing you pain, I don't mean to. I always love you. You are on my mind every minute of the day. Please do your best to get sober hunter. I'm here if you will still love me. You can decide that later.

Dec 21, 2018, 5:37 PM

I've already decided. Maybe that's what you don't understand. I'm never surprised when I find you sending nude pics to whom ever (never me). I'm never surprised when you choose sissy or Robi or Ashley etc...over me. You always will choose contentment over commitment . You tell everyone how much you love me but then you're openly disrespectful. I've grown to not expect loyalty from you. But there is a level I won't sink to save your soul. Pure open aggressive contempt- and lies and hypocrisy and manipulation. I didn't sign up for that. My life is worth more and my love is invaluable...it's actually a love so big even you couldn't sniff it out. I don't know where I'll go or what I'll do but your completely insincere and empty apologies mean nothing — I learned that a long time ago. We you ever even my friend? Did you ever have any respect for me Hallie. I did for you. And everyone said ...I didn't listen I thought I could change you into... o did t even know. So keep loving. Your love costs you nothing. It's like kicking a ball down hill. You can see if rolling and rolling but it has no meaning to it. What does your love for me mean Hallie. You seem so expressive with those I'll never know. Maybe I'm so wrong and this is actually just pure cruelty rather than incapability on your part.

"Can you imagine you best friend sticking up for you even when He knew you were wrong. That's me that's what you missed. Well tell me..." that's a quote from a song. And that's what if for you- but never do you do for me and you never will. And we all need to be loved that way at sometime. I could have given you the security you need. I begged you to lick me to your hip. I would have loved that. I told you a million times how easy it is to make me feel your love and a million times how much you hurt me when you do the exact opposite. And first I was a overly sensitive Johnny drama and then it was my delusional thinking and now it's I'm a disabled drunk who knows nothing.

Dec 21, 2018, 7:47 PM

Fine hunter.

Dec 24, 2018, 11:34 PM

Nothing I guess Hallie. You're so certain that I have nowhere else to go no other options no life beyond the little bit of affection you give when youre out of whomever youre getting from at the moment. I admit Hallie you have a way of making it seem like the world ends without you but with every disrespect and slight you deliver me I become more resolved to remember that if not for one moment of weakness... so Hallie the choice is yours from here on out. You can either fight me on my right to be with the kids or you can have a modicum of decency and stop this charade of yours.

I don't know what to say anymore hallie. You don't respond to love or anger nor hurt or anything. I spent the last 4 days in agony doing this alone and I did it and you act as if im an intruder you show know emotion but contempt and suspicion and you never ever at least acknowledge that once again I have been a victim of the most incredible coincidence. What sobriety cures that Hallie. 4 days off crack and you say I smell like alcohol. Thanks Hallie. You aren't alone Hallie. You've never been alone. Good for you. It feels so warm when you say "but Ill always care for you." Here I am trying to figure out a way to explain to my children why I gave up our lives together for you but you never really intended to give up anything at all. You backed away the moment we became public. At least that's what I thought at first. Then I realized you never actually went all in. From the beginning -you do remember how this started- you took all that I could give and always had reason not to give the same in return. I wasn't fully divorced. Do you know why do you realize why I gave her everything. So it would be done and over and we could be together. Do you know how it felt when the newspapers said we were together and you told your friends to say that it wasn't true? You actually said "don't tell anyone anything, don't confirm anything" to Paige and others. That hurt beyond hurt. You "relied on David when I wasn't available. I was in fucking outpatient and coming to you 3 nights a week just to sleep in your bed and turn around in the morning. Most the time I got there you were drunk and David was just leaving or in the blue room. And I was sober and tested daily. Do you remember the first time we used together Hallie? I do. Do you remember when I went to AZ and got clean Hallie? And you came out to get me. Do you remember when I ddi 5 days of Kombo HALLIE AND YOU LEFT ME TO GO USE AND NEVER PICKED ME UP LIKE you promised you would- I was stranded at the bridge for 11 hours- I went all the way back to 95 and that bridge was closed I was in the car for 16 hours after 9 doses of combo 2 double doses of Ayuwascha and then he gave peyote!!!! You swore you were coming for me. And you are his friend- you lie to me about him? There is no one to blame Hallie. There is no blame in your world except for the blame you have heaped on me with every counselor and friend and family member. I will never blame you for my addictions. But I will blame you for being selfish and hurtful and for lying and withholding from me. I will blame you for being amazingly unhelpful and ungrateful and disloyal. You fucking went to sissys wedding without me. You should be ashamed of your self. But instead it all comes back to my addiction. But hallie there is nothing I just wrote above that is cured by sobriety. Yours or mine. Not a single thing changes any of it. So tell me Hallie 'im 4 days I'll be 6 and then 16 and then 40 and 3 months. What changes any of t.

