# OPERATION NORTHWOODS

**Unclassified in 1997, Operation Northwoods was written up by the US Joint Chiefs of Staff as a plan to persuade the American people to want to go to war with Cuba, by launching a wave of terrorist attacks on US citizens. It called for innocent people to be shot, bombs to be planted in major cities, planes to be hijacked, and it would be blamed on Cuba. Luckily, JFK rejected the plan.**

# OPERATION NORTHWOODS

**DECLASSIFIED** November 18, 1997

‘Operation Northwoods’ is a DOCUMENTED ‘False Flag’ plan, originating within the United States government in 1962. False Flag attacks are a military and war tactic, used since Roman times.

It called for the CIA and/ or other operatives to commit genuine acts of terrorism in U.S. cities on both military and innocent civilian targets. These acts of terrorism were to be blamed on Cuba in order to create public support for a war against that nation. Operation Northwoods included proposals for hijacking and or shooting down commercial airplanes, and bombings in American cities, followed by the introduction of phony evidence and other tactics that would implicate the Cuban government.
