Aug 3, 2018, 2:00 PM

Hey babe I just got home and took a shower just wanted to let you know I left I had to come home.

But I would love to come back and see you if you want me to

I'd love that if we can all agree just fun fun fun. I'm so tired of (not you) people just so blatantly taking Advantage. But be cool if you'd come hang.

Honestly babe the problem is you have too many girls there. I understand you like a lot of girls but that's fine do one at a time at the tops to Which is fine but just hire the second girl for like 1 hour

Sorry I'm not trying to tell you what to do here. But you even offered me more money this morning and I didn't take it or ask and trust me I needed it. But I like you I think you're a great person and we are very similar and have a lot in common

I definitely saw it yesterday and you're right people taking advantage I even feel bad for bringing that girl. Do you want me to come over? I will call a girl over there I know we'll have fun with us and get down. Please tell me the truth if you feel that way about me

Yes I do want you to come over but with the confidence that with me it's not an either or for who stays and who goes. This is not some game of "survivor" and the Wimmer is the most unlucky. I need someone who can talk to sense to everyone

Aug 3, 2018, 6:34 PM

I don't think it's a game babe. I UNDERSTAND. I will come over and have some fun with you babe okay? I definitely want to suck that perfect big dick again and I want to ride you backwards wow someone else rides your face

LMK eTA

Aug 7, 2018, 8:48 PM

Babe this is just roasted I just got stuck at Walmart first so fucking wrong and I have to pay to Uber back and it's going to be a lot of money because my ride left me I could not find a USB C charger for nothing. I still haven't made it to the smoke shop I'm hoping I can make it to one before they close

Okay sweetheart but I have all the things you just asked for here FYI

Hey babe don't you need a pipe and chore? I am so stressing on that right now I got your DayQuil already

Yes- I thought you were going down and coming right back up

I was supposed to but I wanted to go with him to make sure he got the right thing, last time he brought me some shit that was not right I gave him 50 bucks to be stranded at fucking Walmart I am so fucking pissed off right now I'm so sorry I will try my hardest can't I get Brillo pad from somewhere else? Or does it have to be from a smoke shop

Aug 7, 2018, 10:44 PM

Can i come back now babe

WTF babe where are you

Z baby I am so sorry listen I'm not trying to take advantage of you but I spent all of the money that you got me on black. I really needed it and I also went to Walmart and bought some things. But I wasn't able to get a pipe anywhere is there anywhere else I can get Brillo pad? I will do what I can babe I'll spend the entire night with you if you want but will you please please pay me more money please don't think I'm taking advantage and if you say no I'll still come over. I like you a lot Hunter and I really understand you and see you in a way I feel that others don't. You're amazing person inside and you have a beautiful heart

I need more chore boy but regardless come back and yes

Baby tell me where to get chore boy in besides smoke shop

Any grocery store or your best friend who you went down to lobby to see and come right back up 6 hours ago.

Okay listen I went to Walmart to get needles babe I never made it to the smoke shop so I need to go to the grocery store get Troy yes it was 6 hours ago I was stranded at Walmart for 3 and then I took it over home and I've been here putting shit away ever since I'll come back babe don't worry I will leave shortly but I really need to get groceries for my house

Ok dude they sell chore boy at Wall Mart too. No issue except you said you would be right back up.

No you were on the phone so I couldn't talk to you before you left I told her that I would be back in a little while okay I apologize it took so long, do you even want me to come back now? I feel like you're mad at me

Whatever babe are you coming or not?

Hi Ann, my fucking ride and still isn't here can you please get me a Uber?

Never mind you just got back with the car babe I'm on the way if you want me to come still

He just texted and said he's pulling in right now

Okay babe I'm on my way be there in 15. Okay?

Dude are you coming or not

Oh my God this sucks okay listen I'm not coming okay the miscommunication and lack of responding to each other in time is really making it difficult for us to see each other. I told my ride you weren't responding to me so we decided not to come but maybe he is still here so if you want me to come just say the words and I will be there I will pick up your Brillo pad right now but please respond to me now and tell me that you want me to come because I do not want to go in there for no reason

Come here please for the 50th time come back here please

Yes / no

?

Aug 8, 2018, 4:51 AM

05819529

Thank you so much for responding now I will gladly come back babe but I'm going to try and stop and find some of that stuff that I was supposed to get you in the first place but the shops all close at 9 p.m. babe that's the problem I got stranded at Walmart so sorry

Babe what aisle would they have the brillo pads on? Like what would that be with?