R up

Can icome over

Just got up. I'm so glad you are here. Yes

We have to bring over hunters chair

Ok please don't break me anymore than I am today .ill be gone soon enough

Will you come here now and help me bring over gifts? The truck would be good for hunts chair. I will be delicate and loving, if you let me love you

Yes? I'll bring my car too

Dec 25, 2018, 8:27 AM

I came home to pick up gifts for my family and give your girls time to say goodbye.. call when they leave and I'll come back and we can go to my family if you will.

You suck hallie

You really suck

Why would you just walk out

And not say goodbye to me or anyone

I wanted to give your girls time to say goodbye with out me standing there. I told Nat and hunt to tell u I'd be right back, getting gifts for my family

And how do you think it possible I show up at your parents for Christmas when I'm not allowed on vacation or in your house alone. What planet do you live on

Everyone just wants you - sober. Why are you putting this on me?

Text me when your girls leave and I'll come right back

Hallie is putting on you the way you treat me. Why should I be allowed to Christmas when I'm not allowed on vacation or alone with the kids or in YOUR house. Regardless of what anyone wants you're the only one who insists on me being banished.

I don't want you banished, just sober

Semantics- banished until sober by your standard alone. Still banished.

Not true

Dec 25, 2018, 11:21 AM

Hi, where are you?

I'm going to go for a run, lmk if you get THIS text

With whom and when and why did you go on vacation again w/o me. Why have you told me nothing about it? Why? Why? Why?

Oh my it's again and again the same question. You don't listen to my answer. BECAUSE you cannot be a part of my life unless you are SOBER. And you weren't sober.

Where are you? Are you coming to dinner at my parents, just us and Liz and kids

Dec 25, 2018, 3:39 PM

Come on we're eating

Coming sorry fell asleep

Dec 26, 2018, 11:30 AM

I'll make your sandwich - and rub your feet and give you love when you get back

Dec 26, 2018, 1:48 PM

Are you in bath? Lmk if I can bring you anything.

Yes I am

Want anything? Or are you relaxed

I love you.

Dec 26, 2018, 4:06 PM

Are you ok? Where are you

What did you say to my mom?

Why hallie?

What purpose does it serve?

What are you talking about??!

What did you tell my sister?

What are you talking about?!

You're telling me you said nothing to my sister or my mom or my aunt or my cousin about me.

About my sobriety

Or lack the rot

Of

Seriously?

Seriously

They know what they see. I'm not doing this.

Mom just ripped me

Did you say anything

Not from me

At all

That's a lie

Where are you

We can talk if you can be calm here.

You just lied to me flat out

Again, I'm not hiding anything for you. You didn't call the girls back, no one knew if you were coming in. I'm just now another excuse for you to point the finger at. Don't blame anyone for anything but yourself. We are trying to love you and support you. If you think I'm going to lie to your family, then you don't understand what I'm saying.

I told your mother that I don't want you staying in my house unless you are sober. And that is true.

If you get angry at me or anyone then you are in complete denial of what is going on.

If you want my help and my love then come home and let's get a plan together. I'm not going to discuss who said what about your sobriety.

??

