Volume discounts

The bidders are invited to offer a "Volume Discount" in case the annual temporary manpower workload forecast, indicated in Part 4 of the contract, is exceeded:

- between 0% and 25%:%
- between 26% and 50%:%
- between 51% and 75%:%
- between 76% and 100%:%
- above 100%:%

The volume discount shall be offered as a discount percentage.

The volume discount will be calculated retro-actively on the total volume turnover during the past contract year at the end of the first quarter of the following year.

A credit note should be sent to the Contract Technical Officer (CTO), indicated in Part 27 of the contract, within 30 days after the end of the first quarter of the year the volume discount was calculated.
