Ur a rude, mean, spiteful man. I really am so disappointed in you.

You make me feel like giving up on everything. I don't want to be me anymore.

Know that you did this to me

I don't know what I am going to do.

I feel like giving up and hiding.

You made me push out everyone I had in my life before u came along

I am emoty

I am a shell of who I was

I fucking hate you

I'm so embarrassed to go home

I don't know who I am anymore

You taken all of it out of me

You childish SOB