I want you're loyalty first. You can't possibly think that confiding in my mother without letting me know would in anyway be helpful. Not a single person in the world would support that idea, you can't possibly think that not letting me know you did that and then lying to me about it just now and then justifying it because you love me would in any way be helpful. For what purpose would you ever say that to lily mom except to antagonize me? Do you think she has any credibility with me? Any love? I didn't call my girls back because they bought a \$4000 gift for Kathleen on my credit. I'm pissed and it's none of your business. I tell you I want to plan that I'm open to going away and you do this. Fuck you hallie you clearly are either a moron or you simply want me to say one more time I'm finished with you.

No hunt, I'm not going to be the person you blame. I want your sobriety first, then you will receive loyalty. I can't count on you for anything until you are sober.

And now I assume you are not going to get sober and it's my fault?

Never blamed you never said my sobriety is your fault or responsibility.

Just wished you would not work against me

My mother

I'm not, I promise.

My fucking step mother

You can't possibly think that would be a help

As I open up to you

I went to ask dad for the money to go to rehab

I didn't say anything to your mom today

Good then what is the problem?

And to tell him I want to get sober and teach at penn

Good

And you fucking sick my fucking idiot my mom on me

Then stop accusing and blaming everyone and let's do your plan

No I did not hunter

And you're not a friend

Oh come on

You're not loyal

Enough

And. You never will be and never have been

Yes you did you asshole

Enough of blaming and getting angry at me and your family for YOUR lack of sobriety. YOU ARE TO BLAME, NOT ME or YOUR MOTHER or ANYONE.

No blame Hallie

Then come home now

Where fucking are you?

Are you at a bar or are you waiting to buy?

And now you are not answering my calls?

We are back to the same cycle again

We are back to the same cycle again hunter. Call me now please

and a drunk addict. And then I ask you for 3000 dollars for the deposit and to drive me and you won't unless I go the only two places you know I won't go. What a fucking awful fucking person you are.

You are a broken record

I cannot wait to date someone who actually has a brain and heart and loves me

Call your parents

You are a broken 45 year old CUNY

Fine. Call your parents

I've talked to my dad you stilly whore

Stay out of my family business

Ok then I'll leave you alone.

My step mother is not involved and neither are you

Leave me alone because I left you Hallie

Not because you're boring and tired

Only because you're truly a manipulative bitch

Why don't you call my dad and tell him you wouldn't help me do what you wanted me to do

TJ

Timber

I don't even know the names of all the people you fucked at the beach

And Justin and mike and Todd and his brother and the 20 Loosers you slept with in college

Why wasn't it so obvious that you got a gonorrhea test because you've had it before

Why wasn't it i in IOU's that the fucking whatever you put on mummy Dick went away when I stopped fucking you

You're so easy to hate

You tell me there's only one way for me to get sober when. I've been more sober and clean in my life than you ever will. It took you over a year of trying to get a supposed 4 month. You 100% committed to 1 year of after care and testing and you've broken that promise. You haven't made me a part of any of your recovery. You lie to everyone and say I'm the problem and blame me for you failings as a mother and human being when in fact you're the one who took full advantage of being a ducked junky whore who said whatever you fucking did with my best friend. And you get what you fucking wanted and still you sit there in judgment and and doubt. Well fuck yuh for never being a friend Hallie. What is this love you say you have for me. It's absurd I've been so concerned about saving someone who doesn't want to be saved . You just want to be given what you want when you want it.

How about this in may

I've been waiting for the woman I thought I fell in love with for over two years. I've done the work I've changed behaviors I've given and given and given. I am not waiting anymore. I am not going to be prescribed another solution to your problem with me when you will never make an effort and never have to address or even acknowledge my problem with you.

I deserve someone who respects the man that I am. Whose respect is obvious to everyone because of the actions they take.

Are your actions in regard to me respectful. Do you honor me every day by the way you treat me in front of others or when I'm am not present.

You know that you don't. Not in words not in action not in emotion. You've made it clear over and over and over.

I've refused to see that I've refused to understand that you saying you love me has never meant that you will respect me. Not as a co parent not as a partner not as a lover even.

