

Wanted to tell you how much I appreciate everything you do for my family. The fact that you went over my house to help lilly was such a thoughtful caring thing to do. You know lilly and liz adore you, not for all the things you help them with but because of the kind of man you. Anyone who truly knows you, knows about your goodness. I'm hoping soon the kids will get on their feet and you will have less stress from everyone. Thank you Hunter, I only want some piece of mind and happiness for you. Actually I want it for all of us. Love you, Mimi

Don't know what happened but I'm going with what your idea is until you tell me different. If you need to talk I'm home all night.

She's not answering her phone but I think she's at the club and can't use her cell phone. I'll try again around 8:00.

She sent me this after asking if she could speak to me last night then when you called her she said why are you calling me and hung up.

"Your behavior confirms that Natalie should only come out their with your father."

"You are sick hunter. Abusive and sad."

"I miss you, not this evil person you are now but the real you who would never treat me or anyone this way. You have mentally and physically abused me hunter and I'm finally getting myself together. "

"Wake up hunter. You have physically hurt me many times. I won't tell anyone but you know the truth. Unless you are completely lying to yourself about who you have become."

I am I. California because she told all of you I was her addiction she was the reason she was sick and if you removed me from the house she would be fine. She told me then I couldn't be around "her" children. So what choice do I have Mimi staying in arms length of Natalie and hunter while she is in Rehab but suffer the humiliation of not being able to be with them. So I left for California and she left Caron early and I told her and everyone not to go to DE the kids are away it's a long weekend and you will be all alone with no accountability. No one listened and she relapsed NOT by my hand the very moment she was home and lied to everyone.

We do know that what you said did happen. Right now she is doing amazingly well. Step back and let's hope she has truly decided to live a different life. Now it's your turn, we the people who love you will always be a part of you. Yes our hope is that you will want to follow Hallie and turn your life around. You are not happy, you're sad and have so much anger. Why not give it a try again, take some steps to change your life. I know it's easy for me to say but you are hearing this from everyone. Knowing you since you were a child I'm convinced you can pull yourself out of this mess. You are kind, loving and would do anything to help your fellow man. I can't say that about many men but I can always say that about you . You have so much goodness, so much love in you. Please, please calm down and think about what your life could be, remember we will all always be there for you. Love you, Mimi

In the meantime Mimi I am deprived of the true motivation. Beyond myself to do what ive proven I can do time and time again. The only mess in my life right now is that Hallie and her 12 days of recovery (and I hope she is sober) truly does says and acts in a way thhe opposite of love. I am told to leave you are attold ive abandoned her, I am told I cannot see nat and hunt them you are told how munches she only loves and wants me and I am told I have been physically and emotionally abusive.

Is that the love I should fight for. All the words she tells others and than acts not with love but with Prue anger and hate.

Mimi if she doesnt change he about nat and hunt being allowed to be around me with or without Naomi dad you ron or Jesus Christ I will never forgive her. It is intentional cruelty almost as cruel as telling Beth to to invite us because of me— according to Bernadete- who has what reason to lie? Cruelty is then going there 3 days later knowing I still was not welcome.

Cruelty is telling me that what she needsto invigorate this relationship is a guy friend...her words..."like David was before you ruined that."

Im simply not understanding what its is that you see as love.

I hope she the drug she got before I was ever a part of her life and still gets on her own now.- her hair dresser of 15 years is her source by the way.

* beats the drug
