THE AFFAIRS BIDEN WITH CCP (Englishi)

- **Host: Lu, Bo, Ai, & Guan**
- **THE HAMMER VAULT**
- **Hunter & O on surveillance camera**
- The left media CBS, NYT, WaPo have reviewed the Hunter hard drives. What will they do?
- According to theAmericanReport.org, the FBI and DOJ buried evidence incriminating the Biden family in 2015. The evidence compiled by the CIA includes 47 hard drives going all the way back to 2003 as part of THE HAMMER VAULT, which may have been passed to US adversaries including Russia and China.
- Lude reminds his audience that Joe Biden shared the identity information of CIA informants with Xi, who subsequently killed 36 of them in China.
- The CCP has infiltrated the FBI, DOJ, and CIA to suppress the truth about COVID-19 and Biden hard drives.
- Trump hints at firing the FBI boss.
- Twitter employs Chinese citizens with F1 US visa to censor contents.
- Miles Guo published an email exchange among Ja Yaoting, Wang Xing, and Hunter Biden. Ja was working on self-driving cars at the Time. Wang Xing is the illegitimate daughter of Wang Qishan, China's vice president.
- On 16 December 2013, a week after Joe and Hunter Biden's visit to Beijing, BHR was incorporated in Shanghai. Hunter purchased 10% of BHR on October 23, 2017 and was a director until April 20, 2020. Current BHR's assets under management are worth \$6.5 billion. One of the major shareholders of BHR, Bohai Capital is the private equity arm of Bank of China International.
- Lude shows a photo of Hunter and Obama in the Oval Office. The photo was taken on April 4, 2016. What is special about the date? What did they discuss? Who took the photo? Lude says the photo is from Hunter's laptop. The "unnamed" tags in the photo suggest that it was taken by a surveillance camera with facial recognition capability.

Communist China Fake News

10.26. BHR (Boai Harvest RST) shut down its website: “www.bhrpe.com”

The website of BHR (www.bhrpe.com), which was involved in the Hunter Biden “Three Drive Gate”, can

no longer be reached, which shows that “The website is temporarily inaccessible due to traffic

exhaustion!”

Editors Comment: BHR, why did you do this? Do you have dirty money with Hunter Biden?

10.25 @People’s Daily, China: China to sanction US businesses and individuals, including Boeing, Lockheed Martin and Raytheon, over arm sales to China’s Taiwan, FM spokesperson announced Monday

Editors Comment: Doing business with the Communist Chinese is like making a deal with the devil. You seek his profit, he wants all of your money. If you seek his wealth, he wants your life.

Did you work out today?

“Dear fellow fighters, did you work out today?” Almost every video broadcast of Mr. Guo Wengui (Miles Guo) since 2017 has greeted his followers with this phrase, which has also been deeply imprinted on the hearts of the Whistleblower’s Movement supporters.

Fitness is something that Mr. Guo Wengui has been advocating and encouraging all members of the [Whistleblower's Movement](#) to participate in since the beginning of the Whistleblower's Movement. Mr. Guo Wengui sets an example by following a step-by-step, structured workout. Frequently, during his opening remarks of his live broadcasts, he is engaged in exercise. Over time the phrase "Did you guys work out today?" has become a most frequently searched internet term, and is frequently used allusion to Guo Wengui among followers of the Whistleblower's Movement (especially among followers within the walls from mainland china). Mr. Guo Wengui is also known as the "North American Fitness Trainer". Mr. Guo wants to encourage his followers to keep fit. I hope that my followers will be strong enough to face the new China without the Communist Party," says Mr. Guo.

For several years, Mr. Guo has been keeping his followers physically fit, and listening to the news about the revolution has also been keeping them mentally fit. When the Chinese Communist Party (CCP) collapses and the flag of the New Federal State of China stands on the land of China, the followers will be able to take up the responsibility on their shoulders.

Mr. Guo reminds those who are not ready to begin their preparation, and those who are, to improve their physical, mental and spiritual strength to fight the Communist Party.

Miles Guo is a CCP spy! These “leaks” are a fucking joke. The CCP has a spy office in the Bank of China headquarters in Trump Tower. Trump has a fucking China bank account and withdrew \$15 million from it in 2017 that WE KNOW OF. Goodness knows how many more millions Trump is taking from the CCP from other avenues. WAKE the fuck UP! This entire site is a fucking CCP propaganda op. Only MORONS believe this shit. Do any of you dumbshits really believe the “New Federal State of China” is anything but a CCP op to discredit... [Read more »](#)