I don't want to be disrespected anymore Hallie. And Hallie what does that waiting look like for you. When you so obviously can fill the void of my absence with the likes of Daria or David or whom ever my be on hand at the moment it means very little to me.

I'm heart broken but I'm not going to wait any longer for what I don't even want.

You should respect this however Hallie- know that I will not allow (and you may smile and smirk as you do) you to continue to demean me the way you do. You may think you've seen the extent of my anger or frustration Hallie. But I'm certain you've never seen me dismantle a human being with a dispassionate precision that there is no recovering from.

Dec 28, 2018, 5:08 AM

Ok hunter. Am I your excuse again and reason for not getting sober? For not going to rehab? What are you doing? What do you think the kids will think now of you? You can't continue this insanity any longer.

Dec 28, 2018, 6:50 AM

Hallie what I'm doing or not is no longer your concern. I'm going to inpatient despite your selfish bullshit idea of helping while you try and sabotage me. You're not a friend you're not family you're not worth the time it took me to type this. You're a sad silly person with no credibility with me. Go fuck your self and or one of the 50 guys you've fucked in a 3 mile radius of your tired old ass.

You know I love you

Im sure you do in whatever way you seem to think love is. its not a love anyone wants Hallie. And youpüre beyond the age of fucking people to make them believe so. You're a well dressed older women at an aa meeting for some stupid boy who will regret it the moment he sees you undressed

My only insanity was this relationship you manipulated me into.

You need serious help from professionals

Over a long time

Time isn't your friend though

Go look kin the mirror

I'm going to a woman's meeting. I love you hunter. I'll take you if you'll let me.

You are literally the last reason in the worlds I would walk across the street let alone change my life right now.. youre not only the least helpful person in my life youre the most hurtful. You go on sucking your away through your little existence,, it will be the same as always,, find another man to sap the life from. Youre like an unsuspecting insect that gets trapped under the skin and bleeds you dry before you ever realize the fat tick in your hairline is killing you.

And I do mean killing. I d mean sucking the life out of me and the person I loved most. Do you think in anyway you've been a positive force in either of our lives,, name the way you showed resales love. It certainly wasn't any way either of us kn ew love.

No Hallie I asked you to take me yesterday. And you wouldn't

Go do whatever you sadly call a life and leave me alone. Leave my green bag outside the door

And mice my things to momoms. At least the stuff that you haven't already ruined

You are such a child

Hallie you are a moron. That is truth. And you really need to tell me what VDs you have hallie. Seriously! Obviously gonnorea But what out that lesion on my penis.

I hope you will love me again one day. I will be here waiting for you, like it or not.

I hope you will be honest one day

For you sake not

Dec 30, 2018, 6:34 PM

There is nothing more to say or discuss. Please don't contact me again.

What are you talking about leave me alone idiot im sleeping for pasta 14 hours

I don't want to have any part in your life. And you will not have any part in ours. You just called me twice. Please don't contact me again Hunter.

If I did Hallie it was by accident I assure you. And as for "our" life you're insane. You're using. Im in a 3 month program that requires testing everyday with 10 sober men 4 counselors and a medical staff. You are a liar an idiot and the notion you can keep me from. My brothers children sober or not is a delusion al and obviously drake ad counter productive thought. Hallie I just had a discussion. With someone whom reminded me of the rasons Beau didn't want to marry you. Because you were a coke whore sleeping your way through his friends in Wilmington. So really pease go get help. Im not your savior anymore. Im getting clean and uyouрте still that same dirty girl you always were.

You called on 2 different phones 15 min ago. Accident or not, don't call or text me again. And don't come near my house. I'll send your things to your parents. I don't believe anything you say anymore. Don't respond with absurd hateful ridiculous accusations. It's enough abuse. Just end contact with me and I will do the same.

I did not Hallie. You will do what I asked you to do a Long time ago- April- and think thats some mind of threat or punishment- well all I can say is thanks I guess. And if you didn't read texts above I don't care what you do going forward you're toaltaly completely irrelevant to my life. I don't care what you think say do sleep with snort smoke drink pop. Thats you're life not mine and why you think I care what you think is really a product of delusional thinking.Keep these coming though it's cathartic for me. I won't see or be a part of Nat and Hunt's life. Now thats a truly silly notion that I hope you seee as bad parenting and something that will make you feel as weak and small as you actually are because unless yeti move to the moon and even not there how do you think youre going to stop me Hallie.

Dec 31, 2018, 4:09 AM

Hunter, Being in NY and with your truck (Detox and Sober house or not) is far from inpatient treatment. Inpatient is what I asked that you do, to do ANYTHING it takes to get sober so we could be a part of your life again. You chose NY your way. That same plan has not worked for you in the past and it won't work this time either. You have access, triggers, woman, and god knows who and what else at your disposal. It is your choice. My choice is to not have you in my life anymore. I won't be mean or angry, I just want nothing to do with you anymore. You have become a person that I don't want to be with, can't trust, and don't understand. I wish you well and hope that you find sobriety, purpose and happiness.

Dec 31, 2018, 12:46 PM

It's hard to understand why you're so mean. But I'm still not immune to it for some reason. It doesn't feel like there is any nor was there any love from you. After detox I have daily testing in a full on rehab daily. For three months. You have no idea where or what I'm doing to heal myself with more professional support than you've ever engaged. And in 30 days I can move to a sober living community in Philadelphia. You've done nothing wrong you're always right and you love me. Right Hallie isn't that what you say to me over and over. I still love you Hallie for whatever sick reason I don't know why. When I'm out of detox I'll give you the number to call for my everyday test so that when you doubt what I tell my family and in particular Natalie and Hunter you can have verifiable evidence. I'll give you the contacts that will tell you why from their judgment this is the best course of action for me. Anyone can talk to them for that matter I don't care. I'm in rehab Hallie. I'm being tested daily. You never gave me any of these reassurances in any of you're many aborted rehabs. You and I both know that Beau wouldn't commit to marrying you until you stopped doing coke with Johnny and the MAC Weymouth crowd. We both know you smoked pit and wasted completely four years of college. And we both know that you drank to excess and used drugs with David and sometimes your sister to excess from the day beau died until now. I was at least 75% of the time in either inpatient (Caron) daily testing (3 times daily through a remote breathalyzer) and Kolmac from 2/1/16-5/30/16. We both know that you with you in your presence alone relapsed each time. We both know you've never gone inpatient more than 10 days. And we both know you've tried really hard and I don't just hope I pray and. I cry and I feel guilty and ashamed of my role in any of the pain you've felt. For you to continue to be so mean and caustic and shaming and hurtful for you to say to everyone how much you love me and then say the things you've said above just makes me feel helpless and alone when again because it's what you said I have to do I've gone away and I have quarantined myself just makes me feel even more helpless and alone.

I'm sending this to my mom dad and sister with your texts preceding so they know why it's so hard for me to believe there is any love in you: you can do the same I'm so sick and tired and just want them to fucking take my phone and lock the door and never open it again.

And I don't have my truck they have keys I don't know where they parked it and cleared out and uncle jimmy is coming to get. Why are you so awful to me.

Im sorry I called you an asshole.

I understand youre feelings.

I love you

I'm so happy of you my love.

I was trying to say that the kids could be a bridge to healing this family rather than be used as pawns in all of our resentments and understandable hurt anger towards one another.

I know you are right. I'm just tired and cranky

Why stop Natalie from doing the right thing? Even though Kathleen has done the wrong thing?

Goodnight my love

Im proud that you've raised a child who's first instinct was to check on her aunt. I've not done as well with my children.

You had time to send and read that stupid article

I'm sorry your feel slighted. I am so proud of you but Please don't put guilt on me. I am supportive but I'm not here at your whim or beck and call. You are there to be sober and work on yourself. If you have free time then do things to work on you: paint, write, catch up on emails from the foundation, go to meetings, talk with Keith. Don't make me feel guilty for not FT showering with you. I have many many needs you have not met yet - and I know these things take time.

