Reference: NAMSATM-I Contract 4600001334

Subject: Request for Quotation, dated November 19, 2008, for Additional Services and Equipment for Direct Line of Sight (DLOS) Requirements in SOW Rev.1.3.

Dear Mr. Akalin;

1. ManTech Command Control Systems Corporation (ManTech) respectfully submits our firm-fixed price proposal to provide two (2) highly-qualified candidates and required equipment in response to your Subject request for quotation.
2. The firm-fixed monthly prices for Mr. Alan Darbyshire and Mr. Mohammed Haseeb are identified in the following Pricing Table. Their Curriculum Vitae are presented in Attachment A, Technical Response.

Pricing Table for Candidates - RFP NTM-I Add-on DLOS

Description	Period of Performance	All-inclusive Firm Fixed Price Monthly Rate	Period of Performance Total Cost
CLIN 001 Alan Darbyshire	15 January 2009 – 31 October 2009	\$28,162	\$267,539
CLIN 002 Mohammed Haseeb	15 January 2009 – 31 October 2009	\$16,808 * discounted rate	\$159,676
Total Labor Cost	15 January 2009 – 31 October 2009	\$44,970.00	\$427,215.00

*** Discounted Rate**

The firm-fixed price monthly rate for CLIN 002 is \$33,617. However, ManTech is pleased to propose a heavily discounted rate based on the availability of a lower-priced, highly-experienced and currently available candidate, Mr. Mohammed Haseeb. Due to the place of performance being located in a highly hazardous, hardship area, if Mr. Haseeb should need to be replaced, ManTech cannot guarantee to continue charging the discounted rate.

3. A detailed equipment list is presented herein as Attachment B, with a firm fixed price total of \$13,684.54. This price includes flak vests, helmets and armor plates, but if NAMSAs prefers to provide the protective gear, ManTech will reduce the equipment list price accordingly.
4. Please note that ManTech's rates, as well as any other information contained in this document, are to be considered "Commercial-in-Confidence."
5. The pricing information submitted herein is in compliance with ManTech's policies and procedures and remains valid through 31 March 2009. Additional price detail and analyses are available and will be provided, if required, to support fact-finding, audit, and negotiation. ManTech has taken no exceptions to, nor deviated from, the terms and conditions of the solicitation.
6. In accordance with the treaties governing the terms of business with NATO, ManTech has excluded from its prices all taxes, duties and customs charges from which the Purchaser has been exempted.
