

Medical Release for Barry John Schubert

This form is to certify that Barry John Schubert is medically fit to work under NATO duties in Afghanistan.

Medical Requirements:

Since NATO support in theatre is limited, Segovia Inc. shall be responsible for ensuring that the nominated individual Barry John Schubert is medically fit. Personnel must be capable of performing their duties in challenging environmental and working conditions, with extreme temperature ranges and long, STANDARD working hours that are up to 12 hours a day/7days a week.

All on-site personnel shall have completed all national medical formalities prior to departure and hold current medical certificates.