Jan 16, 2019, 12:31 PM

Fuck you Hallie I mean it. You have not idea. I just took my first flying lesson by the way went to meeting with bob do9d transfusion ands took drug test now im going to meet Keith. So fduc k you— Becky and call and whim— topic call me omission g your body and se3x with you selfish

Fu

Thats how people think of me hallie? Really? Well you win again hallie thats most hateful thing you ever said at the worst time for someone you know is dying for love to be whole again to not think that this is all not worth it. Thats the meanest thing I could imagine. coulode you say that if my brother was standing in. Front of you Halle - I wish you had when he was alive because he would have figuratively smacked the pebble you call a brain. Out fo your head. No actually I think he would have literally punched you in the face gone inside taken his children and told you to go fuck it was you were fucking then

I'm only saying that anyone's view of you is on you, not on me.

Really hallie just picture saying that to beau about me say out lous=d and know that he's listening to you. You push me over the edge to him every day I try.

You stupid cdunt.

Just leave me alone

he wants me to hate you as much as he does right now

Then you are obviously misleading him

I mean ut youve made me wonder once again why I am even here

For yourself and your kids! Not for me

Just get yourself well - I think it best we don't communicate.

'Get on the phone with Keith and I never misslg to reed beau in my life. i dont want go be in. The world you describe the one in which you make clear I have nothing to return to- not my kids because I chose you not my friends because I chose you and ow not my dignity because I told you I choose you and only you ever

Pick a time to speak with Keith hjallie

I won t stay here or anhere if you don t

You just made me feel smaller than ive ever fetl

Hi I really want to be kind and love each other as much as new do today with no resentments and no blame and no anger —only pure love. Just today please.

Can we do that can I call you and tell you how I miss you and how I know you miss him and how I'm sorry I'm not. there for you. I do love you so Hallie. I was telling Keith that the reason. I m so turned upside down and madly desperately in need of your affection is that despite all of the shitty things ive done or the ones I've imagined you doing there tis no one that I want to be with every day than you. I have more fun and love more l. A day with you than anyone in my life. I hope you can receive this as it's intended my love. All love today at lest please talk to me call me let me know how you are. I miss every single piece of you.

There is nothing I would love more as to have you hold me and comfort me and me for you. I know this is a terrible day and time for you and Im sorry we can't be there for each other. I know talking starts sweet and tender but quickly turns south. I just can't talk to you at this time, im sorry. But know you have my heart and you are on my mind, always.

Oh hallie please my love I promise I won't

Cant you trust me that I wont and that I need your voice son much today.

You can take about n nothing

Just today won t say ford.

No I'm sorry.

Baby come o please read above and know the truth oi that and for this one day

I hope you understand how I feel

All love and trust and compassion

I dont at all

Not on this day

please Halle

Please respect how I feel.

Hale ill keep asking that you show me your love so I =can show you mine. I am clean and calm and need the on e person I want the most. I always respect you I just dont understand? Explain and maybe bi can not feel so saddened by your decision.

Hal?

Hal please honey. Just want to hear your voice. Know that you love me. Baby im begging you im here coxing the work and im Lon ely and especially today.

What time are you coming here

Feb 3, 2019, 6:35 AM

Looks like you are having company, I assume that text to me was an accident..

Yes my sober buddy Bobby McIness. We are going to get breakfast then go to a meeting. He has peripheral neuropathy and his hands a feet have been in pain and hard ton walk so ive been driving him around in his car to doctors appointments the last 3 days. You seem so intent on making me believe im not only not worthy of your love but that im keeping things from you and therefore oiling. Id love you to know my days.

*lying

I'm glad you have support and that you are helping support a friend.

Im sick of your sarcasm and lack of any compassion on this day. You wont communicate with me except to be condescending and flippant on a day that is very difficult as im sure it is for you too. I asked just ton hear your voice and you with no explanation refuse. but you have time to accuse me of what I dont even know. Does that seem healthy and sober in the center of the program to you.

