Dear Dr.Srikanth,

This is in response to your application seeking an assignment in our organization. We are pleased to offer you the post of Associate Professor Grade II (Conditional) in the Department of Medicine posted to Centre- Accident Emergency and Critical Care Services of our Institution.

As per norms laid down by MCI, it is essential for a faculty at the level of Associate Professor to have a minimum of two research publications indexed in index medicus / national journals as first author. You were found to be deficient in your efforts at publication and hence as per existing institutional policy, we have offered you a conditional appointment. You are required to concentrate on research publications and fulfill the above condition at the earliest after which your condition will be cleared. Your progress will be reviewed at the end of one year.

The M.S. Ramaiah Medical College and Hospitals as part of the Gokula Education Foundation is a premier educational institution recognized as a Centre of excellence in the field of Medical Education all over the country and the world. Our main focus is on offering to the society highly competent and knowledgeable medical personnel with character and high ethical values with a genuine commitment to the welfare of the suffering humanity. The teachers are our most important partners in this endeavor. I am sure you will find your association in this endeavor most rewarding and satisfying. We sincerely hope that your association with the institution will be of benefit to the institution, the students and also contribute to your professional growth.

The terms and conditions of appointment is enclosed.

As a token of acceptance of this offer of appointment, please return a copy of this letter of offer duly signed indicating your consent. We look forward to your joining the College at an early date.

With best wishes,

Yours truly,

 Principal & Dean
