Nat your mother is perfect and I mean that with all my heart and soul. I choose her over everything no matter what she chooses or why. It's me that has to change and be a better person for everyone. She is right she is always right and don't forget that. I'm not daddy and will never be as good as he is but I do love you and hope you know that I try every day even though I know I don't try hard enough to give you or anyone what they need and should have from me. I promise to keep trying but you have to promise me that you will give your mother the respect and love she deserves from you. I mean this she loves you and hunter more than life itself and would do anything to make you happy. I'm trying honey and I'm sorry I've not done enough to make all the angst go away. Your mommy has tried to make me a better person and I obviously make it so hard on her. She's never done anything but love me and I'm the one who has made it so hard on everyone. I'm trying Nat but know I love you all so much. I hate that you're scared of me. Or worry about me. Don't I'll never leave you.

Natalie Biden

Sorry Natalie. I hear you. I know this is a horrible horrible and traumatic moment. I wish I could be with you to tell you it's all going to be ok. The truth is you are going to be OK. I'm positive of that. But I am also certain that to treat you as if you are not a much hurt angry confused sad as I am at least is wrong. So wrong.

I am going to look at bording school because that is the healthiest thing I can do for my self ,, if the both of u do not support me I will talk to pop and he will get me a ssat tutor and he will take me to visit the schools and take me to my interviews and will help me apply and if u still don't support me and " won't pay twition " I will figure it out that will not stop me,, Anouther reason that I want to go is I HATE EVERYONE IN DELWARE EVERY ONE KNOWS EVERYTHING ABOUT MY FAMILY , EVERYONE ONOWS WHO I AM I CANT TAKE IT&& and I want to meet cool people,,because I am way cooler than everyone in de😏😏😏😏😏😏😏😏 I hope u both support me and help we will the process which everyone that's going into my grade has already started. Hey Nat it's all going ro be ok I promise you. Your mommy will do anything for you —!that is good for you. She loves you and trusts you and worries about you and believes in you more than anyone ever could. I'm so sorry I have made it so hard for you and Hunter. I just love you so much: I will be with you anywhere you all decide to be.

Natalie Biden

I love u both I just want to be cool

I am one of the most we known people in de but I just want to be cooler

Love you Nat but let's get a grip — I'm way better known than you and I'm not even allowed to go The Buccini's. Who cares what people think of me. It's not a reflection of you.
