1 INTRODUCTION

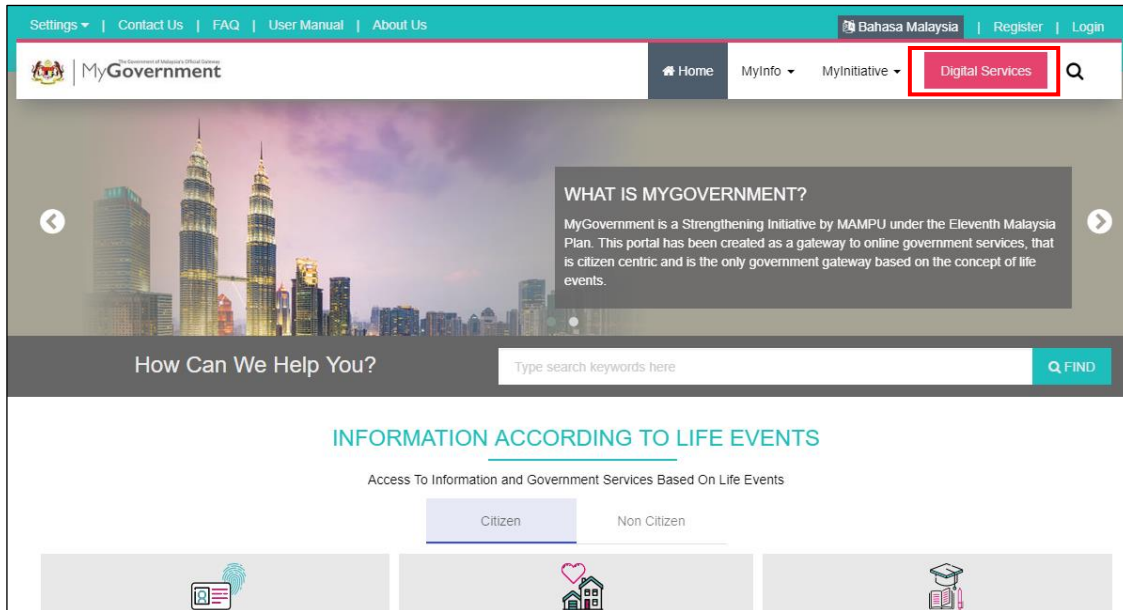

MyGovernment Portal offers digital services in line with the main objective of creating a government online service gateway (GOS Gateway) and it is sole government portal with life event concept.

One of the services introduced through this portal is Search for Educational Institutions in Malaysia. This service is developed to make it easier for users to search the institution based on institutional category, institutional name or user location based on the distance entered by the user.

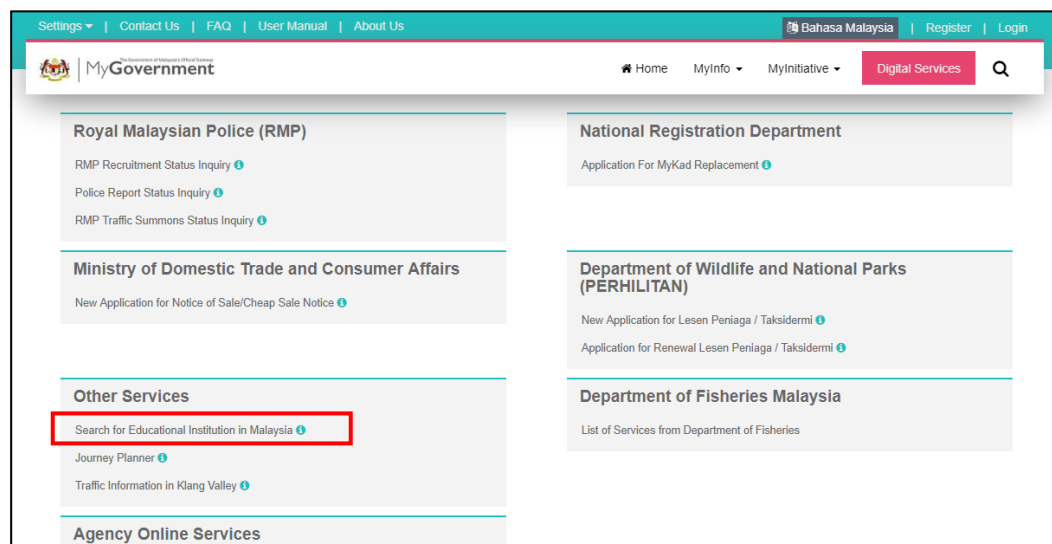

2 SERVICE ACCESS

This service is accessible to the citizen through MyGovernment Portal. The service can be access directly without login into MyGovernment Portal.

The Homepage is as follows:-

- i. Click [Digital Services] button, screen will appear as follows:-

- ii. Click Search for Educational Institution in Malaysia link from Other Services list, screen will appear as follows:-

Theme Color: Font Size: —A + —A + Font Type: Arial Bahasa Malaysia