It was sincere

sure Hallie really seemed sincere - the way you would speak to the person you purport to love so much. I told you about BOBBY THE 3 DAYS YOU DEEMED IT OK TO SPEASK TO ME. Please dont keep pushing me in. =to the ditch you've dug for me. I can dig my own ditch just fine.

This is why we shouldn't communicate - I was being sincere. I know it's a hard day, it is for all of us. I'm taking kids to ccd. I'm thinking of you today.

"Looks like you are having company, I assume that text to me was an accident.. " t

Sincere how

What were you sincerely trying too tell me there

Hallie.

Stop. I will not respond if you attack me. It was sincere.

'You are purposely being the opposite of love right now

Sincere about what Hallie

Sincere about observing I had company coming over/

I'm not responding anymore, it never goes well. You will get through today.

'What's your point maybe just didn't get it.]

Thats because Hallie you really need to stop and see how you do this every time. I'm upset b/c you wont talk to me on this day with no real explanation. And then you write which by anyones account (ill ask everyone here how they read it) a snide text implying that I was having company when I should probably be in inpatient. I am sincerely cerertain that is what you meant. And the comment on support is a direct reference ton that last time you spoke to me to say exactly this:

"I'm not telling you you have to go 30 days, read the text. I said if you need support (that I can't provide you but you are begging me for) then you should be in a place that has 24 hour support."

so Hllaie in all sincerity hope you can respect the truth of this— you are a bundle full of esenntments towards me and that is why you always act so counterproductive to my sobriety and do so seemingly with intention over an over again.

Please Hallie just love me and say I support you hunter off course you can hear my voice

Please don't call or text me again. I will not be the recipient of your anger and blame.

Hallie what anger and blame

Really I'm fine

I wanted to tell you how much I love you

This morning that's all

How much I care and only want you

I'm sober but that's not enough for you right?

I just don't know what more I can do

Really Hallie this is anger:

That's not anger nor blame Hallie I love you

I love you hunter, you know that. Please leave it at that for now.

Whatever you say Hallie. Whatever you want. And whenever you want it. Let me know when you deem me well enough to speak to you by phone hopefully not another year of being excluded. Ill be as obedient as I can muster and follow your direction. Maybe we should just never talk again that would solve this problem of me reach ng out with liv e you rejecting that love me becoming upset and a angry of =ever the inexplicable rejection and you then poi ting to my anger as evidence of my lack of sobriety.

Or instead of pushing me and met talking g again we could try something new, which tis inclusion and love and never rejection nor isolation. We haven't tried that yet in full or even part. So you choose hallie.

And really hallie what the hell does the mean:

I love you hunter , you know that, lets leave it at that or now. Really what in gods green earth does that even mean hallie.

Because once again it seems as if youre truly intent on pushing the same buttons over ad over again. (I love you Hunter...)

I love you hallie. I want you to let me back into your life. We need each other. I need you to be my friend my lover my partner. I won't a cent the notion that relying on you and relying on me you somehow wrong. There should never be a time in which we can not will not choose not to "support" one another. You don't want you to leave rehab early every time you went nor iop. I argued against you leaving. But once you did I did not say "you cannot be a part of my life. I can't support you or see you or talk to you."

I need your love hallie not the word. I need you to show me like I've shown you. If you have decided that you can not give me that or simply will not show me love even though I'm clean then at least just be a friend knowing that you love me but not the kind of love that requires anything but hope and sympathy but not support and empathy.

I love you desperately and tragically. You have to get well. I sacrifice my want for you in hopes that you will get better away from me, because I know I am no help to you. Don't you see that?

I miss you touch, I miss my best friend.

My only love that I will ever love and have ever loved- I want you so desperately to be proud of me to be my partner to be my truest love. I won't ask anything of you except please let me be a part of your life no matter what. I see how much I've tortured you. I see how hurt you are. I am so sorry that I was not stronger.

I need you hallie. The only thing that makes me want to just give up is the idea you think you're not god for me. I only ever want you by my side.

