EXHIBIT I – FINANCIAL PROPOSAL FORM

NATO UNCLASSIFIED - COMMERCIALLY SENSITIVE

AMENDMENT RECORD			
REVISION / AMENDMENT	PART / PARAGRAPH	DATE OF ISSUE	REMARKS
1.0		03 May 2010	For release of RFP

1. Please refer to the attached Excel spreadsheet and complete the price proposals as per the Exhibit 1 Part 2 Priced Bill of Services.

2. NAMSA/NATO may require the Contractor to cover additional costs during mobilization or later. For example, the contractor may be required to implement utility lines that may be currently a NAMSA responsibility. In such cases, NAMSA will reimburse the Contractor at cost plus the flow through charge offered by the bidder in Exhibit I Part 2 Priced Bill of Service. The purpose of the Flow through Cost is to cover all of the Contractor's costs i.e. mark-ups and management fees related to providing this service.

BIDDER CERTIFICATION OF BID/PROPOSAL

The following attests the proposal is authorised by the firm and the person signing has the authority to commit the firm to implement the contract as proposed should the bidder be selected for contract award:
