## “The Biggest Drop Ever”

An overview of stirring revelations  
made on the Internet in the fall of 2017  
Version #7, December 3, 2017

## Foreword

The reason for making this book is to present a chronological account of what is either the biggest intelligence drop from the U.S. government to the American public ever, or the longest lasting “LARP” (*Live Action Role Playing*, aka prank) on the 4chan message board, ever.

As all of this evolves, it is clear that whoever this Q character dropping this info may be, his statements, questions and insinuations paint a compelling picture: a world about to be released from the grip of a global cabal that includes corrupt politicians, CIA, banker families and royal dynasties.

If this is all fiction, it still makes an incredibly gripping spy story - definitely worth a read. If true, however, then the whole world is at a giant crossroads.

It was my intention to compile screenshots all of Q’s posts so people would not have to spend hours wading through the overwhelming flood of information, spam and (sometimes obviously intentional) disinformation on the 4chan board.

I’ve edited this in a print-friendly manner and laced Q’s messages with a selection of tweets and headlines of relevant real-time events.

When reading this file, pay attention to the timestamps of the messages. Q’s messages are screenshots, and the timestamps are the local time on the computer the screenshot was taken on. Some user comments included are from across the ocean, so time (and even date) may appear not to match, but they do.

A legend of abbreviations used by Q can be found on the last page.

Enjoy the read!

# Quick Rundown

On October 28, someone who named him/herself Q – and who appeared to be a high level government insider – began posting a series of intriguing messages on Internet message board 4chan in a thread called **CBTS** (*Calm Before The Storm*). Q claimed POTUS was being protected by the Military because the CIA, FBI, and Secret Service are all corrupted. Q began posting series of questions, where each question is often either a hint to the next question or an answer to the previous.

The intelligent and systematic way in which Q posed his questions, caught the attention of many /pol/ users. Especially when some of the things Q hinted at or even predicted, became true...

1.) *“Friday and Saturday will deliver on MAGA promise”,* Q says on Oct. 31, mentions *“cleaning house (gov’t).”* On Nov. 3 he asks *“Why did JK travel to SA recently? What is SA known for? Where do the biggest donations come from?”* That weekend the Saudi Arabia purge happens.

The arrested Saudi Princes are the people who fund Hillary Clinton, the Clinton Foundation, and own Citigroup (who basically picked Obama’s cabinet). Saudi assets were frozen.

2.) Oct. 31: Q said billionaire George Soros is targeted. Nov 3: Howard Rubin, fundmanager for Soros, is arrested for human trafficking and violent rape.

3.) Unverifiable claim: Tony Podesta indicted Nov. 3, Huma Abedin 6th. They weren’t arrested, but indictment does not necessarily equal arrest. About a week later, however, newspapers reported that the Podesta Group was shutting down. Tony goes missing.

4.) Q said on Oct. 31: *“Any person stating they won’t run for re-election, has been put in submission.”* Ten days later FOX News announced *“40 politicians not running.”*

5.) Q said there could be social media blackouts, *“but don’t worry.”* Later, Trump twitter goes offline for a while. The 4chan thread has also been under attack, has been flooded with spammers. The thread even went missing (error 404) at some point, was back up the next morning. Q said that the thread was being protected, though attacks would continue, and they have.

6.) Over 840 sealed indictments were issued in the 12 days after Q’s first announcement. Indictments are publicly announced on government websites. The normal procedure is to name the cases in the format plaintiff vs. defendant (e.g. Waldorf vs. Stattler). Sealed indictments are numbered but nameless, and are usually issued when criminal networks are being rounded up.

Total number of sealed indictments has since risen to over 4,000.

7.) Q sent two photo’s taken from an airplane, one from a city and one from some islands in the sea. Anons (anonymous users of 4chan) identify the locations on the photos and their time stamps and they seem to match Air Force 1’s trajectory, meaning the photos were taken from inside AF1 during POTUS Asia trip: Q is on board. (/pol/ is notorious for their simply impressive “capture the flag” operations targeting Shia LeBoeufs Anti-Trump flag - suffice it to say they know a thing or two about identifying locations!).

# Historic Setting

During the presidential campaign of 2016 it became blatantly obvious that the MSM (mainstream media) had abandoned any semblance of neutrality and basically functions as a mouthpiece to the Democrat Party. After the election, the same media ran a non-stop campaign against the 45th president with its “Russian collusion” hysteria that has been going on for over a year now, while being unable to produce any significant evidence. That 1500 human trafficking/pedophile ring arrests were made in the period shortly before/after Trump’s inauguration somehow escaped their attention completely.

2016 was also the year of the *pizzagate* scandal: allegations that Comet Pizza Ping Pong in Washington D.C., run by James Alefantis, was a cover for a pedo-ring. Pizzagate was promptly dismissed worldwide in the MSM. Even the major European newsoutlets ran extensive stories announcing that all of it was *fake news*, period. Five minutes of online research however, will quickly reveal images snatched off of Alefantis’ (previously public) Instagram account. And these are disconcerting to say the least, if not downright alarming: a photo of a naked guy writhing on the floor covered in what I assume is fake blood, pornographic images with slices of pizza, various pictures of babies and toddlers with comments like “#Hotard”, “I want one” and “#Chickenlovers” posted next to them, photos of a “killroom”, someone showing off a home-made metal coffin the size of a small child, etc.

Yet none of these troubling things got any mention in the mainstream media. They ran to dismiss the story right off the bat - all of them. Except for Ben Swann of CBS46 in Atlanta. After reporting on the potential scandal on live TV, his Facebook account of 428,000 followers was wiped clean (!), his website taken down, and he didn’t appear on the air for a week.

But it doesn’t end there. Tony Podesta, brother of Hillary’s campaign manager John Podesta, seems to be good friends with Alefantis. Alefantis catered several pizza-parties at Tony’s house. Tony, art collector, seems really into artists who work around child molestation (such as Biljana Djurdjevic and Patricia Piccini, some disturbing stuff there). Then there is this heavy accusation in a 2011 tweet by (now dead) Andrew Breitbart: “How prog-guru John Podesta isn’t household name as world class underage sex slave op cover-upperer defending unspeakable dregs escapes me.” Heavy accusations indeed.

Put one and two together and you may not have proof, but enough to raise some serious suspicion.

One more thing about Alefantis: how does running a “kid friendly” pizza joint get you listed as *one of the top 50 most powerful people in Washington* according to GQ magazine? Isn’t Washington full of powerful people? Don’t let me drag you into a conspiracy theory, I’ll let you make up your own mind.

Note: Person in picture may simply be a random customer at the pizzeria, what is disturbing is Alefantis' comment.

Mockingbird  
HRC detained, not arrested (yet).  
Where is Huma? Follow Huma.  
This has nothing to do w/ Russia (yet).  
Why does Potus surround himself w/ generals?  
What is military intelligence?  
Why go around the 3 letter agencies?  
What Supreme Court case allows for the use of MI v Congressional assembled and approved agencies?  
Who has ultimate authority over our branches of military who approval conditions unless 90+ in wartime conditions?  
What is the military code?  
Where is AW being held? Why?  
POTUS will not go on tv to address nation.  
POTUS must isolate himself to prevent negative optics.  
POTUS knew removing criminal rogue elements as a first step was essential to free and pass legislation.  
Who has access to everything classified?  
Do you believe HRC, Soros, Obama etc have more power than Trump? Fantasy.  
Whoever controls the office of the Presidency controls this great land.  
They never believed for a moment they (Democrats and Republicans) would lose control.  
This is not a R v D battle.  
Why did Soros donate all his money recently?  
Why would he place all his funds in a RC?

HRC extradition already in motion effective yesterday with several countries in case of cross border run. Passport approved to be flagged effective 10/30 @ 12:01am. Expect massive riots organized in defiance and others fleeing the US to occur. US M's will conduct the operation while NG activated. Proof check: Locate a NG member and ask if activated for duty 10/30 across most major cities.

Open your eyes.  
It finally came out that Rod/Bob were key players in the Uranium scandal.  
Don't you think POTUS would be tweeting about removal given clear conflict.  
Why did POTUS meet Bob under the cover of FBI Dir interview?  
Bob is unable to serve as Dir per the law.  
Gowdy comments on Comey (history will ....)  
POTUS has everything.  
Not everyone is corrupt (fewer than you think).  
Follow Huma.  
Operation Mockingbird.  
Priority to clean out the bad actors to unite people behind the America First agenda.  
Many in our govt worship Satan.  
Not about Republicans v Democrats at this stage.  
Where is HRC?  
Why is the NG called up across 12 cities?  
Trust in your President.

Some of us come here to drop crumbs, just crumbs.  
POTUS is 100% insulated - any discussion suggesting he's even a target is false.  
POTUS will not be addressing nation on any of these issues as people begin to be indicted and must remain neutral for pure optical reasons. To suggest this is the plan is false and should be common sense.  
Focus on Military Intelligence/ State Secrets and why might that be used vs any three letter agency  
What SC decision opened the door for a sitting President to activate - what must be showed?  
Why is POTUS surrounded by generals ^^  
Again, there are a lot more good people than bad so have faith. This was a hostile takeover from an evil corrupt network of players (not just Democrats).  
Don't fool yourself into thinking Obama, Soros, Roth's, Clinton's etc have more power present day than POTUS.  
Operation Mockingbird  
Patriots are in control. Sit back and enjoy the show.

Follow the money, it's the key.  
What is Pelosi's net worth by way of one example. Why coincidentally is her memory apparently going?  
Cover for possible future indictment to plead what?  
What if John M never had surgery and that was a cover for a future out if needed against prosecution?  
Why did Soros transfer his bulk public funds to a NP? Note this doesn't include massive slush funds that are pulled by several high ups.  
Why did Soros' son have several meetings with Canadian PM and how is that related to Clinton's?  
Can you rely on being able to board a plane and fly away?  
Why is MS13 a priority \_ nobody got this.  
Could people pay such gangs to kill opponents and why / how to insulate against exposure?  
The truth is mind blowing and cannot fully be exposed.  
Also many are thinking from one point of view, US only, this evil is embedded globally. US is the first domino.  
Have faith.

Why wasn't HRC prosecuted for the emails? Put simply, Obama ultimately OK'd by using the non govt email addy to communicate w/ Clinton. Obama also had an alias along with each of his cabinet members. Therefore indicting HRC would lead to indicting Obama & his cabinet etc which could never happen. Remember he lied about knowing but that ultimately came out in the dump. Poof!

RE: Military Intelligence / State Secrets  
No FBI  
POTUS installed his people within each top spot at each 3 letter agency except 1 (good reason there as Adm R kick started this and scrubbed all POTUS nominations to verify oath).  
Do you think they aren't in control of those respective agencies?  
What is most valuable?  
Information  
AG Sessions on leakers.  
Fire or prosecute?  
Reorg is underway and happening.  
Coincidence Senate Republicans pushing for Fed Judge confirmations last week?  
Why are Senate Republicans dropping out? Not by choice and were offered a choice (rest assured they will vote pro Trump).

Projection

D's can't lose control over the black population.

At some point the great awakening will occur whereby these false local / national black leaders are corrupt and paid off to help keep the black pop poor and in need.

D's formed the confederate states against freeing slaves.

D's formed the KKK.

HRC's mentor is who?

What happens if the truth about Haiti is released? Do D's lose majority of the vote?

Through the looking glass.

They rely on the MSM to keep the narrative going but tech is entrenching on their controls. They missed this in 2016 and desperately attempting to censor now due to CIA cash infusions. This will fail.

Remember, the FBI, and MI, have an open investigation into the CF. Why did Comey drop this? Who was the FBI director during the Haiti crisis? How many kids disappeared? How much money sent to CF under disguise of H relief went to H? What countries donated big money to CF and why? How much was owed by accepting? When she lost how would this be repaid? What did Obama do with cash just prior to leaving office? Repayment to those who donated for favors/access? Dig!!!! Again, good people were forced into bed with this evil under personal and family threats. Could you live with yourself helping to cover up such evil despicable acts if given a safe way out? Manafort was placed into Trump's camp (as well as others). Above is reason why the shills are sliding. In case you didn't know, shills log and send new info back to ASF for instruction. They use a 5 prong pre packaged injection (one post auto generates four more at random designated times). Common drive of posts they all tap into. Since they misjudged the influence of the MSM they are aggressively looking to censor throughout major platforms in exchange for CIA slush funds and WW access for expansion of said networks. Everything they do has been forecasted and prepared for.

Note MI has the same SAPs as NSA, CIA etc as designated post 9-11.  
 Why is this relevant?  
 Who can be held hostage and controlled?  
 CIA thinks its foreign offshore assets are strong enough to defend against the US executive (not accounting for military use on domestic soil).  
 Why does the Constitution explicitly grant this authority to the President and what is it to prevent?  
 They knew our agencies would grow in power so much so they could/can hold the executive hostage or engage with bad actors.  
 Trump nominated someone new to direct every agency but one. He controls the top.

>What must be completed to engage MI over other (3) letter agencies

During the 1950s and 60s, federal troops and federalized National Guard forces, accompanied by military intelligence personnel, were deployed to help integrate Southern schools<sup>23</sup> and to help deal with civil disorders in Detroit in 1967 and other cities the following year after the assassination of Dr. Martin Luther King Jr.<sup>24</sup> Throughout this period military intelligence units also continued to collect data on Americans at home who were suspected of involvement in subversive activities.<sup>25</sup> In the late 1960s, the Pentagon compiled personal information on more than 100,000 politically active Americans in an effort to quell civil rights and anti-Vietnam War demonstrations and to discredit protestors.<sup>26</sup> The Army used 1,500 plainclothes agents to watch demonstrations, infiltrate organizations, and spread disinformation. <sup>2</sup>

' According to one report, the Army had at least one observer at every demonstration of more than twenty people.<sup>28</sup> The Army's activities were summed up by Senator Sam Ervin: Allegedly for the purpose of predicting and preventing civil disturbances which might develop beyond the control of state and local officials, Army agents were sent throughout the country to keep surveillance over the way the civilian population expressed their sentiments about government policies. In churches, on campuses, in classrooms, in public meetings, they took notes, tape-recorded, and photographed people who dissented in thought, word, or deed. This included clergymen, editors, public officials, and anyone who sympathized with the dissenters.

Some things must remain classified to the very end. NK is not being run by Kim, he's an actor in the play. Who is the director? The truth would sound so outrageous most Americans would riot, revolt, reject, etc. The pedo networks are being dismantled. The child abductions for satanic rituals (ie Haiti and other 3rd world countries) are paused (not terminated until players in custody). We pray every single day for God's guidance and direction as we are truly up against pure evil.

Fantasy right?  
When Trump was elected you can't possibly imagine the steps taken prior to losing power to ensure future safety & control.  
When was it reported Trump Jr dropped his SS detail?  
Why would he take that huge risk given what we know?

We all have the goods on everyone else.  
That's part of the reason why some things that tie back to foreign heads of state will remain classified (not all). We are in one of the most critical times of our country. Trump and others are working to balance the we're doing well for America (for the common person to endorse) while at the same time purify our govt and remove the bad actors who are entrenched. There is so much string pulling and blackmail that we need to cut these off to truly gain the power granted to us by the Patriots and hard working people of this great country.

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS' order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in an effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

 **Anonymous** (ID: [pGukFmX](#)) 11/01/17(Wed)19:56:38 No.147567928 ► [>>147569014](#) [>>147570068](#) [>>147570232](#) [>>147571593](#)

POTUS will be well insulated/protected on AF1 and abroad (specific locations classified) while these operations are conducted due to the nature of the entrenchment. It is time to take back our country and make America great again. Let us salute and pray for the brave men and women in uniform who will undertake this assignment to bring forth peace, unity, and return power to the people.

It is our hope that this message reaches enough people to make a meaningful impact. We cannot yet telegraph this message through normal methods for reasons I'm sure everyone here can understand. Follow the questions from the previous thread(s) and remain calm, the primary targets are within DC and remain at the top (on both sides). The spill over in the streets will be quickly shut down. Look for more false flags – stay alert, be vigilant, and above all, please pray.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. Love is patient, love is kind."

God bless my fellow Americans.

Military Intelligence.

No media.

No leaks.

How many MI generals have been in/out of WH in the past 30 days?

Focus on Flynn.

Background and potential role.

What is the common denominator in terms of military backgrounds close to POTUS?

Why did Soros transfer the bulk of his 'public' funds to a NPO?

Why is this relevant?

Who owes a lot to very bad actors?

How can she repay as payment was made under promise of victory.

What cash payments occurred by BO during the last 90 of his Presidency to foreign states and/ or organizations?

What slush fund did AG Sessions (through DOJ) put an end to?

How does Soros, Obama, Clinton, Holder, Lynch, etc all net many millions of dollars (normally within a single tax year).

What was negotiated on the tarmac between BC and Lynch?

Remember it was expected HRC was going to win during this time period.

What if the wizards and warlocks tipped off a local reporter as to the supposed unscheduled stop?

What if the NSA under the personal direction from Adm R had this meeting miscat and logged under a false identity to prevent bad actors from locating while also verifying to said players all was clear \_ no logs.

What really happened when the wizards and warlocks revealed what they had?

Was Comey forced into the spotlight shortly thereafter not by choice? Right before the election no doubt which would cast suspicion?

These are crumbs and you cannot imagine the full and complete picture.

If Trump failed, if we failed, and HRC assumed control, we as Patriots were prepared to do the unthinkable (this was leaked internally and kept the delegate recount scam and BO from declaring fraud).

Dig deeper - missing critical points to paint the full picture.

There is simply no other way than to use the military. It's that corrupt and dirty.

Please be safe and pray for those in harms way as they continually protect and serve our great country.

## U.S. Sent Cash to Iran as Americans Were Freed

Obama administration insists there was no quid pro quo, but critics charge payment amounted to ransom

By Jay Solomon and Carol E. Lee

Updated Aug. 3, 2016 12:01 a.m. ET

WASHINGTON—The Obama administration secretly organized an airlift of \$400 million worth of cash to Iran that coincided with the January release of four Americans detained in Tehran, according to U.S. and European officials and congressional staff briefed on the operation afterward.

Wooden pallets stacked with euros, Swiss francs and other currencies were flown into Iran on an unmarked cargo plane,

and with all the race war propaganda and pizzagate possibility, i became suicidal because i cant stand that no one will open their eyes and are being manipulated hard.

i hope with all of my heart that Trump is going to make good on his promise to maga and clean the swamp. ive been thinking about joining the navy for corpsman greenside, and i would love to serve under a Trump administration if he really does clean swamp, (will try to join regardless no openings for corpsman right now though). I hope that what OPanon says is true. i will be praying for OPanon and all who risk their lives, for safety and that the Lord will guide them. and praying that what he says is true. and will be praying for the spiritual edification of God for Trump and for his complete safety in all of this. The pieces are coming together for me. and if this is true, those working with him are absolute geniuses because i would have never imagined their would be any way possible to take the monster of corruption that has overtaken this country.

<http://thehill.com/blogs/pundits-blog/presidential-campaign/292310-huma-abedins-ties-to-the-muslim-brotherhood>  
The Clinton campaign is attempting once again to sweep important questions under the rug about top aide Huma Abedin, her family ties to the Muslim Brotherhood and to Saudi Arabia, and her role in the ballooning Clinton email scandal. Her mother, Saleha Abedin, sits on the Presidency Staff Council of the International Islamic Council for Da'wa and Relief, a group that is chaired by the leader of the Muslim Brotherhood, Sheikh Yusuf al-Qaradawi.

Perhaps recognizing how offensive such ties will be to voters concerned over future terrorist attacks on this country by radical Muslims professing allegiance to Sharia law, the Clinton campaign on Monday tried to downplay Ms. Abedin's involvement in the Journal and the Muslim Brotherhood.

The Clinton surrogate group Media Matters claimed predictably there was "no evidence" that Ms. Abedin or her family had ties to the Muslim Brotherhood, and that Trump campaign staffers who spoke of these ties were conspiracy theorists.

To debunk the evidence, Media Matters pointed to a Snopes.com "fact-check" piece that cited as its sole source... Senator John McCain. This is the same John McCain who met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as "my hero" during a 2011 visit to Benghazi.

How did SA welcome POTUS during his trip?  
 Why was this historic and not covered by MSM?  
 How did SA welcome BO during his trip?  
 How did SA welcome HRC during her trip?  
 Why is this relevant?  
 Not suggesting SA is clean by any means but they play a role in this global game of RISK.

Combine all posts and analyze.  
 The questions provide answers.  
 Remember, information is everything, the flow of information is no longer controlled by the MSM but by you/others.  
 Hence, why we are dedicating 'critical' time to distribute crumbs which can be followed in greater detail to paint the entire picture once more information is released.  
 Why has POTUS dedicated so much time into labeling the MSM as fake news?  
 Why is this relevant?  
 We are fully prepared that all social media will be shut down to prevent the spread of this information (i.e. POTUS' Twitter etc. and/or mass censoring).  
 Sealed Federal orders pre-submitted as prevention and masked as 'in general' (though that does not account for rogue agents/programmers within).  
 Dates (impending actions) are deliberately provided for authenticity.

God speed to those who will be put in harms way. You are the bravest men and women on earth.  
 We will never forget.  
 All share one title in common and that is the title of "Hero."  
 "The LORD is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name's sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the LORD forever."

(Donations are typically reported in broad ranges, not specific amounts.) At least \$1 million more was donated by Friends of Saudi Arabia, which was co-founded by a Saudi prince.

## Saudi princes among dozens detained in 'corruption' purge

Is Crown Prince Mohammed bin Salman overplaying his hand with anti-graft purge?

ISTANBUL — They seemed untouchable. The head of a huge construction conglomerate. A prince who led Saudi Arabia's elite national guard. A billionaire investor who was one of the richest people in the world.

But in one breathtaking stroke, the men were detained by the Saudi authorities in a purge that began Saturday night and swept up some of the most powerful and recognizable names in the country, including members of the Saudi royal family, cabinet ministers, titans of media and industry, and former officials. The detainees included Prince Alwaleed bin Talal, a wealthy investor who owns major stakes in such companies as Twitter and Citigroup, according to an associate of his family.

*Note: Saturday (nov. 4th.) night would be saturday morning in U.S.*

She cancelled her Europeanbook tour one day before the Uranium One story would break, questioning her sale of 20% of U.S. uranium to Russia during her term as Secretary of State.

Why is MS13 a priority?  
 Could people pay such gangs to kill opponents and why / how to insulate against exposure?  
 The truth is mind blowing and cannot fully be exposed. These people are evil.  
 Why wasn't HRC prosecuted for the emails?  
 Put simply, Obama ultimately OK'd by using the non govt email addy to communicate w/ Clinton.  
 Obama also had an alias along with each of his cabinet members. Therefore indicting HRC would  
 lead to indicting Obama & his cabinet etc which could never happen.  
 Remember he lied about knowing but that ultimately came out in the dump. Poof!

In his testimony today before the Senate Judiciary Committee (on which I'll have more to say in an upcoming column), FBI director James Comey has stuck by his claim that declining to bring charges against Hillary Clinton for mishandling classified information was the right call because proof of intent was lacking. This is unsurprising. The director has repeated this analysis

Julian Assange seems to suggest on Dutch television program Nieuwsuur that Seth Rich was the source for the Wikileaks-exposed DNC emails and was murdered.

Car crash?

How does this connect to SA?

What just happened in SA?

## REPORT

# CIA will hack your car, kill you with it? A look at Wikileaks claim

The hackers were able to take wireless control (via the Internet) over many of the car's systems, from climate control to entertainment, steering, brakes, transmission, etc. Yes, you read that right, they basically had complete remote control over the car.

During the experiment, the hackers demonstrated their ability to control the steering wheel, disable the brakes, jerk the seat belt, and many other things that both distracted and terrified the reporter who's car, for all intents and purposes, was under their complete and total control. The driver had become a passenger who just happened to be sitting in the driver's seat.

This is pretty much everyone's nightmare scenario.

One month before the presidential election of 2008, the giant Wall Street bank Citigroup submitted to the Obama campaign a list of its preferred candidates for cabinet positions in an Obama administration. This list corresponds almost exactly to the eventual composition of Barack Obama's cabinet.

## Voting Machines in 16 States Tied to George Soros Ally

Soros's political track record raises concerns over conflict of interest

Concerns are being raised over ties between [George Soros](#), a billionaire and political activist with deep ties to [Hillary Clinton](#), and an electronic voting company with machines in 16 states. The chairman of the London-based company, Smartmatic International, is Lord Mark Malloch-Brown, who also works under Soros.

Malloch-Brown is on the board of the Open Society Foundations, run by Soros. [His brief biography](#) on the Smartmatic website says he was also formerly the vice chairman of Soros's Investment Funds and of Soros's Open Society Foundations.

# Every Voting Machine at This Hacking Conference Got Totally Pwned

It took computer hackers less than two hours to break into U.S. voting machines at the [annual DefCon computer security conference](#), according to tech news site [The Register](#). DefCon is an annual event that draws hackers from all over the world to Las Vegas to strut their stuff.

Some participants physically took machines apart to find and document vulnerabilities. Others gained remote access over Wi-Fi and were able to upload malware to them. DefCon organizers aggregated some 30 voting machines—including those made by Diebold, Sequoia, and WinVote—to make up its first-ever Voter Hacking Village, and turned them over to the pros on Friday to work their magic.

**SOFT ROBOTS THAT** can grasp delicate objects, computer algorithms designed to spot an “insider threat,” and artificial intelligence that will sift through large data sets — these are just a few of the technologies being pursued by companies with investment from In-Q-Tel, the CIA’s venture capital firm, according to a [document](#) obtained by *The Intercept*.

Yet among the 38 previously undisclosed companies receiving In-Q-Tel funding, the research focus that stands out is social media mining and surveillance; the portfolio document lists several tech companies pursuing work in this area, including Dataminr, Geofeedia, PATHAR, and TransVoyant.

For the coming days ahead.

Ask yourself an honest question, why would a billionaire who has it all, fame, fortune, a warm and loving family, friends, etc. want to endanger himself and his family by becoming POTUS?

Why would he want to target himself and those he cares about?

Does he need money?

Does he need fame?

What does he get out of this?

Does he want to make the US/world a better place for his family and for those good and decent people who have long been taken advantage of?

Perhaps he could not stomach the thought of mass murders occurring to satisfy Moloch?

Perhaps he could not stomach the thought of children being kidnapped, drugged, and raped while leaders/law enforcement of the world turn a blind eye.

Perhaps he was tired of seeing how certain races/countries were being constantly abused and kept in need/poor/and suffering all for a specific purpose.

Perhaps he could not in good conscious see the world burn.

Why, hours after the election, did seven people travel to an undisclosed location to hold a very private & highly secured/guarded meeting?

Why didn't HRC give a concession speech?

When was the last time a presidential candidate didn't personally give a concession speech?

What happens if the border remained open and the MSM continued to brainwash?

At what point do Patriots, and hard working men and woman, become the minority?

What about voting machines?

Who owns the voting machines?

What about voter ID laws?

Photo ID? When is it necessary and must be presented? Make a list. Laugh.

Reconcile.

Would the chances of defeating evil grow less and less with each passing year?

What does 'red line' mean?

Why, again, were the arrests made in SA so very important?

What strings were immediately cut?

Follow the money.

## Pope Francis: prioritise migrants' dignity over national security

Source: theguardian.com

Terrorism is not fueled by the religion of Islam itself. Terrorism is fueled in large part by a lack of work and opportunity for people. When the pursuit of money instead of the well-being of people is the aim of a society, we have the conditions for terrorism. In fact, this removal of God from the center of our lives, and His replacement with money is the first terrorism. This is the root from which all terrorism flows.

**Soros** paid \$650,000 in April 2015 to fund an initiative meant to shape the Pope's U.S. visit to "shift national paradigms and priorities in the run-up to the 2016 presidential campaign," **emails** revealed via WikiLeaks **show**. Among those priorities is **inserting his supposed humanitarian nose in other entities' business to promote his leftward-leaning causes**, including population control, abortion, **euthanasia**, and **homosexual "marriage."**

But Soros was also paying two leftist organizations to work to get "buy-in of individual bishops" who could be counted upon to show more public support of "economic and racial justice messages" and also secure a collection of bishops "who are aligned with the Pope."

## Owner's Rule #1: 40,000 Foot Level Point of View

June 28, 2013 By Jan Triplett — [Leave a Comment](#)

### The Owner's Point of View

The "40,000 Foot Owners View" symbolizes the number one rule for owners who want to be successful: stay at the 40,000 foot level for planning and making decisions instead of getting bogged down in the day-to-day weeds of running and managing the business. This is especially important when using networking to grow a business. It's a critical skill owners must have in order to survive the challenges and take advantage of opportunities.

# Resistance Royalty: Pelosi, Soros Headline Left's Biggest Dark Money Conference

Private memo gives inside look at Democracy Alliance's latest secret donor meeting

BY: Brent Scher and Joe Schoffstall

November 17, 2017 5:00 am

CARLSBAD, Calif.—A secretive three-day conference where big money liberal donors are plotting the next steps of the "resistance" will be headlined by Friday speeches by billionaire George Soros and Democratic House Minority Leader Nancy Pelosi, according to internal documents obtained by the *Washington Free Beacon*.

The Democracy Alliance, a donor club of deep-pocketed liberal donors that each pledge to direct hundreds of thousands of

dollars in funding to approved left-wing groups, descended on California's posh La Costa Resort on Wednesday morning for its fall donor summit. The group continued its tradition of secrecy, promising all members and guests of the summit their participation would "remain confidential."

# BREAKING NEWS: Several feared dead as helicopter and plane collide in mid-air over Rothschild family's Buckinghamshire manor house

21:05 17 Nov

## 'Loud bang' shock of Rothschild family member

A member of the Rothschild family at Waddesdon Manor has told of her shock after lunchtime's mid-air collision between a helicopter and an aircraft missed her by five minutes.

The woman, who did not want her full name published, told the Press Association she heard a loud bang while she was driving her car to a dog grooming event, near Waddesdon, in Buckinghamshire.

Just five minutes earlier she had been picking a plant in the Wilderness Woods, the scene of the crash site, on the Waddesdon Estate.

"I'm totally shocked," she said. "I heard a loud bang, which I thought was a car crash."

**F**our people have been killed in a mid-air collision between a helicopter and light aircraft flying from an airfield where air traffic control had been shut due to "staff shortages".

A Notice to Airmen was previously issued to warn pilots the air field's air traffic control services would be closed during three 30-minute periods on selected days between November 7-30 due to a "staff shortage".

The crash occurred around half an hour after the latest closure was due to end.

## Reports: US Marine Expeditionary Unit (MEU) Lands at Langley!

Category: U.S. National News  
 © Sunday, 19 November 2017 05:44

Source: Hal Turner Radio Show

At this point, rumors began spreading that Marines had stormed CIA headquarters in Langley on Saturday 18 November. One of the first to report on this, was the Hal Turner Radio Show on November 19.

"According to persons who reside near Langley, a large contingent of Marines arrived at CIA Headquarters in tilt-rotor aircraft (photo) and when the Marines deplaned, they were armed and moved quickly into CIA Headquarters! (I did not personally witness this and am relying solely on what witnesses are telling me)."

The news went viral quickly on the Internet, and was quickly embellished and aggrandized.

An update was made the next day on Monday November 20: "I have now spoken to almost ALL of my former colleagues in the Intelligence Community and here's what took place: Yes, a group of military aircraft approached and circled the CIA Headquarters in Virginia for upwards of 30 minutes on Saturday. They did NOT land and did NOT enter CIA HQ forcibly - or otherwise."

Allegedly there's an ongoing problem between the

Military and CIA insofar that "elements within the CIA are still INTENTIONALLY carrying out the failed policies of the Obama regime," including supplying weapons and logistic support to "freedom fighters" inside Syria who are fighting U.S. troops.

Apparently the CIA had negated the order to stop the funding. The military showdown was to send a clear message from the military to the (rogue factions within) CIA.

"It was done over a weekend apparently because most of the big shots in the Pentagon are at home, and by the time they heard something was going on, it was pretty much over "

Benjamin Fulford, former Asia-Pacific Bureau Chief for Forbes Magazine, spoke of a "Huge actionable intelligence haul from Marine raid on CIA HQ" on Nov. 27. His sources claim "computers and documents were seized and as a result, some 400 drug facilities were located and the U.S. military began bombing them in Afghanistan on November 19th."

"They added that the bombed locations were labelled as the Taliban's in order "to be politically correct."

CONFIRM GREEN SKY = giving an order to Captain Green to do something to the Rothschilds.

Q gave us this crumb beforehand, and also wrote a message to LdR (we can hear you breathing).

This was a map. Q told us that future shows the past meaning that a future event (Captain Mike Green doing something with a helicopter to Rothschilds) will explain these keywords and confirm that Q knows top secret information.

Green, obviously a good guy, had a mission. We don't know what exactly he was supposed to do. But it had to be something very serious because bad guys countered very seriously and killed several people.

Mission failed.

Capt. Mike Green, a senior flight instructor, was flying the two-seater helicopter, which had taken off from Wycombe Air Park. He was also carrying another passenger on a "gift sight-seeing tour," reported MailOnline.

Many of Green's former colleagues and friends paid tribute to the well-loved pilot.

Former colleague Capt. Phil Croucher told the news station: "I shared a cup of tea with him only on Thursday morning. He was a true gentleman. He was probably the most well-respected instructor in the country. He achieved a very high position within the army as an instructor."

Current conclusions?

so Titanic -> Rothchild screws America by making our money worthless -> crash of 29 -> Tons new government which doesn't fix the problem Rothchild created (but a war helps) -> cia -> everyone blackmailed with sex tapes -> media consumed cia -> Country forced hard left -> population to puppets -> Causes uprising by certain Patriots like Kennedy/Reagan/Trump and while they managed to kill Kennedy and outlast Reagan enough lessons were learned that we are now finally ready to clean house and become America again?

Citigroup, Twitter, Lyft: Prince Alwaleed's Arrest Touches Many

<https://archive.fo/ixJtu>

<https://archive.fo/1GT1F>

Mr. Rizvi, 47, runs a private investment company that is the largest outside investor in Twitter, with a 15.6 percent stake worth \$3.8 billion at the end of trading on Thursday. Using a web of connections in the tech industry and in finance, as well as a hearty dose of good timing, he brought many prominent names in at the ground floor, including the Saudi prince and some of JPMorgan's wealthiest clients.

## Insight: Little-known Hollywood investor poised to score with Twitter IPO

Ronald Grover, Gerry Shih

10 MIN READ

LOS ANGELES/ SAN FRANCISCO (Reuters) - When Twitter goes public in coming weeks, one of the biggest winners will be a 47-year-old financier who guards his secrecy so zealously that he employs a person to take down his Wikipedia entry and scrub his picture from the Internet.

Twitter CEO Ali Rowghani (2nd left), Prince Alwaleed (center), and Mr. Suhail Rizvi (right).

**Rizvi Traverse Capital's other major investments include a controlling interest in Playboy** and music rights organization Sesac, as well as stakes in news app Flipboard and Jack Dorsey's digital payments company, Square. Sources told CNBC that Rizvi invested \$100 million in Facebook before its IPO and sold its shares earlier this year. It also has sold its equity stake in talent agency ICM, and in "Twilight" producer Summit Entertainment, which sold to Lionsgate.

Rizvi's biggest individual client is Prince Waleed Bin Talal of Saudi Arabia who invested \$300 million pre-IPO in Twitter through Rizvi Traverse. Rizvi also invested JP Morgan Chase's \$400 million pre-IPO in Twitter. Rizvi is reported to have used personal connections in Silicon Valley to purchase these stakes from Twitter employees.

>One of the first big milestones in this transformation took place in November 2004 when Google acquired a tiny and little-known 3-D mapping startup called Keyhole Inc. Google paid an undisclosed sum for the company, immediately absorbed it, and began turning its tech into what we now know as Google Earth. The acquisition would have gone unnoticed, had it not been for one not-so-tiny detail: Keyhole Inc was part-owned by the CIA and the "National Geospatial-Intelligence Agency" (NGA), a sister agency to the NSA. Keyhole Inc also had one major client base: US military and intelligence agencies.

Google is like a cheat code for intelligence gathering.

## The CIA helped sell a mapping startup to Google. Now they won't tell us why

"We can neither confirm nor deny..."

The most obvious question is: What prompted the acquisition? Did Google buy Keyhole -- and take on all its military contracts and NatSec liabilities -- because it badly needed its 3D mapping technology? Or did Google see the acquisition as a convenient way of getting into the military contracting business? Was there any internal discussion in the company about the benefits and pitfalls of absorbing a startup so closely tied with the CIA and the Pentagon?

## Soros, Ford Foundation shovel \$196 million to 'net neutrality' groups, staff to White House

by Paul Bedard | Feb 26, 2015, 6:56 PM

"These left-wing groups not only impacted the public debate and funded top liberal think tanks from the Center for American Progress to Free Press. They also have direct ties to the White House and regulatory agencies. At least five individuals from these groups have ascended to key positions at the White House and FCC," said the report which included funding details to pro-net neutrality advocates.

Further, the US courts cannot be trusted as they are riddled with bought and corrupt jurists, so military tribunals will be used to try these enemies of the state. It's going down...

So says Q.

Q is an anonymous poster on 4chan. Q began posting in late October. His posts are in the form of questions, short statements, long lists of connected important people/things, obscure acronyms, and occasionally random series of characters and symbols. Q refers to these clues as "breadcrumbs" and claims they are releasing the "biggest insider drop in the history of the world".

**Here's a pastebin that supposedly has collected Q's various postings**

Q is gaining traction, both on Twitter, with youtubers and here in Pravdareport.

Meanwhile, Senator John McCain tweeted a picture of himself in his garden, with his surgical boot on the other leg. The buttons on his shirt and vest prove that the photos weren't mirrored. People noticed, and McCain answered later: "Thank you for your support & best wishes. My left leg was doing extra work to compensate for the boot, so I'm giving it a break."

Two Internet memes found on 4chan. Conspiracy theorists never sleep... One person in this photo of the Rothschild family bears a striking resemblance to James Alefantis, owner of Comet pizza in DC. This sort of thing only generates more questions... Now I don't know what to think!

At In-Q-Tel, Painter's work focused on identifying, researching and evaluating "new start-up technology firms that were believed to offer tremendous value to the CIA, the National Geospatial-Intelligence Agency, and the Defense Intelligence Agency." Indeed, the NGA had confirmed that its intelligence obtained via Keyhole was used by the NSA to support US operations in Iraq from 2003 onwards.

A former US Army special operations intelligence officer, Painter's new job at Google as of July 2005 was federal manager of what Keyhole was to become: Google Earth Enterprise. By 2007, Painter had become Google's federal chief technologist.

## EXCLUSIVE: 'American mercenaries are torturing' Saudi elite rounded up by new crown prince - and billionaire Prince Alwaleed was hung upside down 'just to send a message'

- Source in Saudi Arabia says American private security contractors are carrying out 'interrogations' on princes and billionaires arrested in crackdown
- Detained members of Saudi elite have been hung by their feet and beaten by interrogators, source says
- Among those hung upside down are Prince Alwaleed bin Talal, an investor worth at least \$7 billion who is being held at Riyadh's Ritz Carlton
- Arrests were ordered three weeks ago by Crown Prince Mohammed bin Salman
- Source claims mercenaries are from 'Blackwater', a claim also made by Lebanese president
- But its successor firm denies it has any operations in Saudi Arabia whatsoever and says its staff abide by U.S. law
- Americans who commit torture abroad can be jailed for up to 20 years

Mr Prince, the brother of Education Secretary Betsy DeVos, generated both headlines and controversy in the aftermath of the 9/11 attacks, when the Bush administration sought to make use of private contractors as part its so-called war on terror. Human rights groups highlighted reports of torture and abuse linked to various mercenaries.

Folks -- a terrific addition to the HHS team would be Dr. Susan J. Blumenthal. She's the wife of Rep. Ed Markey, a crucial Hill ally. She retired from the HHS Public Health Service as a Rear Admiral. I pulled the bio below from the Center for the Study of the Presidency. She'd obviously be especially terrific looking at the PHS, NIH, Women's Health. She knows a lot about where bodies are buried.

Pretty important to include her somehow. OK? Please let me know. I'm having dinner with Markey on Monday.

In thread #127 these crumbs were posted and were RELENTLESSLY attacked by Shills unlike anything since original Q drops.

Facebook, Google and Twitter are 95+% of internet for Normies. .coms are rarely used and when they are its almost all from links from one of these three central points. Together they are the Gateway of the internet for Normies.

Why is this important? Because now the vast majority of political debate, activism, normal debate and sharing of ideas (1st amendment rights) is done online.

For years the Big3 fought censorship. However, in May 2016 Facebook, Google, Twitter and Microsoft signed the European Union's "Code of Conduct" agreement. That would be one thing if they only enforced it in EU Internet space, but they adopted the agreement into their Terms Of Service for EVERYONE. Thus by DeFacto they REPEALED and REPLACED our 1st Amendment with NO VOTE, NO DEBATE and ocmpletely RAPED Our Political Process and MOST FUNDAMENTAL RIGHT! The Right that above all else keeps us from another Civil War and keeps us free and keeps USA ideals USA.

That has now been compromised and the EU is running our flow of information.

Also, the Big3 are being used as a NeoStasi type Intelligence operation. Big3 have over 1 billion users and they know EVERYTHING about each and every one. Habits, cravings, shopping, moods, beliefs, eye and facial movements (Now with Facial recognition software in phones) and they sell this info to whoever pays. Look into what Stasi did. Now ask what has the Big3 done last year especially? Remember FB admitting they targeted "Depressed Teens?"

At one point, the authorities took all private television news channels off air, apparently out of concern that the live coverage of the police action could inflame religious sentiments.

The protesting Islamists, from the hardline Tehreek-i-Labaik Ya Rasool Allah Party, want the law minister to be sacked for omitting a reference to the Prophet Muhammad in a new version of the electoral oath.

I was here last night, the shills were out in full force, it was fucking crazy in here, they were talking to each other like I never seen, alot of false info was thrown out and they all were in on it posting false Q post and megaton post

Yes, the sheer volume of the amount of shilling and nonsense on CBTS makes you think someone is being paid to be disruptive...

**A**drenochrome is mentioned in the movie “Fear and Loathing in Las Vegas” starring Johnny Depp and if you watch this quick clip to the end, it talks about this drug. Take a look.

*CLIP DESTRIPTION: The two protagonists are tripping on LSD in their hotel room. Duke (Johnny Depp) is ingesting some kind of liquid drug from a dropper, and asks his partner from whom he got the drug.*

- Dr. Gonzo: “Satanism freak.”

- Duke: “I think there’s only one source of this stuff. The adrenalin gland from a living, human body.”

- Dr. Gonzo: “I know... The guy didn’t have any cash to pay me. He offered me human blood - said it would take me higher than I’ve ever been in my life. I thought he was kidding, so I told him I’d just as soon have an ounce or so of pure adrenochrome - or maybe just a fresh adrenaline gland to chew on.”

“Yessir, they nailed this guy for child molesting. He swore he didn’t do it. “Why should I fuck with children?” he says. “They’re too small.” Christ, werewolf is entitled to legal counsel. I didn’t dare turn the creep down. He might have picked up a letter opener and gone after my pineal gland!”

In this clip, it’s interesting to note the discussion between Depp and the dealer he’s talking to. If you didn’t realize it, they’re talking about how it’s harvested in a roundabout way.

Yes, I’m well aware this is supposed to be fiction, however most fiction is based on real life events. Au-

thors do a lot of research on their subjects and this movie isn’t about Depp going down the rabbit hole or making chocolate in a make believe factory.

This is much closer to real life than people would like to admit. Adrenochrome is a chemical produced by the human body when adrenaline (or epinephrine) oxidizes or “hits the air.” It’s produced when the body is traumatized in some way such as through torture or extreme terror.

When a stimulus which should produce extreme fear is introduced to a human, especially when someone is very young, the adrenaline produced is more potent than the average adult. Because of its psychoactive properties Adrenochrome has been linked to mind control drug. Think MK Ultra.

The extraction process is done by killing the person and harvesting the adrenochrome from the base of the neck and spinal column with a needle.

In it’s pure form, black market dealers can make extreme amounts of money when they sell it. This connection between the child sex trafficking, torture and murder of children around the world and the links between MS-13, high profile pedopushers like Podesta and Alefantis and all the ties between these non-profit organizations pretending to provide assistance to victims of various disasters around the world makes sense when you think about this type of drug trafficking.

What better way to collect children than from war torn or natural disaster ripped areas? Parents are gone, families are separated. It’s too easy to get these kid in and out of the country. They slap a few faces of children on their posters and then no one ever really tracks the kids after a certain point.

# Most feared gang in America 'sacrifices teenage girl to Satan'

The MS-13 is the only street gang the US government has designated a 'transnational criminal organisation'

Harry Cockburn | Friday 10 March 2017 18:44 GMT

News item is dated march 10, 2017. Mara Salvatrucha is otherwise known as MS13.

If you can poke Prince Charles in the chest like he's your bitch, you may be a Rothschild.

Ahh, Internet memes... they're supposed to be a bit naughty, aren't they? One visual framed with a couple of words can really be an eye-opener. This is what people call red-pilling.

# 'Blowback': Clinton campaign planned to fire me over email probe, Obama intel watchdog says

By Catherine Herridge, Pamela K. Browne, Cyd Upson | Fox News

More from Fox News

Hannity: Democratic

As one of the few people who viewed the 22 top secret Clinton emails deemed too classified to release under any circumstances, the former IG said, "There was a very good reason to withhold those emails ... there would have been harm to national security." McCullough went further, telling Fox News that "sources and methods, lives and operations" could be put at risk.

Some of those email exchanges contained **Special Access Program (SAP)** information characterized by intel experts as "above top secret."

>>151189730

>what is that, specifically?

>>sap files

This is what FBI Anon posted last year:

>>79487851

A Special Access Program is an intelligence program classified above top-secret. They are held on closed servers at secret locations. The only way to get one is if you are specifically read on to a program, have a need to know, then you must physically go to a location and pass through several layers of security to even look at the program. A good example in non-classified terms would be the locations and operations of our intelligence operatives around the globe, or our missile silo locations.

Sadly, this is old news, it was known during the election, yet she was still allowed to run.

## Shadow President: Barack Obama To Meet With World Leaders On 'Asian Tour'

*As he did with President Trump's European trip, Obama will follow closely on actual president's heels.*

Just as he did after President Donald Trump's trip to Europe, former President Barack Obama will make a tour of Asia, weeks after Trump returned from his first official state visit abroad to Japan and China.

It seems Barry is off touring the world again...

I told this yesterday but it was mostly shills.

I spoke to a friend in Jacksonville NC yesterday. She told me the Marines there at Camp Lejeune are on high alert since Sunday. All leaves cancelled and they've been told not to go beyond a 50 mile radius of the base.

I don't know if this is important or not but it could be relevant in the grand scheme of things.

I think that at this point the big picture should be clear to everyone. Whatever truth there is to it, will eventually come to light. We already see how dishonest some mainstream media outlets have become, having moved past the point of merely being biased. If Q's claims are true, when it all comes out, complicit media outlets are sure to be disruptive. That is why I leave this document at your disposal, and also, to help lighten the shock.

### **On Satanism**

Some people foolishly call Satan “Lucifer” (“Bringer of Light”). That is incorrect, “Bringer of Light” was merely his “job title” before he got fired. He couldn’t handle the honor of being the bringer of Light to all sentient beings and he began to think highly of himself. It is of course a total insult and abomination to all but the worst creatures to have the Light being brought to you by an arrogant one, and so his title was revoked.

By this time he had crippled his own heart to the extent that his reaction was that of a petulant child. Failing to look for any fault with himself, he turned against God for taking away that most noble function that he himself had amply soiled and disgraced.

If even God’s best angel would fall into arrogance at the honor of being the bringer of Light, God created humans and allowed them to seek and find the Light themselves in the most difficult environment. Only those who could manage to find the Light under such trying circumstances, would understand its preciousness and know to cherish it accordingly.

Nauseous with jealousy, Satan - unable to strike at God directly - decided to take his revenge on God’s dearest creatures: mankind, and attempt to corrupt them. He went as far as to lure the most stupid ones among them (sometimes even talented people) to become his disciples, and have them commit every kind of sin, cruelty and evil in his name. In turn, he would prop them up with demons, so they would feel all mighty and powerful - other humans would feel it too.

The more these people praised their lord of darkness, the more he would despise them in his heart as their willingness to follow he who had set out to destroy them, only proved their inferiority. He would then smile and embolden them to commit even more sins and carry out even more sinister plans. But he would never tell them of the cosmic law, that what is owed, must be repaid. They would have to repay, with interest, all of the mayhem and suffering that they caused, be it in this life or the next.

As the song goes: “You can check out anytime you like, but you can never leave.”

There are no rewards in hell.

### **The Responsibility of Rulers**

1 So then, you kings, you rulers the world over,  
listen to what I say, and learn from it.  
2 You govern many lands and are proud that so many  
people are under your rule,  
3 but this authority has been given to you by the Lord  
Most High. He will examine what you have done and  
what you plan to do.  
4 You rule on behalf of God and his kingdom, and if  
you do not govern justly, if you do not uphold the law,  
if you do not live according to God's will,  
5 you will suffer sudden and terrible punishment.  
Judgment is especially severe on those in power.  
6 Common people may be mercifully forgiven for their  
wrongs, but those in power will face a severe judgment.  
7 The Lord of all is not afraid of anyone, no matter how  
great they are. He himself made everyone, great and  
common alike, and he provides for all equally,  
8 but he will judge the conduct of rulers more strictly.  
9 It is for you, mighty kings, that I write these words,  
so that you may know how to act wisely and avoid  
mistakes.  
10 These are holy matters, and if you treat them in a  
holy manner, you yourselves will be considered holy.  
If you have learned this lesson, you will be able to  
defend yourselves at the Judgment.  
11 So then, make my teaching your treasure and joy,  
and you will be well instructed.