I promise to try my best and even better.

Can we start slow and just text once a day to say -
You are the most incredibly gorgeous woman I've ever know. Or will ever want.

I know you are trying, I love you for that.

I dream of you and only think of how you hold me and touch me

Ad make me feel whole

I so miss your touch, your smell, your skin.. I feel like I am torturing myself trying to stay away from you

You are

Maybe 1 time a week

We have sex

Please be safe..and honest and humble. I can't take your anger it makes me run away

No more anger

I see what I've done

I'm DYING to touch you

And I so regret it

You are my love there's nothing you can e er do

To make me not love you

Same with you my love

Let me love you

I still believe it would be so so helpful for you to do 30 days inpatient - with no distraction, just getting you stronger..

I will do that if you promise to

What?

Let me be a part of your life

Yes yes yes

Ok Hallie I will do it - but if you shut me out and refuse to allow me my hurt and embarrassment if I go and you make me feel as if I'm wrong for wanting to know how you're day was what's you're recovery like where you're going on vacation without me.

It will kill me. I'll die inside.

I'll do everything I can to be loving and supportive

Leave the door open

Are you here?

Will you go to inpatient tomorrow? If not, I think we should hold off on seeing each other.

Good bye hallie

I'm confused

Unreal

Again an ultimatum

No but I guess we see things differently

How honey . Yes I'm going tomorrow. I wanted to see you once before I went.

But again your conditions

Your I'll love you only if

No, I thought we were coming to an understanding together

I'm begging you

You are turning on me again

To understand that every time you say I'll love you only if

I die

I'm not sweetheart I promise

Please just trust that I will do what I say I will do for you

We have repeated this scenario so many times

I want to hold you before I go

I am going tomorrow

Of course I want you! Come!

Related what honey

I've never not done what I say

I was just asking for reassurance and an honest commitment

Please

Be understanding of me!

Please

What time can you be here?

Promise me no arguing no blaming no anger

I can't wait for you to crawl into bed with me

Feb 7, 2019, 9:02 PM

Can I come visit you?

Feb 24, 2019, 7:01 AM

No more

Can't you see ghow the double smack would make someone sane and sober or not want jump off a bridge

Is that what you wanted me to do

Is that why you called to let me kn ow I am all the horrible things they say and more

If you want me to come I will.

I want you to do what you do best...protect yourself with the narrative of how I alone did such horrible damage to you the kids and all those around me. While you martyred yourself to save me.

It is your choice if you want me by your side.

By my side? What so you can o ice again push me in front of the train? N fuck that.

No one is pushing you in front of train, that is addict thinking

No Hallie that is sober realization. Being by your side is like being a human shield - like bee ng a sacrificial lamb to the legend of the lie of ahallie.

You don't seem able to see things clearly yet, maybe we shouldn't talk still

I won t do it anymore.

You stand all e and see how much this doesn't land on you hallie

Ill do like you doe

Ok if you think it is me that is bringing you down then I'll stay away

Anyone asks about how awful a druggy youve always been—its not place to defend you

How many people youve slept with

Well the truth is the truth

I'll stay away from you and I won't reach out to you, you are talking insanity again

How terrier le a mother youve been

'How much mo new youve wastyeed

How ...

Thats not my place to defend you hallie

Ok I'm done, sorry. I'm blocking you

What do you have to be afraid of

Block away Halle

Youve once agin tasken. Me right out of the good place iw was on

Insanity

Jesus

Listen to this Hal and tell me who is I insane

The only thing I'm afraid of is you.

Thanks hallie

For everything

Ill stay sick for you if it makes it better for you

Ill take all of the vitriol and b lame and pain and

You can sometimes tell me you like me fucking you

Thanks hallie.

You write this

But say the opposite

Youre so duplicitous

You tell me ive done irreparable damage yo

"Your children and you and mine and my family" that should be my focus. And youve done nothing wrong. I am so done with you hallie. Goodbye forever. And goodbye to all of you. Youre a HEARLESS PERESON.