Sorry this is taking so long I'm on my way

That's why it's taking forever I got the Brillo pad with no stem. Did you want me to stop at the store and see if I can get this done or not? I've already stopped by two places and they were closed but either way I'm in the car on my way right now Uber

Please stop Cheryl. Being ridiculous. Your stuff is here. I'll leave it at baggage claim.

Ok your right there is literally no excuse for taking this long I I'm so sorry because I certainly didn't mean or any of this to happen the truth is. I am not in control. I am stuck with my FUCKING x boyfriend and he is extremely abusive and that's why I left him but he doesn't let me leave him he swears he's my boyfriend still. I should have never ever left.your room today. He keeps saying we are you going to Caesars I'm trying not to let you down like this but yet he won't let me leave. Im scared of him. 9

So what do you want me to do Cheryl?

I want u to forget I even said that. I am very sorry I never even tell anyone that. But I can come. I just need to pick up this Western Union from my daddy for \$30. Bc I literally have no money to my name and I can't take it over so I'm just going to jump in the cab the second I get this money if you give me till 7:30 either way I'll understand if my stuff is at baggage claim I'm very sorry and embarrassed and I Western Union right now I'm right down the street from the strip right on Flamingo and Maryland

I'll fucking meet you with money honey but this is ridiculous

The sad thing is this is my life. I'm slowly getting away from him, huge step was getting this apartment I know it's ridiculous would tell me what you mean when you say you'll meet me? I have your DayQuil and brillo pad but the smoke shops don't open yet

Whatever dude I'll leave your bags somewhere

Im here

At the dop?

Door

Dude

So don't come up? I know last night was seriously ridiculous like there are no words I'm so sorry babe.

Fucking for the last time come here

6780

Now

I am on the elevators coming right away

He doesn't wanna give the \$ back bc she made him drive too far

Wow wow

I'll never EVER associate wirh her ever again.

He wants you to get the shit because he drove hella far out here

He will come back with ithy

This is a message is causing such a teen can I come upstairs? Or should I stay down here? He's trying to walk away with the money

Baby this is crazy the guy is not wanting to get back the dope because he was going to use that for hundreds of throw in on the ounce because obviously he is broke and needs help with his reup money she tripped out of his two people that she doesn't know came down. What should I do? I will do whatever you say right now I like this is crazy and fuck this girl fuck this girl dude I'm so very sorry for calling her I should have never done so I certainly didn't think she would get the money upfront honestly but they are still down here I was going to come up with you while they're down here but I guess I'll leave?

So it's up to your friends if I come back or not? I hope they like me enough because I would love to come back and spend time with you I mean that! Like I really really mean that

Honestly I really need money really bad I was hoping that you would get all your money back from her so you could give me money like I'm sorry babe but I was with you all day I know I pulled some fucking crazy shit last night I accidentally but I didn't mean to

Okay listen if they won't give the money back to you want me to go on this deal? That's the best I can do I think I don't know what to do right now but I don't want you to lose your money of course and if he's refusing to give it back then if I go on the deal then you will definitely get your money right? Talk to them see what they want to do and I don't mind doing that just let me know what I can do

Aug 8, 2018, 11:39 PM

Hey where did you hide my stuff that was in that glass you brought up and the money in the wallet

Baby please let me come upstairs right now I guarantee I will find every single little thing for you okay just I want you to search me and know that I don't have it please let me help you and I will leave right away I already have a ride waiting for me okay babe

Cool with me . I wasn't causing you

Just can't find both thingsz

I just want to hug you look because I know for a fact that I brought that up stairs I also know for a fact I didn't take anything and I know that your true friends and not take anything so I know it's up there that's why I want to come help you find it do you want me to come up or no? I'm not sure what you meant by you were not causing me

Okay I'm coming up to help you look right now okay

I'm at your door right now I don't want to knock again because if you don't want me to I don't want to be here :(

just let me know okay sweetie you would never have to tell me to leave more than once if you don't want me here I would not take it personal but what I do worry about is leaving then shit bein missing.

Erica saying he's going to have Keaton take over and whoop my ass because I haven't given him any money from you yet. Anyways babe I was told you found your things, I'm going to go home first tonight because it seems that's what everyone wants just know that I really really love spending time with you. I hope that you you're not mad at me for what happened today with that girl, I honestly don't even know what happened down there or what the outcome was. But I am so sorry babe I wish I could come in right now I'm outside your door but I was told that you guys found everything so I'm just going to leave
