Dear Mr. Outram:

The purpose of this letter is to inform you that ManTech International Corporation has created a new legal entity, ManTech Global Services (MGS) to establish and operate a Branch office within the Kingdom of Belgium. Although ManTech Global Services will be reflected on future agreements, please rest assured that all ManTech points of contact and their contact information will remain unchanged.

In keeping with this move, we will introduce NATO unique Terms and Conditions which will be more appropriate for foreign business.

Additionally, to operate within the Kingdom of Belgium and to be compliant with Belgium laws and regulations, ManTech Global Services will be required to follow more stringent reporting requirements. To ensure a smooth transition to ManTech Global Services, we respectfully ask that the following documents be submitted to the undersigned no later than 14 January 2008.

- \*VAT Registration Number

- \*Copy of Limosa Declaration Certificate (L-1 Form)

For more information on the Limosa requirements and to complete and submit the Limosa Declaration, please visit the Limosa website at [www.limosa.be](http://www.limosa.be). We realize that some of the above information may not apply to you individually. If this is the case, we ask that you inform us of this fact and state the reason for the exemption. Should you have any questions or require further assistance, please don't hesitate to contact us.

Again, our transition to ManTech Global Services should have minimal effect on your day to day operations. We at ManTech are dedicated to providing exemplary support service to our consultants and our customers.

Kind Regards,
